#### W&M SEEDED FIFTH AT CAA CHAMPIONSHIP

The William and Mary men's basketball team garnered the fifth seed in the 2008 Aeropostale CAA Men's Basketball Championship, March 7-10, at the Richmond Coliseum. For the second straight season, the Tribe will open the tournament against the No. 12 seed Georgia State on Friday, March 7, at 2:30 p.m. It marks only the fifth time in the conference's 23year history that the Tribe has been seeded No. 5 or higher in the tournament and third time it has garnered the No. 5 seed. W&M was also the No. 5 seed in 1993 and 1997.

The Tribe has won four of the last five meetings with the Panthers. W&M took the lone regular season meeting this season, 60-58, in Atlanta, but GSU won the CAA Tournament meeting last season in dramatic fashion. In the only two meetings ever between the No. 5 and No. 12 seeds in the CAA Tournament, the higher seed has come out on the winning end.

In a defensive struggle, W&M dropped its regular season finale to CAA regular season champion VCU, 54-43, on March 1. Junior Peter Stein led the Tribe charge with 15 points and six rebounds in the setback. Georgia State also lost its final regular season contest, falling at James Madison, 70-60. Leonard Mendez and Trae Goldston led the Panther charge with 15 points each.

### SCOUTING GEORGIA STATE

The Panthers enter the CAA Tournament at 9-20 overall and tied for 10th in the league standings at 5-13. Under first-year head coach Rod Barnes, GSU has been on a bit of a roll lately with three wins over its last five games, including victories in two of the last three. The Panthers won its BracketBuster contest at Jacksonville State, 85-78, on Feb. 23, before downing Towson, 79-63, on Feb. 27. GSU wrapped up the regular season with a 70-60 setback at James Madison.

The Panthers are one of the top 3-point shooting team in the CAA, ranking second in the league at 37.5 percent from long range. The 3-point percentage also ranks 70th nationally in the NCAA rankings released on March 2. GSU leads the CAA in rebounding defense, while ranking third in offensive rebounding.

Leonard Mendez leads the Panthers in scoring and ranks fifth in the CAA at 16.1 points per game. Mendez has scored in double digits in 12 of his last 13 games and has produced 10 20-plus point game performances this year. He and Trae Goldston are two of the top 3-point shooters in the league. Both players are shooting 40.6 percent from 3-point range, which ranks fifth and sixth, respectively. Mendez connects on 2.31 treys per game, while Goldston hits just under two per game at 1.93. Goldston ranks second on the team in scoring at 9.3 points per game.

The Panthers have added another player with the ability to shoot the ball from the perimeter recently. After playing sparingly early in the season, Michael Moynihan is averaging 13.6 points and 3.8 assists per game over the last five games. He is shooting 42.9 percent from 3-point range. Rashad Chase adds 7.7 points and 7.7 rebounds per game to the Panther frontcourt. His rebounding average ranks fifth in the CAA and 90th nationally. He is ninth in the league in offensive rebounding and fifth in defensive boards.

Earlier this season, the Tribe rallied from a 16-point second-half deficit to tally a 60-58 win over Georgia State on Jan. 12. After back-to-back 3-pointers gave GSU a 48-32 lead with 15:14 remaining, the Tribe defense stiffened and the offense found its groove. The Tribe limited the Panthers to just 17.6 (3-of-17) over the final 15 minutes, while connecting on 10 of its final 13 chances (76.9 percent) from the floor. Nathan Mann led the Tribe in scoring with 11 points, while Laimis Kisielius and David Schneider chipped in 10 points apiece. Steven Hess turned in a career day in the victory for the College with nine points and six rebounds. Mendez and Goldston each had 15 points to lead GSU.

W&M fans can follow all the Tribe action on the Tribe Radio Network with Jay Colley, Bill McDonald and Charlie Woollum on the call. Fans can also follow W&M men's basketball live on the Web at TribeAthletics.com.

#### SO WE MEET AGAIN

W&M and Georgia State will meet in the first round of the CAA Tournament for the second straight season. Many Tribe fans would rather forget the previous meeting as the No. 9-seeded Panthers ended the College's 2007 season as now junior Leonard Mendez connected on a 35-foot heave at the buzzer to propel GSU to a 70-68 win. W&M, the No. 8 seed in 2007, erased a nine-point deficit over the final 1:17 of the game and took its first lead since the 14:16 mark of the first half on All-CAA selection Adam Payton's driving 3-point play with 4.7 seconds remaining. This time the two teams will square off at 2:30 p.m. in the 5-12 game.

### TAKING AIM AT THE CAA 3-POINT RECORDS

William and Mary has a chance to moved into the Colonial Athletic Association Record Books for both 3-pointers made and attempted. The Tribe already bettered its school records from last season, knocking down 225 treys on 660 attempts.

At its current pace of 22.8 3-pointers attempted per game, the College could move past the previous CAA record of 681 set by Northeastern in 2005-06 during its opening round game against Georgia State. The Tribe will need to do a bit more work to get into the CAA top-five in 3-pointers made all-time. The 225 threes from W&M this season is 15

shy of fifth on the CAA list. Northeastern (2006-07) is fifth at 240 just behind VCU (1998-99) and Richmond (1997-98), who are tied for third at 241. The conference record to 656 set by Hofstra last season.

### SCHNEIDER IN THE NATIONAL RANKINGS

Sophomore David Schneider ranks among the NCAA leaders as of March 2 in a trio of categories. The Phoenix, Ariz., native ranks among the national leaders in free throw shooting, steals and assist-to-turnover ratio. He ranks second in the CAA and 43rd nationally in free throw shooting at 85.5 percent. In the assist-to-turnover ratio category, Schneider is third in the CAA and 69th nationally at 1.96. His 1.8 steals per game rank fourth in the CAA and 90th nationally.

### **SCHNEIDER LEADING THE WAY**

After earning CAA All-Rookie team honors a season ago, much was expected of sophomore guard David Schneider, and the Phoenix, Ariz., native has done little to disappoint. Schneider is one of nine players nationally (as of March 2) that lead their respective teams in points (10.9), rebounds (4.8) and assists (3.7) per game. Of the 11 players on the list, Schneider is the youngest player and the only sophomore. The 6-3 guard also tops the Tribe in steals and minutes played as well, while ranking among the CAA leaders in six statistical categories.

Schneider has led the Tribe in scoring on team-high eight occasions. Most recently, Schneider led the Tribe with 19 points, six rebounds and five assists at George Mason on Feb. 27. It marked the first time this season that a Tribe player led the team in points, rebounds and assists in a single game. He drilled a career-best five 3-pointers against the Patriots as well. Earlier this season, Schneider had a career-high 24, including 22 in the second half, at Old Dominion. He has also led the Tribe in rebounding on seven occasions, while topping the squad in assists 19 times.

### **LOCKDOWN DEFENSE**

While the Tribe ranks second in the CAA in scoring defense, the College has really started to step up its play on the defensive end recently. Over the last four games, the Tribe limited opponents to just 58.8 points per game. More impressive than those stats are the fact that W&M held two of the top scoring team in the CAA (George Mason and VCU) to an average of 57 points per game over the final two regular season games.

The College held George Mason to just 60 points on its Senior Night, while also forcing 17 Patriot turnovers. The point production was 11 points below GMU's season average, while the turnover total was five more than its season average. Against VCU,

the Tribe limited Rams to 54 points, 14 fewer than their season average.

W&M also did an impressive job of limiting the top scoring threats against both the Patriots and Rams. The Tribe displayed some impressive post defense in limiting GMU's leading scorer and the CAA's leading rebounder Will Thomas to just 10 points and eight rebounds in the Feb. 27 meeting.

