THE WILLIAM AND MARY RADIO NETWORK

The broadcast team of Jay Colley and Bob Sheeran will once again relay the excitement of Tribe football over the airwaves. Play-by-play chief Colley also covers the Tribe basketball squad. A mass communications graduate of Middle Tennessee State University, Colley has been a fixture of the Tribe's sports broadcasts for 20 years. In 2002, Colley was granted honorary alumnus status by William and Mary.

Bob Sheeran has never drifted far from the beat of W&M sports. A 1967 alumnus of the College, Sheeran served as W&M's sports information director for 16 years before entering private business in 1985. He has teamed up with Colley for the last 17 years as part of the football broadcasts and has also served as an integral part of all W&M Quarterback Club booster functions since his graduation. A testament to his dedication to the College was witnessed in 2003 as an endowment was organized in his name by HAYFARL (a W&M football booster organization) to provide scholarship support for a Tribe walk-on football player.

Complete information on the William and Mary Football Radio Network can be found on TribeAthletics.com.

All W&M broadcasts can be heard online at TribeAthletics.com, the official Internet home of Tribe sports. Radio affiliates will be announced prior to the start of the 2006 season.

Weekly Football Press Luncheon

Every Tuesday afternoon during the regular season, members of the media are encouraged to join coach Laycock and various Tribe players for the W&M weekly football press luncheon, starting at noon at the Hospitality House on Richmond Road across from Zable Stadium.

Lunch is served promptly at 12, followed by opening statements by Laycock and a question-and-answer session for members of the media. Student-athletes are available for one-on-one interviews following the luncheon.

The date of the first luncheon will be announced in August.
