## Kris Sears

Associate Sports  
Information Director

Kris Sears is in his first year as the associate sports information director at the College of William and Mary.

Prior to joining the W&M staff, Sears spent five years in the Media Relations office at Indiana University as a student, graduate and staff assistant. He worked with the seven-time national champion IU men's soccer team as well as the men's basketball program. Sears handled publicity for the 2004 NCAA Championship men's soccer team and for the 2004 Missouri Athletic Club Hermann Trophy winner. In 2004 and 2005, Sears' men's soccer and water polo guides were voted the 'Best in the Nation' by CoSIDA.

In addition to working with the men's basketball program, Sears also serves at the primary media contact for the College's men's soccer, field hockey and men's and women's tennis programs.

A native of Kokomo, Ind., Sears earned his bachelor's degree in sports marketing and management from IU in 2004, before receiving his master's from Indiana in December of 2005 in athletic administration and sports management.

## POLICIES AND PROCEDURES

### William and Mary Sports Information

The William and Mary Sports Information Office is located in Rooms 211-213 in the southeast corner of William and Mary Hall. The sports information office is always available to assist the media in its coverage of Tribe men's basketball. Please contact associate sports information director **Kris Sears** with any requests for information, interviews, photographs and game credentials.

### Credential Requests

All media credentials should be arranged by contacting Kris Sears in the William and Mary Sports Information Office. Requests must be made on company letterhead and received at least 48 hours in advance of the game. Credentials will be mailed if time allows, or may be picked up at the Ticket Office Will Call window in the southeast corner of William and Mary Hall.

### Media Parking

A limited number of media parking spaces are available in the lot immediately adjacent to the south side of William and Mary Hall. Parking passes will be mailed if requested at least one week prior to the game. Spaces in the media parking lot are available on a first-come, first-served basis. A parking pass **does not guarantee** a space in the media parking lot. General parking is available in the large parking lot on the north side of William and Mary Hall.

### Media Services

The media workroom (Room 221) is located off of the hallway on the north (scorers table) side of the arena. Press row is located on the south side of the arena. All seats are assigned. Game notes, media guides, rosters

and programs will be available in the media workroom. A meal will also be available approximately one hour before game time. Access to the media workroom is limited to those with proper credentials. Statistics, play-by-play and scores from college basketball games around the country will be available during and after the game.

### Radio

Visiting radio lines may be rented through the Sports Information Office at a cost of \$75 per line. An ISDN line may be installed at additional request given enough advance notice. Radio stations should make arrangements with Kris Sears in the sports information office at least one month in advance of the game. Requests for the line will be honored on a first-come, first-served basis. Only collect, toll-free and incoming calls will be available through this phone line. Please contact Kris Sears at least 24 hours in advance if you wish to tape an interview with any William and Mary coaches to be broadcast before a game.

### Post-Game Press Conference

The W&M locker room is closed to the media at all times. A member of the W&M Sports Information Office will take requests for players near the end of each game. After each game, both head coaches and selected players from each team will be brought to the media workroom for the post game press conference.

### Interview Policy

All William and Mary players and head coaches will be available for interviews throughout the season. **All interview requests** must be coordinated through Kris Sears in the Sports Information Office. Please give at

least 24 hours notice whenever possible. Home phone numbers will not be made available and members of the media are asked not to contact players or coaches at home.

### Practices

All W&M practices are closed to the media.

### Internet Access

The official web site of William and Mary Athletics is **www.TribeAthletics.com**. This web site contains information for all 23 of William and Mary's sports, including schedules and results, statistics, releases, game notes and media guides. Information about the Colonial Athletic Association can be found at **www.caasports.com**.

### Press Releases

Game notes will be available at least one day prior to each contest. All William and Mary basketball game notes and releases will be e-mailed, faxed and posted on the Tribe's web site. Please contact Kris Sears if you would like to be added to either the fax or e-mail distribution list.

### CAA Teleconference

Members of the media are invited to participate in the CAA's weekly telephonic press conferences. The first call will occur on January 2 and run each Tuesday morning through February 27. CAA coaches will be available to answer questions beginning at 10:00 AM. W&M coach **Tony Shaver will be available from 10:40-10:50 AM**. The phone number for the call is (888) 677-9010. Contact Kris Sears or Rob Washburn in the CAA office at (804) 754-1616 for the password to access the call.

THE TRIBE RADIO NETWORK

Teaming up once again to call all the exciting action of William and Mary basketball over the airwaves will be Jay Colley and Bill McDonald. For the fifth season the pair will be joined by former W&M basketball coach and player, Charlie Woollum, who will add his insight and experience to the broadcast.

Colley is a veteran broadcaster who shifts from sport to sport with ease. He calls the play-by-play for the Tribe on the gridiron and is also a veteran baseball commentator, who was previously the voice of the Rochester Redwings as well as the Richmond Braves and the Tidewater Tides.

In recognition of Colley's years of service to the College, he was selected as an honorary alumnus of William and Mary and was officially presented with the honor at Charter Day in February, 2003. A mass communications graduate of Middle Tennessee State University, Jay is entering his 25th season of broadcasting Tribe basketball. Jay and his wife Cindy have a daughter, Carleigh Danielle (15) and a son, Benjamin William (12).

A 1962 graduate of William and Mary, Charlie Woollum was the head coach of the Tribe from the 1994-95 through the 1999-2000 seasons, leading the Tribe to 20 wins and a regular season tie for first place in the CAA in 1998. Bill McDonald, a 1974 graduate of the College, has been a working broadcast journalist who has been involved with the Tribe radio network for many years.

Stretching over 150 miles of the state, the Tribe Radio Network is the gateway to all of the W&M action over the air. The flagship stations for the network are 92.3 FM "The Tide" and 107.9 FM "WBACH" in Williamsburg.

The listening format for basketball games is similar to past Tribe broadcasts with a pre-game show with head coach Tony Shaver, a halftime scoreboard and a post-game wrap-up.