The Tribe did the job defensively on the Rams' top two scorers as well limiting the production of Eric Maynor and Jamal Shuler. The VCU duo came into the game averaging a combined 33.9 points per game and rankings among the top 10 in the CAA in scoring (Maynor second at 18.0 and Shuler eighth at 15.9). For the year, the tandem was shooting a combined 46.1 percent from the floor and 41.6 percent from 3-point range prior to the contest with the Tribe. W&M limited Maynor and Shuler to just 28.6 percent shooting (6-of-21) from the floor and 27.2 percent (3-of-11) from 3-point range for 20 total points.

### 1,000-POINT DUO

The senior duo of Nathan Mann and Laimis Kisielius became only the third set of teammates and the first that spent all four years of the Tribe careers together to reached the 1,000-point mark in the same season. After Kisielius joined the group on Jan. 30 with his 1,000th career point at JMU, Mann accomplished the feat in the Tribe's game at George Mason. They became the 29th and 30th members of the W&M 1,000-point club.

The duo became only the third pair in history to score their 1,000th career points in the same season. Matt Courage and John Lowenhaupt both scored their 1,000th career points in 1977, while Matt Verkey and Carl Parker reached the mark in 1996. Kisielius and Mann are the first to do it in the same season after spending their entire careers together. Two other duos, Bev Vaughan and Jeff Cohen (1958-61) as well as Kevin Richardson and Keith Cieplicki (1982-85), played their entire careers together, but scored their 1,000th career points in separate seasons.

Kisielius currently sits at 1,066 points in his career and ranks 24th in the program's annals. The Vilnius, Lithuania native is the College's second-leading scorer at 10.5 points per game over his senior campaign. Mann is at 1,009 points on his career and is averaging a career-best 10 points per game this season.

## **BUILDING A WINNER**

Building a consistent winner at William and Mary was a charge of head coach Tony Shaver when he took over the reigns at the College five seasons ago. Those goals are starting to come to fruition as W&M won its 14th game of the season with its victory over Drexel on Feb. 20. It marked the second straight season that W&M has won 14 or more contests. The last time W&M tallied 14 or more wins in back-to-back seasons was during the 1983-84 and 1984-85 seasons.

The 14 wins this season marks the fourth time in the last 20 years that the College has collected at least 14 victories in a season. The 2007-08 version of Tribe hoops is the 27th in the 103-year history of W&M men's hoops that it has won 14 or more games.

## **DOUBLE-DIGIT LEAGUE WINS**

The Tribe wrapped up the CAA portion of the schedule with 10 victories, marking only the second time in the Tribe's 23-year history in the league that it has reached double-digit wins in conference play. The 10 wins are the second-most CAA victories for a W&M team behind only the program-best 13 league wins in 1997-98.

The 2007-08 version of Tribe basketball joined some elite company with its 10th league win against Drexel. In the program's 71-year affiliation with a conference, it marks only the eighth time a W&M team won 10 or more league games. It occurred six times as a member of the Southern Conference (1948-49 [10], 1949-50 [12], 1950-51 [13], 1951-52 [10], 1959-60 [10] and 1962-63 [10]) and only once as a member of the CAA (1997-98 [13]). W&M was a member of the Southern Conference from 1936-77, before joining the ECAC South from 1977-85. The Tribe was a charter member of the CAA and has been with the league since 1985.

## SUMNER TAKING ON THE SCORING LOAD

Sophomore wing Danny Sumner has developed into an important offensive threat for the Tribe during the 2007-08 season. In the College's BracketBuster setback to Loyola-Chicago, Sumner had a career game and nearly turned in the Tribe's first double-double in more than two years. He finished with a career-high tying 18 points on 8-of-15 shooting from the floor to go along with a career-best nine rebounds.

Over the season, Sumner has seen his minutes increase significantly to the point where he has started the Tribe's last 17 games. While he is the Tribe's fourth leading scorer at 9.9 points per game, Sumner's number jump significantly the more he is on the court and the more shots he takes. utes in a game this season, he is averaging 12.1 points and 4.5 rebounds per game, while shooting 55.4 percent from the floor. He has only failed to score double digits twice in those 13 contests in which he has tallied 25 or more minutes of action.

Sumner's number increase when he attempts more shots as well. On 15 occasions this season, Sumner has attempted eight or more shots from the floor. In those contests, he is averaging 13.9 points per game, while shooting 54.2 percent from the floor and 40.5 percent from 3-point range. The Tribe owns a 9-6 record in those games.

#### **PICKING POCKETS**

Sophomore David Schneider has long been valued as one of the hardest working players in Colonial Athletic Association. Schneider not only leads the Tribe in scoring and has one of the top assist-to-turnover ratios in league, but he is also becoming one of the Tribe's top defensive weapons in its various zone sets.

In the College's victory over Drexel, Schneider came up with a career-best six steals to help W&M to a season-best 13 swipes. The six steals were also the fourth-best single-game total in W&M history. He became the first Tribe player since Adam Hess in 2003-04 to register six steals in a game.

On the year, Schneider is averaging 1.8 steals per game, which ranks fourth in the CAA. The steals per game average is 12th W&M history and the fourth-best since 1986. His 52 steals on the year are the ninth most in school history and the second most since 1998. Randy Bracy has the highest total since 1986 with 57.

#### **SEEING MAJOR MINUTES**

Sophomore David Schneider ranks among the CAA leaders in minutes played per game. After missing four games last season due to injury, the 6-3 guard has found a way to stay healthy despite 34.3 minutes per game as a sophomore. Schneider has played 35 or more minutes in 13 contests this season and only failed to reach the 30-minute mark in two games this season.

Schneider will become only the third Tribe player to accumulate 1,000 minutes in a season. He currently has 994 minutes in 2007-08 and is only 39 shy of equaling the school record. Scott Coval played 1,033 minutes in 1986 and holds the Tribe record. Adam Hess ranks second having played 1,007 minutes in both 2003 and 2004. Schneider's minutes per game this season ranks 15th in W&M history.

### **BALANCED SCORING**

While the Tribe is enjoying success during the 2007-08 season, the College has done so without a marquee scorer further promoting the team dynamic behind the Green and Gold's impressive play. No W&M player ranks among the top 20 in the CAA in scoring, but three players currently average in double figures with another not far behind. W&M's first and fourth leading scores are only seperated by a point. In fact, four different W&M players have led the Tribe in scoring on seven or more occasions. Senior guard Nathan Mann and sophomore David Schneider have led the Tribe in scoring on eight occasions, while senior Laimis Kisielius and sophomore Danny Sumner have topped the College in scoring seven times.

Schneider leads the Tribe in scoring at 10.9 points per game followed by Kisielius at 10.5. Mann rounds out the double-digit scorers at 10 points per game, while Sumner is not far behind at 9.9 points per game. The trio of double-digit scorers marks the first time since head coach Tony Shaver's first season that three Tribe players have averaged in double figures. During the 2003-04 season Adam Hess (20.3), Corey Cofield (13.2) and Zeb Cope (12.0) averaged in double digits.

With Sumner just behind the double-digit mark, W&M is trying to finish with four 10plus point per game scorers for the first time since the 1995-96 season. During that season, Carl Parker led the way at 15.2 followed Bobby Fitzgibbons (12.3), David Cully (11.5) and Matt Verkey (10.9).

#### LONGBALL RECORDS FALLING

The Tribe has relied heavily on the 3-point shot during the 2007-08 campaign and in the process, has already bettered the school-record mark for 3-pointers made and attempted in a season. W&M topped the record of 200 treys made set last season and currently has drilled 225 3-point field goals this season. More impressive than bettering the mark was the fact that the Tribe did it in five less games and 57 fewer attempts than a season ago.

