William and Mary

The College of William and Mary -The Best Small Public University in the United States

For more than 300 years, William and Mary has been a symbol of academic distinction in America. Now, in its fourth century, the College is prepared to educate the leaders of the 21st century.

The College of William and Mary was founded in 1693 by King William III and Queen Mary II of England. Four Presidents of the United States received their education at the College - George Washington, Thomas Jefferson, James Monroe and John Tyler. The current chancellor of the College is former Secretary of State Henry Kissinger, and he took over the post from former British Prime Minister Margaret Thatcher.

William and Mary was the first college to institute an honor code of conduct. The premier academic society, Phi Beta Kappa, was founded by William and Mary students in 1776. The Society of the Alumni, founded in 1842, is the sixth oldest alumni group in the nation. Now the College is designated as a "Public Ivy", and ranks 15th among the best regional business schools.

Lake Matoaka provides an on-campus field laboratory and recreational activities, and includes an ampitheatre to host concerts.

The Wren Building (1679) is the oldest one in the United States in which classes are still taught.

Tribe Athletics

"Exercise and recreation ... are as necessary as reading; I will say rather more necessary, because health is worth more than learning. A strong body makes the mind strong." —Thomas Jefferson, W&M Class of 1764

Few colleges in America can boast of the combination of athletic and academic excellence that is found at the College of William and Mary. Each year, more than 500 Tribe student-athletes, competing on 23 Division I teams, prove that it is possible to simultaneously excel at the highest levels of athletics and academics.

Athletic Excellence

The 2002-03 season was one of the best in W&M history, as the Tribe had a school-record 10 teams compete in the NCAA Tournament. Four teams won conference championships, while six teams ended the season nationally ranked in the top-25. Each year the goal of the athletics department is to finish in the top-100 nationally in the NACDA Directors' Cup standings and this season W&M far exceeded that standard, ending the 2002-03 campaign ranked 58th. It marked the eighth time in the last 10 years that the Tribe finished in the top-four in Virginia and first or second in the Colonial Athletic Association.

William and Mary fields Division I teams for both men and women in basketball, cross country, golf, gymnastics, soccer, swimming and diving, tennis, and indoor and outdoor track and field. There are also field hockey, lacrosse and volleyball squads for women of the College, while there are two additional sports (baseball and football) for men.

Overall, the College has proven dominant in the CAA, leading the league with 70 conference titles, 21 more than the next closest school. In recent years, it has become typical for W&M to win at least five conference championships and send seven or more teams to the NCAA Tournament each season.

Academic Success

The Tribe's athletic accomplishments do not come at the expense of its students' academic responsibilities. In the 2002-03 season, W&M student-athletes, who make up close to 10% of the entire student body, compiled a 3.03 grade point average.

In 2002-03 the CAA began a Scholar-Athlete of the Year award for each of the league's 21 sports. Not surprisingly, W&M set the pace with five athletes winning the honor—Tara Flint (women's soccer), Ali Henderson (women's cross country), Adam Hess (men's basketball), Chris Parsons (men's track and field) and Ann Schnell (women's golf)—more than any other school.

2003 graduate **Claire Miller** was a third-team NFHCAAll-American and twice earned first team All-Colonial Athletic Association and All-South Region honors. Her senior year she was named to the Dean's List at W&M, was named the team's defensive MVP and earned the CAA Commissioner's Award. Miller finished that year nationally ranked in goals against average (1.41, 17th), save percentage (.810, 6th) and saves (132, 18th). She ended her W&M career ranked in the top-10 in school history in saves (229), shutouts (12.5), GAA (1.27) and save percentage (.804).

Athletics Administration

Terry Driscoll

Athletics Director

With a strong personal commitment to the concept of the scholar-athlete and to competitive success, Edward C. "Terry" Driscoll, Jr. enters his eighth year as director of athletics at the College.

