Northbridge C. y Aug 5th 1801.

Sir

I received a letter by the Mail from the Secretary of State - Informing me of your offer of the Marshalls Place to me - I have prevailed with two young men to Undertake the Riding - and will accept the Appointment - Should you think proper to forward the Commission - Or Notify me - It will be necessary for me to Go to Williamsburgh to qualify. I shall apply for the Commission on my way - Permit me to express my Wish that the Law making new Arrangements in the Judiciary - may be repealed I am sure the Business in this District will not justify the Expence - I have other Reasons Perhaps not well founded -

I am Sir With sincere Esteem
Yours &c
Andrew Moore