The College also shattered the high water mark for treys attempted in a season against George Mason on Feb. 27. Last season, W&M attempted 624 3-pointers, but the Tribe bettered the mark and has attempted 660 on the year so far.

This season, W&M is knocking down just under eight 3-pointers a game, which tops

\* as of March 3 # at of March 2 the CAA and ranked 71st nationally as of March 2. W&M is hitting at a high rate from long range, shooting 34.1 percent. The percentage is the highest for the College since 2000. During that campaign, W&M shot 35 percent from 3-point range. The Tribe's per game average of 7.76 would also establish a new school record and is nearly one 3-pointer per game better than the previous mark of 6.93 set in 1998.

## MANN IN THE RECORD BOOKS

Heading into his senior campaign, Nathan Mann had already established himself as one of the best 3-point shooters in W&M history. The Overland Park, Kan., native is enjoying perhaps his best season as a senior and in the process is not far from pushing himself atop many of the College's 3-point records.

Mann has connected on 70 long balls this season and is averaging 2.41 treys per game. The 3-pointers made ranks second in the program's annals, while the threes per game ranks fourth. Mann needs only five treys to equal the single-season record of 75 threes by Greg Burzell in 1988. Mann's 37.6 percent shooting from 3-point range this season is the 14th-best clip in school history.

For his career, Mann currently sits at 212 made 3-point field goals on 598 chances. He broke the Tribe's 3-pointers attempted record at George Mason and currently sits second behind Matt Verkey's (1993-96) 218 on the career 3-pointers made list. Mann trails Verkey by six made 3-pointers. The senior tri-captain also ranks eighth in career 3-point field goal percentage at 35.9 percent and sixth in 3-pointers made per game at 1.83.

## FREE THROWS VALUABLE TO SUCCESS

Free throw shooting has proven to be another key ingredient in the Tribe's winning recipe this season. As the season has progressed the Tribe has gotten better from the charity stripe both in percentage and frequency of attempts. Getting to the foul line has been a valuable commodity for the Green and Gold as W&M is 11-1 this season when connecting on more free throws than its opponent.

The Tribe is 8-2 this season when shooting 20 or more free throws in a game and 23-11 over the last three seasons when pulling the trick. It is just as important for the Tribe to connect on its free throw opportunities. W&M is 8-1 this season when making more than 15 free throws in a game. Over the last two seasons, the College has posted a 14-5 mark when connecting on 15 or more free throws.

The Tribe's record jumps to 11-2 over the last three seasons when hitting on 20-plus free throws, including a perfect 4-0 this season. W&M connected on 22-of-30 and 20-of-30 in back-to-back wins at Old Dominion (Jan. 5) and against James Madison (Jan. 9) this season. The College connected on 20-of-28 from the charity stripe in the second battled against the Dukes. Most recently, the College shot 87 percent on 20-of-23 in its victory over Drexel.

W&M has increased its free throw percentage throughout the 2007-08 season. Over the last 17 games, the Tribe has connected on 72.7 percent (202-of-278). The Green and Gold is shooting over three percentage points better from the foul line in victory. W&M hits at a 71.5 percent (198-of-277) clip in wins compared to just 68.1 percent (130-of-191) when it loses. W&M is 9-6 this season when shooting 70 percent or better from the charity stripe.

## SENIORS VITAL TO SUCCESS

Experience has always been valued an important factor in success of college teams, and that statement rings true in the Tribe basketball program as well. Senior captains Laimis Kisielius and Nathan Mann were part of head coach Tony Shaver's first recruiting class at the College along with Kyle Carrabine and fellow captain Chris Stratton. Kisielius and Mann have both been starters throughout their four years in Williamsburg, and the 2007-08 version of W&M basketball relies heavily on their senior leadership.

The success of the Tribe hangs in the production of both Kisielius and Mann in numerous ways, but none more evident than their offensive contributions. Mann has led the Tribe in scoring on a team-best eight occasions, while Kisielius in second in the category at seven times. The duo has led W&M in scoring during 10 of the team's 14 wins this season, including eight of its last nine victories. Comparing the pair's numbers between wins and losses, Mann and Kisielius shoot 43.4 percent from the floor and 46.4 percent from 3-point range, while averaging a combined 24.9 points per game in W&M victories. In Green and Gold setbacks, the duo's numbers drop to 31 percent from the field, 26.1 percent from 3-point range and 16.3 points per game.

## YOUTHFUL DEVELOPMENT

freshman class came in as one of the most heralded under Shaver, the group found it challenging to get time on the court in the early part of their rookie seasons. Despite the slow start, freshmen John Sexton and Marcus Kitts continued to develop under the Tribe coaching staff, and toward the latter part of the 2007-08 campaign, the pair is making an impact.

Sexton leads the Tribe rookies in games played (25) and is averaging 11 minutes per contest. He is one of the Tribe's top threats from long range, shooting 45 percent from 3-point range. He is averaging 2.8 points per game this season and earlier in the month of February, he erupted for a career-best 15 points in a 70-66 victory over UNC Wilmington in Williamsburg. For his efforts, Sexton garnered CAA Rookie of the Week honors on Feb. 4. In the Tribe's contest against Loyola-Chicago on Feb. 23, Sexton scored 11 points on 3-of-4 from 3-point range.

Kitts has only appeared in 13 games for the Tribe, but the Holly Springs, N.C., native has stepped right into the rotation over the last few weeks. He has appeared in seven of the Tribe's last eight games. Kitts turned in an eight-point, five-rebound performance, ranking second in both categories against Towson on Feb. 16. The 6-9 forward also tallied six points and two rebounds at UNCW (Feb. 13), before tallying four points against Drexel (Feb. 20). Most recently, Kitts topped the Tribe in rebounding with six against VCU on March 1, including four on the offensive glass.

#### **ON THE BOARDS**

Junior forward Peter Stein became the first W&M player in two years to pull down double-digit rebounds with his career-high 11 at Northeastern on Feb. 9. Ironically enough, the last Tribe player to pull down 10-plus rebounds was Corey Cofield, who had 11 boards at Northeastern on Feb. 2, 2006. The 11 rebounds by Stein bettered his career-high of nine set earlier this season at Drexel. The Houston, Texas native currently ranks second on the Tribe in rebounding at 4.7 per game. He has topped the College on the glass in team-high 10 games this season. He is averaging 4.8 rebounds per game in CAA play.

#### **ANOTHER SEASON OF FIRSTS**

Last season, the Tribe enjoyed a historic and memorable season achieving numerous milestones that had not been seen in Williamsburg in some time. While the 2007-08 version of W&M hoops got off to a slow start, it has not derailed the number of benchmarks from coming to fruition as the Green and Gold have caught fire recently. Here is a look at some of the firsts in recent Tribe history:

- The Tribe won its first-ever game in the Ted Constant Center against Old Dominion on Jan. 5. The 70-61 triumph was the first for W&M in Norfolk since the 1997-98 season.

- With its overtime victory over Drexel, the Tribe not only picked up its first win over the Dragons in Philadelphia, but the program's first-ever win as a whole in the City of Brotherly Love. It was also the first W&M win in the state of Pennsylvania since the 1985-86 season.

- W&M had a six-game CAA winning streak from Jan. 5 through Jan. 23. It marked only the third such winning streak in Tribe history and the first since the 1997-98 campaign.

- The Tribe's victory at Drexel in overtime was the first W&M victory on the road in overtime since downing George Mason in Fairfax, Va., on Feb. 16, 1998.

