### Athletic Success

A charter member of the CAA 1986, W&M has been the CAA's most successful program over the past two decades. The 2005-06 year was another banner season for the College, as it added three more conference titles. The Tribe has now captured 84 total CAA Championships since 1986, over 30 more than the closest rival.

Individually, women's tennis standout Megan Moulton-Levy earned All-America honors after advancing to the "Final Four" of the NCAA Singles Tournament.

### Academic Excellence

The Tribe's athletic accomplishments do not come at the expense of its student's academic responsibilities, as W&M ranked fourth, the highest of any scholarship-granting school and of any public university, in the nation among institutions with two or more Division I teams when the NCAA released its inaugural Academic Progress Rate scores in March of 2005.

This year, the NCAA specifically listed 18 W&M athletic squads as recipients of its public recognition award for 2005-06.

Since 1992, 36 Tribe athletes have been designated Academic All-Americans, including Keith Bechtol, who was a third team selection in the spring, and since 1996, 39 student-athletes have been members of Phi Beta Kappa.

In 2002-03, the CAA created a Scholar-Athlete of the Year award in each of its 21 sports, and not surprisingly, William and Mary has set the pace with 18.

In addition, three of William and Mary's five Rhodes scholars participated in varsity sports.

## Terry Driscoll Athletics Director

With an extensive resumé that includes four years as a student-athlete, a professional playing career and numerous jobs in the athletic business world, Edward C. "Terry" Driscoll is entering his 11th year as the athletics director at the College of William and Mary.

Driscoll's tenure has seen a wealth of improvements across the board in the W&M athletics department, from new and refurbished facilities to increased fundraising for the Tribe. In addition,

the Tribe has reached all-time highs in the annual Director's Cup rankings that summarize excellence in all sports.

Upon the death of legendary Tribe athletics director John Randolph, former W&M president Timothy J. Sullivan chose Driscoll to be the new leader of the department, saying "Terry brings outstanding management and leadership skills to the position."

Since Driscoll took over as athletics director, he has overseen the construction of more than \$16 million in new facilities, including Plumeri Park (baseball), Albert-Daly Field (soccer, lacrosse) and the Busch Courts (tennis). That figure will continue to increase significantly in the future, as Driscoll announced plans last year to build the \$11 million Jimmie Laycock Football Complex at Zable Stadium (see page six). Already, the football program has seen the installation of permanent lighting, a \$650,000 project, and a new state-of-the-art artificial playing surface, Field Turf Pro, a \$840,000 project, at Zable Stadium in the last 10 months.

Driscoll has also increased the annual fundraising totals for non-capital projects from \$1.36 million in 1995 to around \$2.7 million currently. He also has served on numerous conference and NCAA committees, including a stint as president of the Atlantic 10 Football Conference.

The Tribe has also had outstanding success across the board since Driscoll came to Williamsburg. In 2002-03, W&M had a school-record 10 teams compete in the NCAA Tournament. Four teams won conference titles, while six were in the top 25 at the end of their respective seasons. One of the department's goals each year is to finish in the top 100 in the annual Director's Cup rankings, and that has happened in all but one of the years that Driscoll has been the AD, with a high ranking of 42 occurring in 1997. In addition, W&M had captured 81 CAA Championships coming into the 2005-06 school year, by far the highest total among all conference schools.

Driscoll's leadership skills were developed in his collegiate years. As a student-athlete at Boston College, Driscoll captained the basketball team to the National Invitation Tournament championship game as a senior, and was named the tournament MVP. In addition to being named an All-American, his success in the classroom with a major in biology garnered him an Academic All-America honor.

After graduating from BC, he was the fourth pick of the NBA Draft, selected by the Detroit Pistons, just three picks after the Milwaukee Bucks chose UCLA's Lew Alcindor, later to be known as Kareem Abdul-Jabbar. Driscoll chose to play a year in Italy first, but then returned to the U.S. to play for the Pistons, Washington Bullets and Milwaukee Bucks before going back to Italy as a player and coach until 1980.

