**CAA and BracketBusters History**

Eight CAA teams participated in BracketBusters in 2005-06, posting a 6-2 record. The conference gained national attention by winning all three of its nationally-televised contests as VCU edged Albany, 70-67, Old Dominion defeated Marist, 84-71 and George Mason downed Wichita State, 70-67.

The CAA is a perfect 4-0 in televised BracketBusters games with Drexel having posted a 74-70 win at Ball State in 2005.

The inaugural BracketBusters in 2003 featured 18 teams and the 2004 event grew to 46 teams, including 2003 CAA champion UNC Wilmington. Three CAA teams - Drexel, George Mason and VCU - were among 64 participating squads in 2005 and the event grew to 100 teams a year ago. This season's BracketBusters pool boasts a total of 70 team appearances in the last five NCAA Tournaments.

CAA

Coming off one of the most successful seasons in its 21-year history, the Colonial Athletic Association continues to enhance its reputation as one of the nation's top collegiate conferences.

With a geographic footprint that stretches from Boston to Atlanta, the CAA encompasses five of the nation's nine largest metropolitan areas. On the playing field, the conference has produced 16 national team champions in five different sports, 33 individual national champions, 12 national players of the year, 11 national coaches of the year and 12 Honda Award winners. Even more impressive, however, are the honors accumulated away from competition, which include five Rhodes Scholars and 19 NCAA post-graduate scholars. In 2005-06, the CAA had 11 ESPN the Magazine Academic All-Americans and more than 1,500 of our 4,000 student-athletes posted at least a 3.2 grade point average while lettering in a varsity sport and received the CAA Commissioner's Academic Award.

The landscape of the conference stretches along the majority of the East Coast, and includes six of the nation's top 25 media markets - New York (1), Philadelphia (4), Boston (5), Washington, D.C. (8), Atlanta (9) and Baltimore (23). The number of television homes in the CAA market exceeds 19 million.

The CAA conducts championships in 21 sports. Male athletes compete for championships in baseball, basketball, cross country, golf, lacrosse, soccer, swimming & diving, tennis, track & field and wrestling. Female athletes battle for conference titles in basketball, cross country, field hockey, golf, lacrosse, soccer, softball, swimming & diving, tennis, track & field and volleyball. The CAA will also begin sponsorship of a 12-team Division I-AA football league in the fall of 2007.

The conference made its presence known nationally in men's basketball, with four teams advancing to post-season play for the second year in a row. George Mason became the first mid-major program since 1979 to reach the Final Four, knocking off powerhouses Michigan State, North Carolina, Wichita State and Connecticut along the way. The Patriots were ranked #8 in the final ESPN/USA Today Top 25 poll, which was the highest ever for a CAA team. UNC Wilmington claimed its third league title in the past five years before dropping an overtime decision in the NCAA Tournament. ODU became the first conference team to reach the final four of the NIT, defeating league member Hofstra in the quarterfinals. Drexel was the first CAA squad to make the final four of the NIT Pre-Season Tip-Off Tournament, where

it dropped close decisions to national powers Duke and UCLA. The CAA was ranked eighth out of 31 conferences in the final RPI with six teams among the top 88 in the country.

In women's basketball, the CAA had a league-record four teams earn post-season berths and was ranked #8 in the final RPI. Perennial power Old Dominion, which claimed its 15th consecutive conference title, has a storied history that includes three national championships (1979, 1980, 1985) and a national runner-up finish in 1997. Delaware, James Madison and Hofstra received berths in the 2006 WNIT.

The conference also excels in many other sports. CAA squads have won 10 field hockey national titles since the championship began in 1981 and Old Dominion advanced to the national semifinals in 2005. In baseball, James Madison's Kellen Kulbacki was chosen as the Co-National Player of the Year and the league had 28 players chosen in the 2006 Major League Baseball draft. The CAA is annually ranked among the nation's top 10 conferences in men's and women's soccer, and traditionally sends multiple teams to the NCAA Tournament. Hofstra's men's lacrosse team was ranked #2 in the nation last season and tied an NCAA record with 17 victories while CAA women's tennis players Megan Moulton-Levy of W&M and Tatsiana Uvarova of VCU both earned All-America honors after facing off in the quarterfinals of the NCAA Championship. In 2005-06, 21 league teams earned NCAA Tournament berths in 16 sports. There were 37 CAA student-athletes who earned All-America honors.

CAA member institutions are committed to excellence in the classroom. The Colonial Academic Alliance was created in 2002 by the league's presidents with a goal of expanding their partnership to all aspects of university life outside of intercollegiate athletics. Among the programs already established are an undergraduate research conference, coordination of study abroad programs and granting visiting academic status to student-athletes traveling to an away contest so that they have access to libraries, academic resource centers and computer labs.

In 2002, two faculty members from CAA institutions were awarded academia's most coveted distinction - the Nobel Prize. John B. Fenn, a research professor in the Department of Chemistry at Virginia Commonwealth University, received the Nobel Prize for chemistry, and Vernon Smith, a professor of economics and law at George Mason University, shared the Nobel Prize in economic sciences.

## CAA DOMINANCE

Overall, William and Mary has won a total of 84 Colonial Athletic Association championships, more than 20% of all league titles awarded and far more than any other conference school.

Commissioner Thomas E. Yeager has guided the CAA since its inception. Long-time members George Mason University, James Madison University, the University of North Carolina at Wilmington, Old Dominion University, Virginia Commonwealth University and the College of William & Mary were joined by the University of Delaware, Drexel University, Hofstra University and Towson University in 2001. Georgia State University and Northeastern University became members of the conference on July 1, 2005.

The CAA traces its roots back to 1983 when three of its current members- George Mason, James Madison, and William and Mary - were aligned with East Carolina University, the United States Naval Academy and the University of Richmond as a basketball league (ECAC South). During the next two years, the league added 11 sports, acquired two new members (UNC Wilmington and American University) and decided to form a new association. The transformation from ECAC South to CAA took place on June 6, 1985. Old Dominion became a member of the CAA in 1991-92 and VCU joined the conference prior to the 1995-96 season.

From all-star athletes to Nobel Prize winning faculty, the CAA takes great pride in producing performers who stand out both on the playing field and in the classroom.
