

1.) - Why are you wavering between
 the hearts surrounding you
 - You made my heart melt

2.) - I met your withdrawal from me with
 obedience

- I spent the long nights alone
 - Don't you want to have compassion
 for my heart? Why are you
 torturing it

- You know, the heart submits to beauty.

3.) - Why is my heart not like yours
 - I have been imprisoned by your love
 from the day that I saw you

- ~~No matter~~ Whether you treat ^{my heart} ~~it~~ roughly,
 or you satisfy it

- It is between your hands, and it submits
 to your orders.

④ - Only once the heart falls in love
and gets its satisfaction

- And my heart, I swear to God,
got used to love.

- Oh you who resides in my heart
Why are you hurting it

- Be faithful to your lover,
and don't give him hard time.