"In the athletic world, William and Mary is well recognized for a rare combination of two attributes: its academic strength in the classroom and its competitive strength on the field," said Driscoll. "I look forward to the challenge of conlocia achievement."

tinuing the tradition of academic and athletic achievement."

A basketball All-America selection and an Academic All-America honoree at Boston College, Driscoll is an exemplary leader. Since his collegiate days, Driscoll has filled a variety of executive posts in the sporting goods industry, as well as completing an 11-year stint as a player in the National Basketball Association and as a player and coach in the Italian professional basketball league.

Driscoll has supervised the marketing of athletic products in national and international markets, enhanced the television exposure of a variety of NCAA events (including the Final Four basketball tournament) and organized and directed such internationally recognized events as the World Cup soccer games in Boston and the women's World Volleyball Grand Prix in Hawaii.

The athletic program Driscoll directs fields a total of 23 men's and women's teams which boast strong records in NCAA, Colonial Athletic Association and Atlantic 10 competition. Last year was one of the most successful in W&M history, as a school-record 10 teams competed in NCAA Tournaments. Four teams won conference championships and six squads ended the season nationally ranked in the top 25.

Driscoll, who graduated with a Bachelor of Science degree in biology from Boston College in 1969, began his postgraduate career as a first-round draft pick of the Detroit Pistons. Before joining the Pistons, however, Driscoll opted for a year of professional basketball in Italy where he fulfilled his dream of living abroad and learning a second language. He rejoined the Pistons in 1970 and played with the Bullets and Bucks before returning to Italy in the fall of 1975, where he was named Outstanding Foreign Player of the Year. He played three years before an injury forced his retirement in 1978. He then coached his former team to two Italian League Championships before returning to the United States.

Driscoll began his post-playing career as an athletic sales promotion agent in 1980 and quickly moved up the corporate ladder. With the purchase of Bike Athletic by Kazmaier Associates in 1986, KSG Inc. was formed with the objective of becoming the first, and only, national sales agency in the Sporting Goods Industry. Driscoll was named president of KSG Inc. in 1987 and expanded the agency from 24 to 50 states by 1989. With the domestic sales agency in place, Driscoll expanded to international marketing and sales from 1989-93. In early 1990, Driscoll's contribution to a marketing research project for the NCAA was the initial step moving him from product marketing and sales to sports marketing and management. The result of the project was a joint venture between Kazmaier Associates and Host Communication - with Driscoll being named managing director and chief operating officer of NCAA International. Also in 1993-94, Driscoll assisted with the 1994 World Cup Organizing Committee as Venue Executive Director, and his Boston venue was cited for its operational success. In September of 1994, Driscoll was again enlisted to launch a new business, Eagle International Group, an event management and services company. As vice president, Driscoll worked with Hawaii Pacific Sports as well as organizing the Women's World Volleyball Grand Prix, a five-week competition in Honolulu.

Driscoll resides in Williamsburg with his wife Susan. The couple has two children, Keith, 28, a 1997 graduate of Holy Cross, and Leslie, 24, a 2001 graduate of William and Mary.

Barbara Blosser Associate AD

Barbara Blosser comes into her 12th year as the College's associate athletics director. Blosser started her career at William and Mary as the head women's basketball coach in 1978 and guided the Tribe to a VAIAW crown in her first season with a school-record 16 wins (16-13). Her 1980 Tribe team (11-14) placed third, while the 1981 squad (16-16) was VAIAW runner-up. She was also at the helm during the 1984-85 season when William

and Mary made the jump to NCAA Division I. Overall, she finished her coaching career with 115 wins, 84 of which came at William and Mary.

When the College's men's and women's athletic programs merged in May of 1986, she moved to administration, first serving as the Assistant to the Associate Athletics Director. Over the past 16 years, her administrative responsibilities at W&M have included the monitoring of financial aid matters, coordinating the scheduling of athletic facilities, supervision of coaches and staff and, currently, serving as the person primarily responsible for administering the day-to-day operations of the department.