Driscoll then entered the corporate world in 1980, working for Kazmaier Associates, Inc., an international sporting goods sales and sports marketing firm.

After Kazmaier purchased Bike Athletic in 1986, KSG Inc. was formed with the objective of becoming the first, and only, national sales agency in the sporting goods industry. By 1987, Driscoll was president of the company and had expanded the agency to all 50 states just two years later. In early 1990, Driscoll's contribution to a marketing research project for the NCAA was the initial step moving him from product marketing and sales to sports marketing and management. The result of the project was a joint venture between Kazmaier Associates and Host

## Barbara Blosser Senior Associate Athletics Director

After serving 12 years as the College's associate athletics director, Barbara Blosser was promoted to her current position of senior associate athletic director in April of 2004. Blosser started her career at William and Mary as the head women's basketball coach in 1978 and guided the Tribe to a VAIAW crown in her first season with a school-record 16 wins (16-13). Her 1980 Tribe team

(11-14) placed third, while the 1981 squad (16-16) was VAIAW runner-up. She was also at the helm during the 1984-85 season when William and Mary made the jump to NCAA Division I. Overall, she finished her coaching career with 115 wins, 84 of which came at William and Mary.

When the College's men's and women's athletic programs merged in May of 1986, she moved to administration, first serving as the Assistant to the Associate Athletics Director. Over the past 16 years, her administrative responsibilities at W&M have included the monitoring of financial aid matters, coordinating the scheduling of athletic facilities, supervision of coaches and staff and, currently, serving as the person primarily responsible for administering the day-to-day operations of the department.

From October 1992 to June 1993 and August 1995 to July 1996, Blosser also served as acting athletics director in an interim capacity. For her efforts, she was named the first recipient of the John Randolph Inspiration Award. Blosser has served on various committees such as the NCAA Strategic Planning Committee and the Colonial Athletic Association Competition Committee.

Blosser began her coaching career at the helm of the women's basketball program at Ashland College in Ohio. During two seasons there, she led the Eagles to successive 15-7 and 16-8 ledgers. Her 1977 squad won the AIAW Region V Championship, while her 1978 team took the OASISW Small College title.

A former three-sport standout at Ohio State, Blosser graduated Cum Laude in 1975 with a Bachelor of Science degree in physical education. At OSU, she was selected to both Phi Beta Kappa and Mortar Board. She competed in basketball, field hockey and tennis and captained both the basketball and field hockey squads her senior year. She went on to earn her master's degree from the University of North Carolina Greensboro in 1978.

## Gene R. Nichol President

Gene Nichol became the College of William and Mary's 26th president on July 1, 2005. A scholar of constitutional and civil rights law, Nichol taught at the William and Mary School of Law

## Sandra Day O'Connor Chancellor

Sandra Day O'Connor, who in July of 2005 announced her intention to retire as Associate Justice of the United States Supreme Court, was named 23rd Chancellor of the College by the College of William and Mary Board of Visitors on October 4, 2005. Justice O'Connor succeeds Dr. Henry A. Kissinger, former United States Secretary of State, who was appointed in 2000.

The post of Chancellor has been an important one since the College was

chartered in 1693 by King William III and Queen Mary II of Great Britain. Until 1776, the Chancellor was an English subject—usually the Archbishop of Canterbury or the Bishop of London—who served as the College's advocate to the crown, while a colonial president oversaw the day-to-day activities of the Williamsburg campus. Following the Revolutionary War, George Washington was appointed as the first American chancellor; later President John Tyler held the post.

"Through her remarkable combination of wisdom, courage, judgment, and skill, Justice O'Connor has become one of the most influential and effective jurists in American history," said President Gene R. Nichol. "I am thrilled that she is willing to share her ability and rich experience with William and Mary students. As a former constitutional lawyer, I am also honored to welcome one of my heroes to the College community."