- W&M had its first conference winning streak of six games since the 1997-98 season. It was the third longest streak in league play since the Tribe joined the CAA.

- The College has won four straight road games for the first time since the 1994-95 campaign. All four road wins came in CAA play, which marks only the second time since the Tribe joined the CAA that the feat has occurred.

- W&M tallied its first victory over Hofstra under head coach Tony Shaver with its 74-62 win on Feb. 6.

- For only the second time since joining the CAA and the eighth time in the College's 71year history of being affiliated with a conference, the Tribe registered double-digit victories with is 10th CAA win over Drexel, 57-50, on Feb. 20.

#### **PROTECTING THE LEATHER**

Over the last nine games, the Tribe is only turning the ball over 10.4 times per contest and has registered 10 or fewer miscues in four of those games. Earlier this season, the Tribe totaled a minuscule 13 turnovers in back-to-back victories over UNCW on Feb. 2 and Hofstra on Feb. 6. W&M turned the ball over five times in the victory over UNCW, before limiting itself to just eight turnovers against Hofstra. It marked the first time since the 2002-03 season that the Tribe turned the ball over fewer than eight times in back-to-back games. In its second game against UNCW on Feb. 13, the College again only committed five turnovers.

The last time W&M had back-to-back games of fewer than eight turnovers was Feb. 8 and Feb. 12, 2003. The College turned the ball over eight times in a 79-69 victory at Hofstra, before registering only six miscues at Towson in a 59-52 win. The five-turnover performance against UNC Wilmington was the best for the College under head coach Tony Shaver and the lowest number since it had four at James Madison on Jan. 29, 2003.

Equally as important has been W&M's ability to force turnovers and turn them into points. The Tribe forced 16 UNCW turnovers on Feb. 2 and held a 24-6 advantage in points off turnovers. In its most recent win over Hofstra, the Green and Gold forced 18 Pride turnovers and turned it into a 19-6 advantage on points off turnovers. In fact, the Tribe is 9-4 this season when holding the advantage in the points off turnovers category.

W&M's ability to limit its turnovers has been a telling stat to the Tribe's success. In victories,W&M is turning the ball over 13.4 times compared to 13.9 in losses. The Tribe has a positive turnovers margin of 2.1 in victories compared to a -0.8 margin in losses.

### FINDING THE OPEN MAN

The Tribe understands the importance of the extra pass, and the College's offensive scheme relies heavily on reading teammates, while making intelligent passes. W&M has ranked among the CAA leaders in assists for most of the season and currently is fifth averaging 13.5 helpers per game. In back-to-back victories over UNCW on Feb. 2 and Hofstra on Feb. 6, W&M dished out 20-plus assists in each game.

The back-to-back 20-plus assist effort marks the first time it has happened since head coach Tony Shaver's first season at the helm. During the 2003-04 campaign, W&M had three straight 20-plus assist performances against Hofstra (20) on Jan. 24, 2004, Old Dominion (22) on Jan. 26, 2004 and James Madison (20) on Jan. 28, 2004. Against UNCW on Feb. 2, the Tribe dished out 20 assists, before handing out 21 dimes in the victory over Hofstra on Feb. 6. The 20-assist contests were the 12th and 13th times under Shaver that the Tribe accomplished the feat. The Tribe is 10-3 in those contests.

More impressive than the Tribe's back-to-back assist efforts is that the 41 total assists came on 50 made field attempts. In the win over UNCW, sophomore David Schneider handed out six assists to lead the Tribe. Senior Laimis Kisielius led the Tribe with a career-high seven assists against Hofstra, while Schneider dropped six dimes for the second straight game.

#### **DEFENSIVE INTENSITY**

One of the main reasons behind the Tribe's success this season has been its play on the defensive end. The College ranks among the CAA leaders in numerous defensive categories this season, including scoring defense, field goal percentage defense and 3-point field goal percentage defense.

The Tribe is second in the league in scoring defense, limiting opponents to just 63.2 points per game. At its current rate, the scoring defense average would be the lowest since the 1998 team held opponents to just 61.8 points per game. W&M also ranks fourth in the CAA in field goal percentage defense and fifth in 3-point field goal percentage defense. Opponents are only shooting 41.7 percent from the field and just 33.4 percent from 3-point range against the Tribe.

W&M's defensive numbers are also impressive on a national scale. As of March 2, W&M ranked 52nd in scoring defense and 78th in field goal percentage defense. Its defensive 3-point percentage ranks 79th nationally according to Kenpom.com as of March 2.

## **ROAD WARRIORS**

After a difficult early season schedule that included six of its first seven games on the road, W&M is starting to find success away from the friendly confines of Kaplan Arena. The Tribe won four road games in CAA play for the second straight season. Earlier this season, the College won four straight road contests, the second-longest single season road winning streak in school history. It marked the 11th time W&M won four straight road games, and the first since the 1994-95 season. The single-season school mark is five set during the 1941-42 season.

The four straight road conference win streak tied for the longest since the school joined the CAA. W&M also won four straight league road games in 1982-83 when the conference was known as the ECAC South. The Bruce Parkhill-led squad was a perfect 9-0 in league play and won all four its road games on the way to the school's only postseason appearance in the NIT.

It marked only the fourth time in the College's 71 years of being affiliated with a conference that it has won four or more straight league games on the road. Over the last two seasons, the Tribe has been road warriors in league play, winning a combined eight games away from Williamsburg.

### MANN ON A MISSION

Senior guard Nathan Mann has been one of the driving forces behind the Tribe's recent success. Over the last 19 games, Mann is the College's leading scorer at 11.3 points per game. In fact, he has lifted his season scoring average to a career-best 10 per game. The Overland Park, Kan., native has led the Tribe in scoring on eight occasions, including a game and season-high 22 points in the College's victory over Hofstra on Feb. 6.

More impressive than his scoring has been Mann's ability to shoot the ball from long range. Mann ranks 11th in the CAA in 3-point field goal percentage at 37.6 percent. He drilled a career-high six against Drexel, before hitting five against both James Madison and Hofstra. In the Tribe's overtime victory at Drexel, Mann became just the sixth player in W&M history to hit at least six 3-pointers in a game. It marked the 15th such occasion in school history and was also a career-high for the Overland Park, Kan., native. The last time a Tribe player connected on six triples was Nick D'Antoni at JMU in 2004.

## SEXTON GARNERS LEAGUE ROOKIE HONOR

Tribe freshman guard John Sexton was named CAA Rookie of the Week on Feb. 4. It marks the second straight week a W&M player has been honored by the league after senior Laimis Kisielius was the conference player of the week on Jan. 28. Sexton is the first Tribe rookie to garner the honor since sophomore David Schneider won the accolade on a pair of occasions last season.

Sexton enjoyed a breakout performance in helping the College to a 70-66 win over UNC Wilmington on Feb. 2. The Myrtle, Miss., native tallied 15 points and shared teamhigh scoring honors with Kisielius. Sexton was 4-of-6 from the field and 3-of-5 from 3-point range to go along with a 4-of-6 effort from the free throw line. He also had a rebound and an assist to in a career-high 18 minutes of play.

The 6-3 sharp shooter led all scorers with 10 points in the opening half, but none bigger than the final five. Over the closing 1:20 of the first half, Sexton drilled a 3-pointer and then scored on a driving lay-up with three seconds left to close the W&M deficit from seven to two, 32-30, heading into the locker room. He came up with another big five points in the second half, during the College's 16-2 run that turned a seven-point deficit into a seven-point lead with six minutes remaining. With the Tribe down six, Sexton scored five straight points on a 3-pointer and a pair of free throws to close the gap to 50-49.

