PREFACE

This booklet has been prepared to bring together the policies, standards, and regulations affecting the students of the College of William and Mary. Its primary function is to provide the student with a Handbook of ready reference, in order that he may know what is expected of him; for only through an understanding of his responsibilities, his privileges, and his rights can he attain the full social, academic, and extracurricular success that is the aim of his college education.

J. WILFRED LAMBERT
Dean of Students

THE HONOR SYSTEM

HISTORY AND BACKGROUND

The Honor System was established at William and Mary in 1779. The essence of the Honor System is individual responsibility. It assumes that the principles of honorable conduct are familiar and dear to all students; it assumes that every student is deeply concerned with the strict observance of these principles, for his own sake, for the sake of his fellows, and for the sake of the College.

PERSONNEL OF THE HONOR COUNCILS

The Men's Honor Council is composed of three senior representatives, three junior representatives, and two sophomore representatives elected by the men's student body. A Chairman and a Vice-chairman are chosen by the council from among the senior representatives and a Secretary is chosen from among the junior representatives. In the case of a tie-vote for Chairman, Vice-chairman, or Secretary, the outgoing Chairman will cast the deciding vote.

The Women's Honor Council is composed of a Chairman and two additional senior representatives, three junior representatives, and two sophomore representatives elected by the women's student body. A Vice-chairman and a Secretary are chosen by the council from among the senior and junior representatives, respectively. In case of a tie-vote for Vice-chairman or Secretary, the outgoing Chairman will cast the deciding vote.

PRACTICES

Upon matriculation, each student shall sign a statement to the effect that he understands what is expected of him under the Honor System and that infraction of the Honor Code at any time during his student days is punishable by dishonorable dismissal from College. Infractions include cheating, stealing, lying and failure to report an offense. A professor may require the signing of a formal pledge on any work, even though the initial pledge stands as long as the student is enrolled in the College.

All scholastic work, whether it be in the lecture room, the library, the student's room, or elsewhere is under the Honor Code. All cheating, whether in tests, assignments, or examinations, is a violation of the Honor Code. Giving aid to any student or receiving aid from any student, without the consent of the professor, in tests, assignments or examinations is cheating.

The faculty will cooperate in explaining whether or not aid may be given or obtained on a particular assignment.

Physical comfort, as well as usual practice, suggests that students shall occupy alternate seats during an examination. In consideration for others, students should not disturb a class by leaving the examination room except when necessary, or by remaining absent except for a brief period.

Since the student assumes the responsibility for the administration of the Honor System, the College does not practice supervision of examinations by proctors.

REPORTING A BREACH OF HONOR

Any person believing that a breach of the Honor Code has been committed is obligated to exercise one of two alternatives; first, he may challenge the student

accused of the act and offer him the opportunity to resign from the College immediately, or to report himself to the Honor Council (if the accused does not report himself to the Honor Council, the accuser must report the case); second, he may report the suspect directly to any member of the Men's or Women's Honor Councils. A student accused of a breach of the Honor Code shall be entitled to know the charges against him, the evidence given, and to be confronted by the witnesses.

TRIAL OF THE ACCUSED

At the trial of the case, the presiding officer of the Honor Council shall conduct the meeting. Minutes of the trial shall be kept by the Secretary. These minutes shall be the property of the Honor Council, whose duty it shall be to see that they are stored in the College vaults.

At the trial the accused shall be at liberty to say what he chooses in his own defense. A witness called to testify must appear before the Honor Council and must give such testimony pertaining to the case as may be requested by the Council. Lying before the Honor Council is in itself a violation of the Honor Code. The minutes of any trial may be inspected in the presence of two or more members of the Council by persons satisfying the Council of their legitimate interest in the case. In the event that the accused is declared innocent, the minutes of the trial shall be immediately destroyed.

FAILURE TO STAND TRIAL

Should the accused leave the College without appearing before the Honor Council for trial, the accuser shall report the name of the accused and the breach of honor to the presiding officer of the Honor Council. The Honor Council shall then record the facts of the case and advise the President of the College that the student withdrew under suspicion of a breach of honor.

