

Dear Sir

Amesbury Oct. 28. 1792

I have taken the liberty to request
of you information which you alone perhaps
can give me, & which I conceived there is no
impropriety in asking - if there is business
you wish I should not concern - it is only to be
ascertained of the fact whether Mr. Charles
Carroll of this State, has actually & effectually
resigned his Seat in the Senate of the U. States

I am always with true
Respect forwarded to Mr. Abner Dyer
S. J. Hamilton, a full express of Francis G. S.
address annexed to his Letter
I have also to Mr.
sent to Mr. P. P. a new subject

John F. Wilson