From October 1992 to June 1993 and August 1995 to July 1996, Blosser also served as acting athletics director in an interim capacity. For her efforts, she was named the first recipient of the John Randolph Inspiration Award. Blosser has served on various committees such as the NCAA Strategic Planning Committee and the Colonial Athletic Association Competition Committee.

Blosser began her coaching career at the helm of the women's basketball program at Ashland College in Ohio. During two seasons there, she led the Eagles to successive 15-7 and 16-8 ledgers. Her 1977 squad won the AIAW Region V Championship, while her 1978 team took the OAISW Small College title.

A former three-sport standout at Ohio State, Blosser graduated Cum Laude in 1975 with a Bachelor of Science degree in physical education. At OSU, she was selected to both Phi Beta Kappa and Mortar Board. She competed in basketball, field hockey and tennis and captained both the basketball and field hockey squads her senior year. She went on to earn her master's degree from the University of North Carolina Greensboro in 1978. In 1993, she was selected as a member of the first class of women inducted to the Ohio State University Athletic Hall of Fame.

2003 Season Outlook

Coming off one of the best seasons in school history, the 2003 William and Mary field hockey team will look to continue building on the program's recent successes. In 2002 the Tribe advanced to the Colonial Athletic Association championship game for the first time in more than a decade. For the second time in the last three seasons, the team earned an atlarge berth in the NCAA Tournament, before falling in overtime in the first round.

The Tribe graduated five players, all key starters, from last year's team, including a pair of All-Americans in forward Ann Ekberg and goalkeeper Claire Miller. W&M lost its top three scorers, who accounted for 65 percent of the team's goals, along with Julie Zoolkoski, arguably the Tribe's best defender, and Miller, the starting netminder for two seasons.

Senior forward **Jordan Steele**, one of the team's three captains and the top returning scorer on the squad (4 goals, 4 assists), will look to step up and become an even bigger attacking threat this season. With one of the hardest hits on the team, she has been a striker on the corner crew for the last two years.

Joining her up top will be junior **Ginny Sutton**, the team's top scorer early last season with four goals in the first six games. A quick player with good stick work, her experience over the last two years has improved her ability to exploit the weaknesses of the defense.

Junior **Kate Baird** will likely start at either the forward or midfield position. Fast and quick, with the ability to weave the ball through traffic, she scored both her goals in the postseason last year, including the gametying goal with less than nine minutes in regulation against Maryland in the NCAA Tournament.

Junior forward/midfielder Kate Baird

Also available at the forward position are juniors **Sydney Schell** and **Sue Taylor** and sophomore **Kelly Giles**, all of whom showed great improvement in the offseason. One of the quickest players on the team, Schell had a great spring after being plagued with injuries in each of her first two years. Taylor also played well in the spring and was very effective on the left post. Despite seeing limited action in the fall, Giles is another quick player who could soon mature into a very effective offensive threat. Redshirt freshman **Shawn Sullivan** joined the team in the spring, showing good speed and a knack for being in the right place at the right time on attacking opportunities. Also in the mix will be freshman **Gina Cimarelli**, a versatile player who is effective at scoring in a variety of situations.

W&M brings back two starting midfielders from last year, junior **Jill Hocutt** and sophomore **Shannon Karl**. Hocutt has been learning the center midfield position in her two seasons and her excellent vision and the ability to distribute the ball up the field will be a valuable asset this year. Karl came on at the end of 2002, winning the conference's Rookie of the Week award in the final week of the regular season after scoring a goal in W&M's upset win at James Madison. A playmaker with impressive stick skills, she is comfortable both attacking the goal from the outside positions and moving to the center of the field to help distribute the ball and run the offense.