For the week, Sexton averaged 10.5 points per game and shot 71.4 percent (5-of-7) from 3-point range. He was a perfect 2-of-2 from long range in the win at James Madison. His deep 3-pointer from the right side midway through the second half extended the W&M lead to six, 44-38, against the Dukes.

### **BOMBS AWAY**

W&M has proven that opposing defenses need to be well aware of the Tribe's ability to shot the basketball from 3-point range. The Tribe connected on double-digit 3-pointers in five straight games prior to its loss to Northeastern, bringing its season total of double figure trey games to eight. Both the five consecutive games and the eight in a season are the most in W&M history.

The Tribe started its most recent streak with 14 treys at Drexel (Jan. 23), before hitting 10 against both Old Dominion (Jan. 26) and at James Madison (Jan. 30). The Tribe

hit 13 treys on a school-record 39 attempts against UNC Wilmington, and followed that with 11 triples against Hofstra on Feb. 6. The College drilled double-digit threes in back-to-back games earlier this season with 14 at Wagner on Nov. 20 and 10 against Houston Baptist on Nov. 25. W&M also drilled 12 3-pointers in the victory over Fairfield on Dec. 31. The Tribe has connected on 10 or more 3-point field goals in a game on 17 occasions under head coach Tony Shaver and is 11-6 in those contests.

Prior to the back-to-back double-digit 3-point efforts this season, W&M had only connected on 10 or more treys in back-to-back games on four occasions in school history. The last time W&M did it before this season was against Liberty (14) on Nov. 23 and at Radford (11) on Nov. 24 during the 2003-04 season. W&M also accomplished the feat in 1998-99 (10 vs. UNCW [1/7/99] and 10 at American [1/13/99]), 1996-97 (10 vs. George Mason [2/15/97] and 12 at James Madison [2/19/97]) and 1995-96 (10 at ODU [2/21/96] and 10 vs. George Mason [2/26/96]) campaigns.

The previous record for double-digit 3-point efforts in a season was four. W&M pulled the trick during the 2003-04, 1995-96, 1993-94 and 1992-93 seasons.

#### **BOMBS AWAY PART 2**

The Tribe has been the most lethal 3-point shooting team in the CAA this season. W&M leads the league in 3-pointers made per game, knocking down 7.76 treys per contest. That average also ranks 71st nationally as of March 2. The 7.76 3-pointers per game would establish a program mark, bettering the mark to 6.93 set in 1998.

Each of the College's 14 3-point efforts this season against Wagner and Drexel tied for the third most in school history behind only the school-record marks of 16 hit against George Mason (1/24/96) and vs. UNC Greensboro (12/21/93). W&M's 10 treys in the second-half against Wagner were also the third most triples in a single half in school history.

W&M has shot over 50 percent from 3-point range on three occasions this season. The College was a season-best 66.7 percent from downtown at James Madison, hitting on 10 of its 15 attempts. It was the highest percentage the Tribe has shot from 3-point range since hitting on 75 percent (6-of-8) from long range against ODU on Feb. 17, 2001.

#### MARKED IMPROVEMENT FROM THE CHARITY STRIPE

A number of Tribe players have increased their productively from the free throw line this season and are shooting better percentages than they did in 2006-07 or over their careers. The largest improvement in free throw shooting from a season ago belongs to senior Chris Stratton, who is shooting 84.2 percent from the foul line this year.

Sophomores David Schneider and Danny Sumner have also seen their free throw number improve from their rookie seasons. Schneider currently leads the CAA in free throw shooting at 85.5 percent, while Sumner improved his free throw shooting by 40 percent from last season and is knocking down 63.5 percent of his chances in 2007-08. Juniors Chris Darnell and Peter Stein have also bettered their free throw shooting numbers from last season and their careers. Here is a look at the Tribe's improvement at the free throw line this season:

#### **BY THE NARROWEST OF MARGINS**

The sign of a good team is finding a way to pull out a victory no matter the cost. The Tribe has displayed the ability to snatch victory from the jaws of defeat in 2008. The Green and Gold is starting to show its mantra as a team with a great will to win. W&M has won six contest this season by four points of fewer. In four of those contests, the Tribe overcame double-digit deficits to tally victories.

W&M defeated James Madison by three on Jan. 9 after trailing by 11 points with 8:55 remaining. The College knocked off Georgia State by two points on Jan. 12, overcoming a 16-point deficit with 15:14 left. W&M downed Northeastern, 55-53, on Jan. 16 rallying from a 12-point halftime deficit. The College pulled out a one-point overtime win at Drexel on Jan. 23. The Tribe came back from a halftime deficit to win at James Madison, 70-67, on Jan. 30. Most recently, W&M trailed UNCW by double digits in the first half, but rallied for a four-point victory

The six victories by four or fewer points equals the Tribe total from its first four sea-

#### WINNING STREAKS

For the second straight season, the Tribe had an extended winning streak. In 2006-07, W&M won seven straight contests from Dec. 8 through Jan. 8. This season, the Green and Gold won six consecutive conference games from Jan. 5-Jan. 23.

It marks the eighth time in W&M history that the College has had winning streaks of six or more games in back-to-back seasons. It marks the first time the Tribe has achieved the milestone in nearly 25 years. The College also accomplished the feature during the following two-year stretches: 1920-21 and 1921-22; 1929-30 and 1930-31; 1930-31 and 1931-32; 1931-32 and 1932-33; 1941-42 and 1942-43; 1948-49 and 1949-50; 1982-83 and 1983-84.

The Tribe's most recent six-game winning streak was the 23rd such winning streak in the 103-year history of W&M basketball. It is only the 10th streak of six or more games since 1950.

#### LEAGUE WINNING STREAK

The Tribe won sixth straight Colonial Athletic Association games prior to its setback against Old Dominion on Jan. 26. Over the stretch, W&M has claimed a trio of victories at home and three more on the road. The streak began with a road win at Old Dominion, before returning home to defeat James Madison. W&M downed Georgia State on the road and then, disposed of Northeastern and Towson at home. The final victory of the streak came as the College tallied an overtime win at Drexel on Jan. 23.

The six-game CAA winning streak was the Tribe's first since the 1997-98 season, and in fact, it is only the third time since joining the CAA that W&M has won six or more league games straight. The1997-98 squad was the last time to do it, winning seven straight league games during the month of February. The 1982-83 squad, which played the ECAC South as the CAA was known before the 1985-86 season, won 10 straight league games. The team completed the nine-game conference season unbeaten and won its opening ECAC South Tournament game.

It is the seventh time overall in the 103-year history of Tribe basketball that it has had a league winning streak of six or more games. W&M had four other winning streaks of six or more games when it was a part of the Southern Conference from 1936-77. The Tribe had six straight conference wins in 1949-50, 1957-58 and 1965-66. The 1962-63 won nine

## 2007-08 W&M MEN'S BASKETBALL GAMES NOTES

straight contests as a member of the Southern conference.

### **KISIELIUS EARNS CAA PLAYER OF THE WEEK**

Senior forward Laimis Kisielius earned Colonial Athletic Association Player of the Week for his efforts on Jan. 28. The Vilnius, Lithuania native averaged 23 points per game in the Tribe contests at Drexel on Jan. 23 and versus Old Dominion on Jan. 26. He became the first W&M player to earn conference player of the week honors since Corey Cofield won the accolade in November of 2004.

Along with his 23 points per game over the two-game stretch, Kisielius shot 55.2 percent (16-of-29) from the floor and 56.3 percent (9-of-16) from 3-point range. He also added three assists and 1.5 steals per game during the week. Kisielius has put up impressive numbers over his last three games, while leading the Tribe in scoring during all three contests. He is averaging 21 points per game over the stretch, while connecting on 50 percent from the field (21-of-42) and from 3-point range (11-of-22).

