Select W&M Soccer Games to be Broadcast Live on the Internet

A select number of Tribe men's and women's soccer games will be broadcast live via the Internet this season ... The first will be the men's season opener on Saturday, Sept. 3 against St. Joseph's, with at least one more men's game and two more women's games to be announced at a later date ... Providing the commentary for the game will be former W&M men's head coach **Al Albert**, a 1969 W&M graduate, and long-time Tribe supporter **Mario Kokolis** ... The pair will be joined at halftime by current Tribe women's coach **John Daly** ... The broadcast, which will begin with a 10-minute pre-game show, can be accessed by going to TribeAthletics.com and clicking on the "Live Audio" link at the top of the page.

About Saint Joseph's

Saturday's game will also be the first of the season for Saint Joseph's, which went 3-14-1 last season ... Located in Philadelphia, the Hawks finished 13th in the Atlantic 10 last season with a 2-8-1 conference record ... Sophomore John Creed is the team's top returning scorer with two goals and four points last season ... Junior goalkeeper Trevor Lyman played in eight games with two starts last season, totaling 26 saves against just four goals and posting a 1.04 goals against average ... SJU was outscored 52-14 in its 18 matches last season ... The team's wins came against Philadelphia, Fordham and La Salle.

The Saint Joseph's Series

This will be the first men's soccer game between W&M and SJU.

Take a Good Look

Saturday will be the last chance to see the men's soccer team for a while, at least in Williamsburg ... After the match against Saint Joseph's, W&M is on the road for six straight games and won't return to Albert-Daly Field for almost a month (Oct. 2 against UNC Wilmington) ... The first two road games will be next weekend in Norfolk against Clemson and Rhode Island ... After the next home game against UNCW, the Tribe will hit the road for two more matches the following weekend, then return for five home matches in just 10 days.

W&M at Albert-Daly Field

In 2004 the Tribe men's and women's soccer teams began play at Albert-Daly Field a new grass facility named after former men's head coach **Al Albert** and current women's mentor **John Daly** ... The Green and Gold posted a 5-1-3 record at the facility last season, including a 1-0 win over Maryland, then ranked No. 1 in the nation ... Constructed partly to aid in bringing higher quality opponents to Williamsburg, the facility paid immediate dividends, as the Tribe hosted both Maryland and Virginia Tech, the first two Atlantic Coast Conference opponents to play W&M in Williamsburg since 1996 ... Prior to last season, the Tribe's last 20 games against ACC opponents had been on the road or at neutral sites ... W&M defeated VMI, 2-1, in the first match at Albert-Daly Field, with current junior **Brendan McCurdy** scoring the first goal at the facility in the 33rd minute.

2005 Tribe Player Profiles

Head Coach Chris Norris

Chris Norris enters his second season as the head coach of the William and Mary men's soccer team. He was named to the position on January 23, 2004, after nine years as a Tribe assistant and four years as a standout defender for the Green and Gold.

In Norris' first season leading the Tribe, the team extended its streak of consecutive winning seasons to 30, tied for the fifth-longest streak in NCAA Division I history. W&M went 5-1-3 in its first year at Albert-Daly Field, including a 1-0 win over top-ranked Maryland in just the second home game at the College's new facility. The Green and Gold allowed opponents to score just 21 goals all season, the fewest since 1999 and resulting in a 0.99 goals against average for the team. Five W&M players earned All-Colonial Athletic Association honors, including first team selection Pat Scherder, who also earned all-state and second team all-region accolades.

Norris joined the Tribe soccer staff in 1995 after a solid playing career at the College. He made the transition from the field to the sideline and played a major role in helping former head coach Al Albert develop one of the premier soccer programs in America.

A captain his senior year, Norris was the team's defensive leader, starting all four seasons (1991-94). During his career, W&M compiled an impressive 1.04 goals against average, including two seasons (1992 and 1994) with a team GAA of less than 1.00. He was a two-time All-CAA performer and was also selected to the VaSID All-State squad and the All-South Atlantic second team in 1994. The team's Most Valuable Player as a junior, Norris received the Coaches' Award in 1992 and earned W&M Rookie of the Year honors in 1991. Norris also earned the team's Freshman Academic Achievement Award in 1991 and graduated from the College with a degree in kinesiology.

Prior to his return to William and Mary, Norris served as junior varsity boys' soccer coach at Lafayette High School in Williamsburg. Along with his coaching duties for the Tribe, Norris is involved in coaching with the Williamsburg Soccer Club and serves as the co-director of the Tidewater Soccer Camp. He holds a National Soccer Coaches Association of America (NSCAA) advanced national diploma and serves as an associate staff member for the NSCAA.