Along with Baird, who could see time at midfield as well as forward, the Tribe returns three other midfielders, senior Kelly McQuade and sophomores Carly Falgowski and **JJ Kubicek**. A two-sport athlete who also plays lacrosse at W&M, McQuade is a strong player who has improved her speed each season. With very good field vision and the ability to see the open lanes on the field, the versatile Falgowski's excellent defensive skills could lead to her playing at the back of the field. Kubicek was performing well in the spring before a back injury forced her to the sidelines. Very fast and athletic, she can play a variety of positions. The Tribe will also add four rookie midfielders/defenders next season in Jamie Fitzgerald, Maggie Long, Julienne Palbusa and Becky Van Zee.

The back line will be led by senior captain **Kelli Duggan**. The most experienced defender on the team, she started every W&M game the last two seasons, with a career total of 40 starts in 47 games played. Duggan is a very aggressive tackler and also has one of the most powerful hits on the team. She recorded a key defensive save in the Tribe's overtime win against Boston University last season and also has produced some timely offense. Both of her career goals have been game-winners and last season she assisted the game-tying goal with less than 10 minutes remaining in regulation in what turned out to be a doubleovertime win at Delaware.

Two other defenders with starting experience are sophomores **Anna Davis** and **Diana Esposito**. As a redshirt freshman last season, Davis led the team with three defensive saves, including two in the NCAA Tournament. A solid defender with good low stick skills, Esposito played well as a freshman on both the defensive and midfield lines.

Senior midfielder Kelly McQuade

Senior captain **Katie Casto** saw limited action last season, but has continued to show marked improvement throughout her career. A terrific team leader on and off the field, she is one of the hardest working players on the team. Also coming back next year are juniors **Maria Scanelli** and **Tiffany Reeves**, both of whom have shown steady improvement throughout their careers.

The biggest question mark for the team will be at goalkeeper, with three players in the mix for the starting spot. Returning redshirt sophomores **Heather Kibbee** and **Sara Mc-Donough** both have the skill for the position but have little game experience. Kibbee saw the first action of her career last season, making two saves without allowing a goal in just over 12 minutes of play against Davidson, while all of McDonough's experience has come in the spring season. They will be competing with senior transfer **Stacy Gaenzle**, who has enrolled in graduate school at W&M after starting the last two seasons at Rutgers.

As is the case every year, head coach Peel Hawthorne will test her team with a difficult schedule that includes five teams which played in the 16-team NCAA Tournament last season and seven that were ranked in the top-20 in the final NFHCA Coaches Poll. Among the non-conference teams the Tribe will face are traditional national powers Virginia, Duke and North Carolina. The Green and Gold will also be challenged in league play, as the CAA emerges as one of the top field hockey conferences in the nation. Two teams, Old Dominion and James Madison, joined W&M as nationally-ranked squads that competed in the NCAA Tournament, and all eight of the league's teams were either ranked or received votes in the national coaches poll at some point during the season.

Coaching Staff

Peel Hawthorne

Head Coach (17th season) William and Mary (1980)

In 2003, Peel Hawthorne begins her 17th year as head coach of the Tribe field hockey team. During her tenure, the Tribe has a record of 187-132-2 (.586), including two NCAA Tournament appearances in the last three seasons (2000 and 2002). She has had 25 players earn 41 all-region honors, including a pair of All-Americans last season

in Ann Ekberg and Claire Miller. The Colonial Athletic Association Coach of the Year in 1995 and 2001, Hawthorne was also named the 2001-02 Society of the Alumni Coach of the Year at William and Mary.

A member of numerous professional organizations, Hawthorne currently is the Division I representative for the National Field Hockey Coaches Association and has also served as the South Region Chair for the NCAA Division I Field Hockey Committee and as a member of the South Region All-America Selection Committee. Hawthorne holds a U.S. Field Hockey Association (USFHA) coaching certification, was site director and head coach of several USFHA Development Camps and the Head Futures Coach for eastern Virginia. She also served as a USFHA summer league volunteer coach in 1999 and is the director of the Colonial Field Hockey Camp held each June at W&M. She has experience as a field hockey clinician at many levels, helping to host the NFHCA Coaches Clinic at W&M, as well as participating in VHSLCA and NCAA Youth Education through Sports (YES) clinics. Previously the head field hockey and lacrosse coach at Division III Connecticut College for four years, Hawthorne produced three All-Americans, 15 All-New England players and six USFHA Northeast players while posting a 31-17-3 (.637) record. As lacrosse coach, she led her teams to a 35-15-1 (.696) record and four post-season bids.