In the Tribe's overtime victory at Drexel, Kisielius finished with 20 points to go along with a 4-of-6 effort from 3-point range. He canned back-to-back trifectas to start the overtime period, staking the Tribe to an early five-point lead. Kisielius turned in a career scoring night on Saturday against Old Dominion. The 6-8, 225-pounder finished with 26 points on 9-of-16 shooting. He connected on a career-high five 3-pointers in the win.

### **CARDIAC KIDS CONTINUE TO STRIKE**

In each of the Tribe's CAA victories over James Madison, at Georgia State, against Northeastern and UNC Wilmington, the College rallied from double-digit deficits on its way to victory. W&M displayed its never-say-die attitude at home, overcoming an 11-point deficit with 8:55 remaining in tallying a 69-66 win over James Madison on Jan. 9. The Tribe followed that up with a 16-point rally to notch a 60-58 victory at Georgia State. The Green and Gold completed the trilogy versus the Huskies as W&M trailed by 12 at halftime, only to notch a 55-53 triumph. Most recently, UNCW led the Tribe by 10 in the second half, before coming back for the 70-66 victory.

The comeback victories marked the fifth, sixth, seventh and eighth times under head coach Tony Shaver that the Tribe has overcome a double-digit deficit in recording a victory. Last season, W&M trailed Cornell by 13 with five minutes remaining before picking up an overtime victory. The Tribe also overcame double-digit deficits in wins over James Madison (2/11/06), Radford (11/10/04) and UNCW (12/4/03) during Shaver's tenure.

The three straight double-digit second-half comebacks for the College are the most consecutive double-digit rallies for the College in more than 25 years. Dating back to the 1980-81 season, the Tribe had never overcome back-to-back double-digit deficits to record wins, let alone three straight.

The 16-point comeback against Georgia State was the largest by a W&M team since the Tribe trailed by 18 (21-3) with 10:47 left in the opening half against James Madison in Kaplan Arena on Jan. 4, 1997. The Tribe rallied to record at 64-61 win over the Dukes. The last time a W&M team overcame a deficit of at least 16 points on the road in the second half to tally a victory came at UNC Greensboro during the 1992-93 season. The College trailed UNCG, 42-26, with 18:21 remaining, but came back for an 81-76 overtime victory on Dec. 1, 1992.

### **QUIET ASSASSIN**

Despite his laid back and quiet demeanor both on and off the court, sophomore Danny Sumner continues to impress as an impact scorer for the Tribe in 2007-08. The Fairfax, Va., native has scored in double figures in 14 of the Tribe's last 21 games. W&M is 12-9 over that stretch as well. After starting the season coming off the bench, Sumner has become a fixture in the W&M starting lineup, starting the last 17 games for the College. In fact, the Tribe is an impressive 11-8 with Sumner in the starting lineup.

In the last 23 games for the Tribe, Sumner has eclipsed the double-digit mark on 16 occasions. The Tribe is 10-7 this season when Sumner has scored in double figures. Sumner has shown the ability to contribute both as a starter and off the bench. In 18 starts this season, he is averaging 11.3 points per game, but has also led the W&M bench in scoring on six occasions, including a career-high 18 at Wagner.

Sumner has led the Tribe in scoring on seven occasions this season. He is the College's most efficient scorer, while knocking down 50.5 percent of his shots in only 23.6 minutes per game. With his numbers projected over 40 minutes, Sumner leads the Tribe regulars with a 16.7 points per game average. He is also adding 3.5 rebounds per game, while shooting 36.1 percent from 3-point range.

### **IT ONLY MATTERS AT THE END**

In come-from-behind wins over Georgia State and Northeastern, W&M has shown that it doesn't matter who leads for most of the game, it only matters what the scoreboard says at the end. The College has only led once in each of its last two comeback wins and that came with the final margin.

At Georgia State, W&M never held the lead until a Peter Stein lay-up gave the Tribe a 60-58 lead with 1:17 remaining. In the comeback against Northeastern, junior Chris Darnell's 3-point play with 1:26 remaining gave the Tribe a 55-53 advantage. Both buckets were the first and only time the Green and Gold held a lead in each contest.

#### **TRAILING AT THE HALF**

The Tribe has won half its games this season (7) when trailing at the half. W&M trailed Houston Baptist, Georgia State, Northeastern, UNC Wilmington, twice against James Madison and most recent Drexel at the half, before rallying to pick up victories.

The College overcame three straight halftime deficits in wins over James Madison, Georgia State and Northeastern. The last time W&M tallied back-back-to-back wins when rallying from a halftime deficits was 17 years ago. In November of 1990, the Tribe overcame three straight halftime deficits to tally victories. In the season opener on Nov. 24, 1990, the College trailed a Tony Shaver-coached Hampden-Sydney team at the half, 40-37, but ended up with an 89-83 victory. On Nov. 27, 1990, W&M trailed Davidson, 28-27, on the road, but notched a one-point, 59-58, victory. Two days later, Army led W&M, 34-33, at the break, but the College picked up a 73-71 win with a second-half surge.

More impressive than its rallying from a halftime hole has been the College's ability to overtake its opponent when trailing with five minutes remaining. Under Shaver, the Tribe has record five victories when trailing with five minutes remaining in a game and three of those wins have come with this season's version of the 'cardiac kids.'

### DIFFERENCE BETWEEN WINNING AND LOSING

The difference between a Tribe victory and a W&M defeat this season can probably summed up in one simple phrase, shooting the basketball. In its 14 victories in 2007-08, W&M is shooting 46.1 percent from the field and 40 percent from 3-point range. Compared to percentages of 37.8 from the field and 29.3 from 3-point land in W&M losses, the solution is when the Tribe shoots the basketball at a high percentage it wins games. When the Tribe connects on 42 percent or better from the floor this season, the College is 10-2.

The Green and Gold has also done a better job of taking care of the basketball in victories this season. The Tribe is averaging two fewer turnovers a game in victories and has an assist-to-turnover ratio of 1.06 compared to 0.92 in losses. The Tribe's defense is also a staple in victories as the College allows just 58.8 points per game in wins, while limiting opponents to 37.9 percent shooting from the field and 30.3 percent from 3-point range. W&M is 8-1 when holding opponents below 40 percent from the field.

#### **STEIN COMING ON STRONG**

Junior forward Peter Stein has been one of the Tribe's most consistent and solid performers this season. The Houston, Texas native has been one of the driving forces behind the W&M defense throughout his career, and in his third season with the Green and Gold, he is putting his offensive skills on display. Stein has tallied double-digit performances on eight occasions this season, including a trio of 15-plus point showings.

Stein had his coming out party against Delaware on Jan. 2, leading all scorers with a career-high 23 points. He showed the ability to not only score in the post, but knock down the 3-point

shot as well as take the ball to the basket. Playing against Nebraska-transfer Jim Ledsome and preseason First-Team All-CAA choice Herb Courtney, Stein dominated on his way to 8-of-9 shooting from the floor and 6-of-7 from the free throw line, while adding eight rebounds. He also tallied 15 points against both Towson (1/19/08) and VCU (3/1/08).

While the Delaware game was the best of Stein's career, it is only part of what has been a growing trend of impressive play from the junior forward. He is averaging career highs with 8.1 points and 4.7 rebounds per game. His numbers have increased in league play where he is averaging 8.7 points and a team-high 4.8 rebounds per game.

