

London July 12. 1805

Sir
The last Charts I did of North America
I dedicated to the late General Washington
who sent me polite answers; as you now preside
at the head of the Congress, I have taken the
liberty of this Charts to you, they are done with
an intent to ~~join~~ connect the Navigation of
North America with the West Indies, and
I trust they will be found useful

I am Sir
with the greatest Respect
Your Obedt
Servant
