

Dear Sir,

Charleston May 19th 1804

The name Mr Calhoun is
a near relation of our late senator of the same
name & accompanies his widow on a tour
to the Northern States. He has finished his
education at Yale College with great repu-
tation & is high in the esteem of his friends
for virtue & talents. Unwilling to pass through
Washington without being known to the
President of the United States he has requested
a letter to you. Any notice you may take of
him will be well bestowed & gratefully received.
I have the honor to be with great respect &
esteem your most obedient humble servant

Daniel Ramsay

President Jefferson.
