**Associate Sports  
Information Director**

Rob Turner begins his first year as the associate sports information director at the College of William and Mary.

The site is complete with schedules, stats, releases, photo galleries and much more.

The **2006-07 William and Mary Women's Basketball Media Guide** is published by the sports information office specifically to assist the media in their coverage of Tribe basketball. Requests for additional information, interviews and photographs should be directed to Rob Turner.

**Interview Policy** - All William and Mary players and coaches will be available for interviews throughout the season. All interview requests must be coordinated through Rob Turner in the sports information office. Please give at least 24 hours notice, whenever possible. Home phone numbers will not be made available, and members of the media are asked not to contact players or coaches at home.

**Radio** - Visiting radio lines are available. Radio stations should make arrangements with the sports information office at least a month in advance. Requests for the line will be honored on a first-come, first-serve basis.

**Game Credentials** - Please make all press and photo requests at least 48 hours in advance. Tickets can be picked up, with proper credentials, at the media entrance (the stairs by the sports information office).

**Sports Information** - The sports information office is located on the arena floor level of William and Mary Hall along the administrative hallway in room 212.

**Statistics** - Typed play-by-play, halftime stats and a full NCAA box will be available following the game.

**Post-Game Procedures** - Both coaches will be brought to the interview room (classroom 221) after the game. The College's locker area is closed to the media. Individual William and Mary players' names should be given to Rob Turner late in the second half, and they will follow the coaches in the interview room.
