Have 7 March 1793-

Sir

We have requested from time to time our Mutual friends Messrs. Henderson & Co. to inform you of our progress in the sales of your parcel of Tobacco put into our hands by Messrs. Henderson & Co. of Glasgow to which we doubt not they have attended.

We have now the pleasure to transmit you of this
parcel 96. send from Bourdeaux 44390.4.6

Gordon Riddell & Co. to whom we have transmitted a copy of the account.

There are 3 small Casks of Co--- Tobacco which are not yet
sold, but we shall dispose of them & remit the amount with the other funds.

Since the War our Tobacco prices have mended a little
Potomacks of a large leaf would now bring 70^s or near it & we do not see
any prospect of the Market in this Country falling during the Summer.
Our lately fluctuates from 15 to 15½

We have the honour to be with much respect-----

Sir your Mo. Obed. & Hble. Servts.
