Respected Sir

On my dispersion of a Bam-
phlet addressed to the People of the United
States, I forwarded thee, one; but knew not
whether it was rec^d by thee; but being regularly
put into the Post Office, at Richmond, should
expect it went safe; with reference thereto &
still remaining under a further discharge of
Conscientious Duty; I forward thee the
enclosed Address, To your next general Assem-
-bly in Congress: I'm pressed with a sense
that thy anxious Care, for the Protection &
safety of the Nation; Internally & Externally,
is such; that thou'll be careful, to have it
in due time & Course, laid before them: A
satisfaction of which relative thereto, will be
gratefully rec^d with deference by thy friend
Ezra^m - Cutbert Maquillen

Mr. G. S. Johnson, Ashland, Mass. - Sep. 12. 08.

Dear Sir,