#### **400-WIN MILESTONE**

W&M head coach Tony Shaver reached 400-win mark with the Tribe's convincing victory over Fairfield on Dec. 31. Shaver is in his 22nd season patrolling the sidelines in college basketball. Prior to his stint at W&M, he spent 17 seasons as the head man at Hampden-Sydney College in Virginia.

#### **SENIOR STATESMEN**

Senior captains Nathan Mann and Laimis Kisielius have long been fixtures in the W&M lineup and are slowly working their way into the ranks of Tribe longevity. Both players already rank among the top 10 in career minutes played for the Green and Gold and before their careers are up at the end of the 2007-08, they could rank among the top five in both career games and minutes played.

Mann has appeared in 116 games and played 3,028 minutes during his W&M career. His career minutes played ranks fifth in school history, while his game played are the second-most in Tribe annals. Kisielius has appeared in 113 games for the Tribe, logging 2,977 minutes in the Green and Gold. His minutes played rank seventh in the program's annals, while his games played are the third most.

Mann already joined the elusive 3,000-minute club, while Kisielius is only 23 minutes shy. Only four other W&M players have finished their careers with more than 3,000 minutes played. Both players competed in their 100th career games for the Tribe this season as Mann pulled the trick at Old Dominion on Jan. 5, while Kisielius saw action in his 100th career game against Northeastern on Jan. 16.

#### **TRIBE DISPLAYS GROWTH, MATURITY**

While W&M enjoyed its best campaign in a decade last season, there were still some growing pains involved with a team that was maturing as a unit. The Tribe started the 2007-08 season a little slow, but the Tribe's road victory at Old Dominion may serve as this year's turning point.

The Tribe's maturity came out in many forms at Old Dominion, but none more valuable than holding a halftime advantage against the Monarchs. Last season, W&M led at the half in both contests against ODU only to see the cushion dissipate in the second stanza. W&M led by 13 at Old Dominion a season ago, but the Monarchs went on an impressive second-half run to claim a 59-44 victory. The Tribe once again led 33-30 at the break in Williamsburg. Despite leading for the majority of the second half, ODU's senior-laden team took over for a 62-57 triumph.

On Jan. 5, the Tribe would not be denied turning in one of its best performances of the season. The College took a 28-24 lead into the locker room on Saturday night, and came out firing in the second half on its way to a 70-61 victory. It marked the Tribe's first victory in Norfolk since the 1998 season and its first-ever win in the Ted Constant Center. The College shot 52.6 percent (10-of-19) from the floor and knocked down 17 free throws in the second 20 minutes.

### HOLDING DOWN THE OPPOSITION

The Tribe has limited a pair of opponents below 30 percent shooting this season. W&M held North Florida to 27.9 percent (12-of-43) shooting from the floor on Dec. 7 before limiting Fairfield to 28.1 percent (16-of-57) on Dec. 31. It marks the first time since the 1999-2000 season that the College has limited two opponents to less than 30 percent shooting from the field.

During the 1999-2000 campaign, the Tribe held Washington College to 20.5 percent (15-of-73) from the floor on Nov. 20, 1999 and limited American to 28.8 percent (19-of-66) on Feb. 26, 2000. The last time the College held three or more opponents below 30 percent shooting in a season was during the 1990-91 campaign. The Tribe held Loyola (Md.) to 25.5 percent on Jan. 7, 1991, VMI to 28.4 percent on Jan. 23, 1991 and East Carolina to 29.4 percent on Feb. 16, 1991.

The 27.9 percent shooting for North Florida this season was the lowest field goal percentage that W&M had held an opponent to in three seasons. The last time a W&M opponent shot worse from the field, Towson was 27 percent (17-of-63) on Feb. 26, 2005. W&M limited the Ospreys to only 12 field goals, which was the fewest for a Tribe opponent in 27 seasons. The last time a W&M foe made fewer than 12 field goals in a game, Catholic hit for 11 field goals in a 36-29 loss on Jan. 19, 1981.

### **TOUGH START**

W&M found the opening portion of its 2007-08 schedule a little difficult. Not only did the Tribe open with back-to-back top-25 teams, but six of its first seven games came on the road.

The College opened the regular season on the road against a pair of top 25 teams in No. 5/5 Georgetown and No. 21/22 N.C. State on Nov. 15. W&M then made the trek to Staten Island, N.Y., to face Wagner on Nov. 20, before winning its home opener against Houston Baptist. W&M returned to Richmond for the second straight week, playing VCU on Dec. 5 in the CAA opener, after dropping a tight road affair at Richmond on Nov. 28. The Tribe wrapped up the road swing at North Florida on Dec. 7.

The six road games in the opening seven contests start was the toughest stretch since the 2001-02 season. During that campaign, the College played nine of its first 10 games away from Williamsburg. Of those nine games, seven were road games and another two were played at neutral sites as part of tournaments.

#### **TOUGH START PART TWO**

With the Tribe's back-to-back games to open the year against No. 5/5 Georgetown and No. 21/22 N.C. State, it marked the sixth time in school history that the Tribe played back-to-back games against nationally ranked opponents. It also was the first time in over 20 years as the College last played back-to-back top-25 teams during the 1983-84 season. During that campaign, the College traveled to No. 5 Maryland on Jan. 7 and No. 12 Wake Forest on Jan. 11. W&M also played back-to-back ranked foes during the 1971-72, 1956-57, 1954-55 and 1953-54 seasons.

### **50 PERCENT EQUALS VICTORIES**

The Tribe has been flawless under head coach Tony Shaver when it hits on 50 percent or better from the floor, going a combined 19-0 over his five seasons. The Tribe tallied five contests of 50-percent or better from the field in 2006-07 and have pulled the trick four times in 2007-08. Here is a look at the Tribe's 50-percent or better shooting from the field under Shaver:

Updated as of March 3.

The Tribe added a pair of players during the early signing period in the form of Quinn McDowell (Mason, Ohio/Archbishop Moeller) and Kendrix Brown (Norfolk, Va./Norview). Both players signed National Letters of Intent and will be eligible to compete for the Tribe during the 2008-09 season.

### Kendrix Brown (Norfolk, Va./Norview)

Last season, Brown was a First-Team All-Eastern District selection, while averaging 15 points, seven assists, five rebounds and two steals per game at Norview. The 6-3 guard was the District Newcomer of the Year in 2004-05 and earned honorable mention all-district honors. As a sophomore, he was a second-team all-district choice.

"Kendrix Brown is a great addition to our recruiting class," Shaver said. "He is a very bright young man who excels in the classroom, and he will make an immediate impact in our basketball program. Kendrix is the ultimate combo guard. He shoots it well enough to play the shooting guard position, and he handles it well enough to play the point. He is exactly what we were searching for, and we can't wait to get him here."

Each of the last four years, Brown has played on the highly regarded Boo Williams AAU Travel Team. He played alongside a number of Division I basketball recruits on the squad, including national top-20 recruit and North Carolina signee Ed Davis. Brown has also taken part in the Rbk Proving Ground Regional Combine. He was rated the 76th-best point guard in the country by ESPN.com.

The Tidewater area is constantly producing great talent, and we are thrilled to be able to attract another of Boo Williams' players," Shaver said. "John Wilson is Kendrix's coach, and he has been working with Boo for years. He is an outstanding teacher of the game. Kendrix will be prepared to play, and he will understand the commitment necessary to be successful."

Kendix is the son of Kevin and Shirley Brown and was born on March 29, 1990 in Dothan, Alabama. He is a member of the National Honor Society, French National Honor Society and Whos Who of High School Students. Brown intends to major in computer science at W&M.

