About Clemson

Clemson will enter Friday's match with a record of 2-0-0 after a 2-1 overtime win over South Carolina and a 3-1 victory over Longwood on Tuesday ... The Tigers are ranked 13th in the nation in the most recent NSCAA Division I coaches poll ... Dane Richards leads the team with five points on two goals and one assist, all coming against Longwood ... Goalkeeper Phil Marfuggi has played every minute in goal for Clemson and has a 0.94 goals against average with six saves ... The Tigers have attempted 51 shots in their first two matches of the season ... Last season Clemson finished with a record of 8-9-1, ending the Tigers' streak of 34 consecutive winning seasons.

The Clemson Series

W&M will be looking for its first win against Clemson, as the Tigers have won both of the two matches between the two teams ... Both of those games were played at Clemson ... The last time the two teams faced each other was Nov. 29, 1998 in the second round of the NCAA Tournament as the then No. 1 ranked Tigers defeated the Tribe 1-0 ... The series began with a 3-1 Clemson win on Oct. 13, 1991.

About Rhode Island

The Rams enter this weekend's tournament with a 0-1-1 record ... URI lost to UAB, 3-1, in its season opener last Friday, before tying Providence, 1-1, on Sunday ... Jeffrey Gonsalves leads the team in scoring with three points on a goal and an assist ... Lukasz Tomicz (1g, 0a) and Callum Bissett (0g, 1a) have also scored for the Rams ... Goalkeeper Dean Ruddy has played all 200 minutes this season, with a 1.80 GAA and 10 saves, allowing four goals ... Last season URI had a 12-8-1 record.

The Rhode Island Series

This will be just the second meeting between W&M and URI ... The Rams won the first game in the series, defeating the Tribe, 2-1, in Kingston, RI on Oct. 18, 1983.

Road Warriors

Last Saturday was the only chance to see the men's soccer team play at home in Williamsburg in the month of September ... Including this weekend's neutral-site games in Norfolk, W&M is on the road for six straight games and won't return to Albert-Daly Field for almost a month (Oct. 2 against UNC Wilmington) ... After the next home game against UNCW, the Tribe will hit the road for two more matches the following weekend, then return for five home matches in just 10 days.

W&M at Albert-Daly Field

W&M is 6-1-3 (.750) all-time at its home facility, Albert-Daly Field ... In 2004 the Tribe men's and women's soccer teams began play at the new grass facility named after former men's head coach **Al Albert** and current women's mentor **John Daly** ... The Green and Gold posted a 5-1-3 record at the facility last season, including a 1-0 win over Maryland, then ranked No. 1 in the nation ... Constructed partly to aid in bringing higher quality opponents to Williamsburg, the facility paid immediate dividends, as the Tribe hosted both Maryland and Virginia Tech, the first two Atlantic Coast Conference opponents to play W&M in Williamsburg since 1996 ... Prior to last season, the Tribe's last 20 games against ACC opponents had been on the road or at neutral sites ... W&M defeated VMI, 2-1, in the first match at Albert-Daly Field, with current junior **Brendan McCurdy** scoring the first goal at the facility in the 33rd minute.

W&M Looking for 31st Straight Winning Season

The Tribe finished with a record of 9-7-4 last season, extending its streak of consecutive winning seasons to 30 ... W&M is tied with Southern Methodist for the third-longest active streak among all NCAA Division I teams, and is tied for the fifth-longest streak in NCAA Division I history ... Only UCLA (38) and Indiana (32) enter 2005 with longer active streaks ... The Tribe's run of winning campaigns began in 1975, when W&M went 9-4-1 on the year ... The College has had just four losing seasons since men's soccer became a varsity sport at W&M in 1967.

2005 Tribe Player Profiles

Head Coach Chris Norris

Chris Norris enters his second season as the head coach of the William and Mary men's soccer team. He was named to the position on January 23, 2004, after nine years as a Tribe assistant and four years as a standout defender for the Green and Gold.

In Norris' first season leading the Tribe, the team extended its streak of consecutive winning seasons to 30, tied for the fifth-longest streak in NCAA Division I history. W&M went 5-1-3 in its first year at Albert-Daly Field, including a 1-0 win over top-ranked Maryland in just the second home game at the College's new facility. The Green and Gold allowed opponents to score just 21 goals all season, the fewest since 1999 and resulting in a 0.99 goals against average for the team. Five W&M players earned All-Colonial Athletic Association honors, including first team selection Pat Scherder, who also earned all-state and second team all-region accolades.

Norris joined the Tribe soccer staff in 1995 after a solid playing career at the College. He made the transition from the field to the sideline and played a major role in helping former head coach Al Albert develop one of the premier soccer programs in America.

A captain in his senior year, Norris was the team's defensive leader, starting all four seasons (1991-94). During his career, W&M compiled an impressive 1.04 goals against average, including two seasons (1992 and 1994) with a team GAA of less than 1.00. He was a two-time All-CAA performer and was also selected to the VaSID All-State squad and the All-South Atlantic second team in 1994. The team's Most Valuable Player as a junior, Norris received the Coaches' Award in 1992 and earned W&M Rookie of the Year honors in 1991. Norris also earned the team's Freshman Academic Achievement Award in 1991 and graduated from the College with a degree in kinesiology.

Prior to his return to William and Mary, Norris served as junior varsity boys' soccer coach at Lafayette High School in Williamsburg. Along with his coaching duties for the Tribe, Norris is involved in coaching with the Williamsburg Soccer Club and serves as the co-director of the Tidewater Soccer Camp. He holds a National Soccer Coaches Association of America (NSCAA) advanced national diploma and serves as an associate staff member for the NSCAA.
