Perry's Journal Dec. 26. 12

Sir

Monticello Dec. 26. 12.

I have just received a letter from our Richardson of the Bedford iron works informing me he is very doubtful whether they would continue much longer in blast, & therefore urging the being furnished immediately with the model for my iron backs. I must pray you therefore to have it sent to the works immediately that I may not be disappointed. if I lose this chance I may never get another, and the brick backs begin to burn out already. Accept my best wishes.

Mr. Reuben Perry.