#### Quinn McDowell (Mason, Ohio/Archbishop Moeller)

McDowell is a second-generation athlete at the College. His father, Dave, graduated from W&M in 1985 after competing on the football field for current Tribe head coach Jimmye Laycock from 1982-84. Last season, McDowell led Moeller to the Division I Ohio High School Athletic Association (OHSAA) Boys State Championship in front of a crowd of over 14,000. He averaged a team-best 15.1 points per game, while chipping in 4.6 rebounds and 2.0 assists per contest. McDowell shot 52 percent from the floor, 36.6 percent from 3-point range and 79.7 percent from the free throw line.

"We are ecstatic to add Quinn McDowell to our program," Shaver said of the program's newest addition. "Quinn is the type of student-athlete that every college program in the country would enjoy. He is a winner, who possesses leadership qualities that we need to continue to attract. He has great passion to compete and hates to lose. The mental side of the game is what separates Quinn from others. Our players will enjoy playing with him because he has that rare trait that allows him to make those around him better. He is a versatile player that will play multiple positions for us ranging from the point guard position to the forward position. Quinn plays at Archbishop Moeller in Cincinnati for Coach Karl Kramer, who is one of the nation's finest coaches at any level."

In the state semifinal against Lake St. Edward High School, the 6-5, 195-pounder finished with 19 points on 6-of-11 shooting from the field to go along with a pair of assists and two steals, while being matched up with Michigan State signee and top-15 recruit Delvon Roe, who is 6-8, 220 pounds. For his performance in the Final Four, McDowell was a First-Team Final Four All-Tournament team choice. During his junior campaign, he led Moeller to a 25-2 record and garnered First-Team All-Greater Catholic League honors as well as Third-Team All-Southwest Ohio and Cincinnati Enquirer All-City accolades.

As a sophomore, McDowell averaged 10.5 points, 2.0 rebounds and 1.8 assists per game, while shooting 45 percent from 3-point range and 79.6 percent from the free throw line. He garnered Greater Catholic League Second Team honors in 2006, while also registering honorable mention All-Southwest district distinction. McDowell played AAU for Shining Star Sports. He helped to capture eight AAU State Championships and four top-10 AAU National finishes.

## TOMYSHAVER Head Coach • Fifth Season at W&M

When Tony Shaver took over the reigns of the William and Mary men's basketball program five years ago, he set goals of building a consistent winner and developing a team that could compete for conference championships. While the progress was slow at first, the Tribe program had grown leaps and bounds in its two most recent seasons under the direction of Shaver. The North Carolina grad is in his 22nd season of coaching at the collegiate level and has spent 32 years as a head coach on various levels.

In 2007-08, Shaver guided the Tribe to only its second 10-win Colonial Athletic Association in the program's 23-year history in the league. He also led the College to its second straight season of at least 14 wins, marking the first time since the 1985 season that the Tribe accomplished the feat. W&M continued to show improvement in the league standings, improving two games over a season ago to finish fifth in the CAA. The fifthplace showing was the best for the College since the 2001 campaign.

Shaver earned CollegeInsider.com Colonial Athletic Association Coach of the Year honors after guiding the Tribe to a 15-15 record in 2007. It marked just the second time in the last 20 years W&M had won 15 games and only the fifth time in school history the Green and Gold has defeated 15 or more Division I opponents. Another telling stat of the progression of the program was the four CAA road victories in 2007, highlighted by a 67-63 win over 2006 Final Four participant George Mason. W&M pulled the trick winning four league road games this season as well.

The 2006-07 season brought about a change in styles for the 31st W&M head coach. After spending much of his career coaching an up-tempo offense, featuring a trapping defense, Shaver switched over to a more perimeter-oriented attack last season. The Tribe offensive scheme now spreads the floor and relies on spacing, effective perimeter shooting and players reading and reacting to teammates' cuts and motion. Defensively, W&M employs a plethora of defensive systems to throw off opposing offenses.

The new style led to the Tribe ranking among the top 50 in the country in 3-point field goal defense in 2007 as well as holding its opponents to 64.2 points per game, the best mark since the 1997-98 season. The Tribe bettered that scoring defense average this season, holding opponents to just 63.2 points per game, which ranks second in the CAA.

The College has also established school records for 3-point field goals made and 3-point field goals attempted each of the last two season, while bettering the 3-pointers made per game average this season. The success of the new approach was never more evident than in the Tribe's victory over eventual National Invitational Tournament participant Drexel, 60-47, in Williamsburg on Feb. 14, 2007. It was the lowest point production for Drexel in four seasons, and marked the highest ranked team, in terms of RPI, that W&M had defeated since 2001.

During the 2005-06 season, W&M started 4-1, marking the best start for the Tribe team since opening the 1992-93 campaign with a 6-1 record. The 4-1 start for the 2005-06 squad though was the first time in school history that the Tribe has opened a year with at least four wins in its first five games against current Division I opponents. Included in those four victories was a 70-60 win at Hampton, which went on to make the NCAA Tournament.

In November 2005, Shaver was inducted into the Episcopal High School Hall of Fame. He led EHS for 10 seasons from 1976-86. Shaver has been inducted into the Hall of Fame at both of his head coaching stops prior to taking over the reigns at W&M.

There have been individual successes as well for the Green and Gold under Shaver's reign. On four occasions, a W&M player has been named All-CAA under Shaver, while another four have been named to the CAA All-Rookie Team. 2004 graduate Adam Hess, currently playing professionally in France, became the first player in school history to lead the CAA in scoring. An outstanding student and athlete, Hess was named the CAA Male Scholar-Athlete of the Year (for all sports) and was a First-Team Academic All-American and all-conference selection as a senior. W&M players have also enjoyed success in the classroom under Shaver, as on seven occasions a Tribe player has been named to the CAA All-Academic team over the last four seasons, including a program-high three in 2007.

Shaver was named the head coach of the Tribe on May 2, 2003. He

came to W&M after coaching 17 seasons at Hampden-Sydney, compiling a record of 358-121 (.747). He turned the Tigers into a Division III national powerhouse, leading the men's basketball team to eight Old Dominion Athletic Conference titles, 12 20-win seasons and 11 NCAA Division III Tournament appearances. The winningest basketball coach in the program's history, he was named the ODAC and South Region Coach of the Year in 1995, 1999 and 2000, and was picked as the Virginia Sports Information Directors Division II-III Coach of the Year in 1997, 1999 and 2000.

In 2003, Shaver took the Tigers to the NCAA Division III Final Four, as his team finished with a record of 28-4. In 1999, Shaver led H-SC to the national championship game, where the Tigers lost by one point in double-overtime to Wisconsin-Platteville. The team finished 29-3, setting a school record for most wins in a season.

Prior to taking over at Hampden-Sydney for the 1986-87 campaign, Shaver spent 10 years as the head boys' basketball coach at Episcopal High School in Alexandria, Virginia. He was named the Virginia State Private School Coach of the Year in 1986, and was twice picked as the Alexandria Coach of the Year, while winning 73 percent of his games.

A 1976 graduate of North Carolina, Shaver was a guard on the Tar Heel men's basketball team from 1972-75 under head coach Dean Smith. Originally a walk-on, he earned a scholarship his rookie season, when he was awarded the prestigious Butch Bennett Award, presented to the freshman who exemplifies determination, sportsmanship and sacrifice for the team. Shaver was voted the honoree by his teammates.

A native of High Point, North Carolina, Shaver and his wife, Ann, are the parents of three sons: Christopher (26), Austin (23) and Jackson (16). Christopher is currently pitching with the Chicago Cubs organization after a former standout career with the Tribe's baseball team. Austin is working toward a graduate degree in sports leadership at VCU, while working as a graduate assistant with the Ram basketball program. Jackson is a junior at Jamestown High School, and plays both basketball and baseball for the Eagles.