Hawthorne also served for nine years on the Executive Committee of the U.S. Women's Lacrosse Association and is past chair of that organization's Sports Medicine committee. As

a member of the American Society of Testing and Materials (ASTM) subcommittee on Eye Safety in Sports, Hawthorne chaired the organization's task force on women's lacrosse. She was instrumental in establishing an ASTM manufacturing standard for protective eyewear for the sport.

A field hockey and lacrosse standout at W&M, Hawthorne graduated with a B.S. in physical education in 1980. In her four years, the Tribe field hockey team posted a record of 52-13-7 and made two trips to the AIAW Nationals, finishing fifth in the nation in 1979. Hawthorne was an NATA certified athletic trainer for six years and has an M.Ed. in the field from Virginia. She enjoys water skiing and has been an instrumentalist and vocalist for a contemporary Christian band for the last seven years.

Quan Nim Anderson

Assistant Coach • Iowa (1999)

Quan Nim Anderson begins her third season as first assistant coach at William and Mary. A 1999 graduate of the University of Iowa with a B.A. in psychology and a minor in social work, she came to the Tribe after serving as the assistant coach at Davidson for one year.

Anderson brings a wealth of playing experience to the sidelines for the College. Playing for the Hawkeyes, she was one of the most well known forwards in the country. During her last year at Iowa, Anderson was selected first team all-region, first team All-Big Ten and second team NFHCA All-America. She was also selected to the Big Ten All-Tournament team and to the NCAA All-Tournament Team.

Prior to the accolades in 1999, Anderson twice earned all-region and All-Big Ten honors. She participated in the 1995 U.S. Olympic Festival and the 1993 and 1994 Junior Olympics. Anderson gained leadership experience in her two seasons as captain of the Hawkeye team and received the Dr. Patricia Hicks Award given for overcoming adversity and showing perseverance and

seasons as captain of the Hawkeye team and received the Dr. Patricia Hicks Award given for ove great strength of character.

Kiernan Raffo

Assistant Coach • James Madison (2003)

Kiernan Raffo begins her first season as an assistant coach at William and Mary. A 2003 graduate of James Madison with a degree in sociology, Raffo was the Dukes' starting goalkeeper for the last two seasons. In her four-year career she totaled 211 saves with a 2.09 goals against average. In 2001 she was picked to the All-CAA second team and

the CAAAll-Tournament team. She was also a Verizon and CAA Scholar-Athlete.

A native of Virginia Beach, Raffo attended Frank W. Cox High School where she was Norfolk Sports Club Player of the Year, All-Beach District, All-Tidewater and team MVP as a senior, leading her team to the state championship. In her junior year she tied for third in the nation with 17 consecutive shutouts as her team finished second in the state. She was the first female football player at her school as a member of the junior varsity team, and also played basketball and soccer.

Jarred Martin

Student Assistant

Jarred Martin joins the Tribe this season as a student assistant coach. A member of the U.S. Men's National Team for the last four years, Martin is currently the starting center forward for the squad and has led the team in scoring in a number of international tournaments. Martin graduated with magna cum laude honors from Adirondack Community

College in 2002, following an outstanding career at Schuylerville High School, where he led his team to a 44-0 record and two state championships. Also earning varsity letters in soccer, basketball and tennis, Martin won the Wendy's High School Heisman Award for the state of New York.

An assistant coach at Skidmore College for four seasons, Martin helped lead the team to a 2002 conference title and three NCAA Division III Tournament appearances, including trips to the quarterfinals in 1999 and 2002 and the Final Four in 2001. He also coached at Futures and Futures Elite in 2002.

