

Richmond Nov. 23. 1791rd

Sir,

By the direction of Mr. T. M. Randolph
I now enclose you the Power of Attorney, which you
should have had long since - but the necessity of some
witness swearing to the signature, & all being up
the Country has delayed the forwarding it until now

Please acknowledge the receipt, & believe
me to be with the greatest respects -

Dear Sir

Yr^h M^h Obed^t

& Obedient M^h Serv^t