The first woman to serve on the United States Supreme Court, Justice O'Connor was born in El Paso, Texas, on March 26, 1930. She earned a B.A. in economics (magna cum laude) from Stanford University, and went on to receive an LL.B. from Stanford Law

School, where she graduated third in her class. Her classmate, the late Chief Justice William H. Rehnquist, graduated first in the class.

She served as Deputy County Attorney of San Mateo County, California, from 1952 to 1953, and as a civilian attorney for the Quartermaster Market Center, Frankfurt, Germany, from 1954 to 1957. From 1958 to 1960, she practiced law in Maryvale, Arizona, and served as Assistant Attorney General of Arizona from 1965 to 1969. She was appointed to the Arizona State Senate in 1969, and was subsequently reelected to two two-year terms.

In 1975, she was elected Judge of the Maricopa County Superior Court and served until 1979, when she was appointed to the Arizona Court of Appeals.

President Ronald Reagan nominated her as an Associate Justice of the Supreme Court, and she took her seat Sept. 25, 1981. She is married to John Jay O'Connor III, and the couple has three sons: Scott, Brian and Jay.

# Student-Athlete Support

## Athletics Department Goals

We take pride in the many achievements of William and Mary athletes, both in the classroom and on the playing field. These support services and many others are in place to help each student-athlete achieve their goals. It is our hope that at the completion of their undergraduate career they can reflect upon:

1. An academic experience that prepared them for a successful career.
2. An athletic challenge that brought many rewards.
3. A feeling of loyalty and pride in identifying themselves as a varsity athlete with a degree from The College of William and Mary.

### Sports Psychology

Deidre Connelly, Ph.D., is the College's full-time sports psychologist. All consultations are confidential and all student-athletes, teams or coaches are welcome regardless of the issues they wish to discuss. Consultation is available for sport psychology education, performance enhancement skills training, strategies for dealing with stress or injury, or for personal issues that may affect performance.

### Compliance and Academic Support

As members of the Colonial Athletic Association and the NCAA, the College is committed to full compliance with all NCAA and conference regulations. The department has a full-time Director of Compliance, Pamela Mason, who is committed to assisting students, staff and coaches through education and monitoring of compliance issues.

All entering students are assigned to a faculty academic advisor by the director of Academic Advising. Students remain with this advisor until their sophomore year, at which time they select a faculty advisor in their chosen major.

The department offers a variety of study, life and career building skills programs, but holds firm to the concept of self-determination—each student must take responsibility for his or her collegiate experience. Our goal is to assure that there is a support system in place to assist students to make positive and informed decisions.

### Speed, Strength and Conditioning

Tribe Athletics is very proud of the Joseph W. Montgomery Strength Training Center, a 5,000 square foot weight training facility. Under the guidance of the Head Speed, Strength and Conditioning Coach John Sauer, each sport is provided with a program designed to enhance individual strength and flexibility development specific to the skills and movements required for their sport. Individuals are educated on proper lifting techniques and workouts are monitored to ensure safety at all times.

The weight room was upgraded in the spring of 2006, primarily with new Power Lift and Sorinex equipment. The room now contains 16,000 pounds of free weights, over 7,000 pounds of dumbbells and 6,000 pounds of rubber bumper plates. In addition, it has 24 custom-built Olympic platforms, 18 multipurpose power racks and a fully-equipped plyometric area.

### Sports Medicine

The Division of Sports Medicine provides a comprehensive health care program for the department of intercollegiate athletics. The staff consists of Assistant Athletics Director for Health Services, Steve Cole, a team physician, seven full-time certified athletic trainers, two graduate assistant athletic trainers and medical specialists from the local community. The team physician has overall responsibility for supervision of the sports medicine program. Tribe athletes have the luxury of rehabilitating and treating injuries in a state-of-the-art athletic training facility.

The priority for the athletic training staff is to enhance and ensure lines of communication and cooperation among its staff, student-athletes, parents, coaches, the Student Health Center and involved medical specialists.