Student-Athlete Support

Goals

We take pride in the many achievements of William and Mary athletes, both in the classroom and on the playing field. These support services and many others are in place to help each student-athlete achieve their goals. It is our hope that at the completion of their undergraduate career they can reflect upon:

- 1. An academic experience that prepared them for a successful career.
- 2. An athletic challenge that brought many rewards.
- 3. A feeling of loyalty and pride in identifying themselves as a varsity athlete with a degree from The College of William and Mary.

Compliance and Academic Support

As members of the Colonial Athletic Association and NCAA Division I, the College is committed to full compliance with all NCAA and conference regulations. The department has a fulltime Director of Compliance committed to assisting students, staff and coaches through education and monitoring of compliance issues.

All entering students are assigned a faculty academic advisor through the Academic Advising Office, directed by Dr. Randolph Coleman. Students remain with this advisor until they declare a major at which time they select a faculty advisor in their major field of concentration. The Academic Advising Office provides support and guidance to students as they plan their academic progress to graduation.

Within the athletic department, the Academic Support Coordinator is a valuable resource for student-athletes serving in a liaison role with the various student service offices throughout the campus community. The College has offices for Volunteer Services, Career Services, a Writing Resource Center and Oral Communication Studio, to name a few.

The department offers a variety of study, life and career building skills programs, but holds firm to the concept of self-determination each student must take responsibility for his or her collegiate experi-

ence. Our goal is to assure that there is a support system in place to assist students to make positive and informed decisions.

Strength, Speed and Conditioning

Tribe athletics is very proud of the Joseph W. Montgomery Strength Training Center, a 5,000 square foot weight training facility. Under the guidance of the Head and Assistant Strength Coach each sport is provided with a program designed to enhance individual strength and flexibility development specific to the skills and movements required for their sport. Individuals are educated on proper lifting techniques and workouts are monitored to assure safety at all times.

Sports Psychology

The athletic department has on staff a sports psychologist, who holds a Ph.D. in sports psychology. All consultations are confidential and all student-athletes, teams or coaches are welcome regardless of the issues

they wish to discuss. Consultation is available for sport psychology education, performance enhancement skills training, strategies for dealing with stress or injury, or for personal issues that may affect performance. The sports psychology consultant is considered a member of the Counseling Center and refers individuals to the Center when appropriate.

Sports Medicine

The Division of Sports Medicine provides a comprehensive health care program for the department of intercollegiate athletics. The staff consists of a team physician, six fulltime certified athletic trainers, graduate and undergraduate student trainers and medical specialists from the local community. The College is also in the process of evaluating and pursuing CAAHEP accreditation of its entry-level athletic training education program. The team physician has overall responsibility for supervision of the sports medicine program.

The priority for the athletic training staff is to enhance and assure lines of communication and cooperation among its staff, student-athletes, parents, coaches, the Student Health Center and involved medical specialists. Through a team approach to health care the sports medicine program can offer comprehensive health care services to the student-athletes in a caring and cooperative manner.

Facilities

The College of William and Mary and its student-athletes take a great deal of pride in the quality of its athletic facilities. Over the last several years, the College has bolstered its lineup of venues to match the success that the Tribe has shown in the athletic arena, which has been unmatced in the Colonial Athletic Association. William and Mary boasts some of the finest athletic arenas in the nation, from its newest venue, Albert-Daly Field, to the oldest, Walter J. Zable Stadium at Cary Field, a campus landmark since 1935. The College is committed to providing the student-athlete the most enjoyable and rewarding atmosphere possible.

WILLIAM

friends whose love for you, and yours for them, will be so intense that it will make you ache to think of it ... Of teachers who will ask for your best, who prod, who challenge, who laugh with you but never at you, who will do you the greatest honor of not flattering second class work with first class compliments, who care for you not just as able intellects but as whole men and women with the capacity, indeed the duty, to use your talents in a cause larger than yourselves...

—President Timothy J. Sullivan, Class of 1966