PENALTY FOR A BREACH OF HONOR

A violation of the Honor Code is punishable by dismissal from College. The essential basis of the Honor System is that all honor is indivisible and as such calls for the same treatment; but the penalty may be modified when in the opinion of the Council conclusive reasons for so doing exist.

If after trying a case, six of the seven members of the Council are convinced of the guilt of the accused and shall so cast their votes in a secret ballot, the Honor Council shall immediately report its findings and recommendations to the President of the College.

Penalties shall be imposed promptly, and, in case of dismissal, the President of the College shall have the parents and the Alumni Secretary informed, and shall have the facts recorded on all official records.

RETRIAL OF HONOR CASES

A case may be reopened upon the presentation of new evidence bearing directly on the question of guilt. Persons desiring to reopen a case shall appear before the Honor Council to present such new evidence, and the Council shall determine whether or not this new evidence is sufficiently conclusive to warrant a retrial. Should the case be reopened, it must be entirely retried.

ACADEMIC REGULATIONS

SYSTEM OF GRADING AND QUALITY POINTS

The work of each student in each course in an academic subject is graded A, B, C, D or F. These grades have the following meanings: A, superior; B, good; C, average; D, passing; F, failing. For each semester credit in a course in which a student is graded A he receives 3 quality points; B, 2; and C, 1. F carries no credit and no quality points. D carries credit but no quality points. The work in required physical education is graded S (satisfactory) or F (failed).

In addition to the grades A, B, C, D, and F, the symbols "G", "I", and "X" are used on grade reports and in the College records. "G" indicates that the instructor has deferred reporting the student's grade. "I" indicates that the student has postponed, with the consent of the instructor, the completion of certain required work other than the final examination. "X" indicates absence from the final examination. "I" automatically becomes F at the end of the next semester if the postponed work has not been completed. "X" automatically becomes F at the end of the next semester unless a deferred examination is permitted by the Committee on Academic Status.

GRADE REPORTS

Reports showing the standing of students in their classes are sent to students and to their parents or guardians at the middle and the end of each semester.

DEAN'S LIST

Students who in any semester make thirty-three quality points with at least 3 hours of A and at least 9 hours of B and with no grade below C, in academic subjects, and who do not receive a grade of F in required physical education and who make a quality point average of at least 2.0, are placed on the Dean's List for the following semester and are entitled to special privileges.

GENERAL REQUIREMENTS FOR THE DEGREES OF A.B. AND B.S.

One hundred twenty-four semester credits are required for graduation. Of these one hundred twenty-four semester credits, one hundred twenty must be in academic subjects and four in required physical education. A minimum of one hundred twenty quality points in academic subjects is required.

STUDENT'S PROGRAM

All students, other than graduate and part-time students, are required to carry the normal program of at least fifteen and no more than seventeen semester hours (counting courses in physical education), with the following regular exceptions:

(1) Any student may, with the consent of his adviser, carry eighteen semester hours (counting courses in required physical education).

(2) Seniors who can complete the degree requirements by carrying less than the normal program are permitted to carry as few as twelve semester hours.

(3) Veterans who have received credit for military service and who are not required to take physical education may be permitted to carry as few as fourteen semester hours in each semester of the freshman year.

Further deviations from the normal program, when warranted by special circumstances, will be permitted by the Committee on Academic Status; students desiring this permission should apply in writing to the Dean of Men or the Dean of Women. Only to exceptionally able students, however, will permission to carry more than eighteen semester hours be granted.

CLASSIFICATION OF STUDENTS

A sophomore student must have completed at least twenty-four (24) credits in academic subjects, with at least twenty-four (24) quality points. A junior student must have completed at least fifty-four (54) credits in academic subjects, with at least fifty-four (54) quality points. A senior student expecting to graduate in June must have completed eighty-five (85) credits in academic subjects, with at least eighty-five (85) quality points. The social standing of every student is identical with the academic.

CHANGES IN REGISTRATION

In order to add a course to or drop a course from the program of courses for which they originally registered, men students must make application for such a change to the Dean of Men, and women students, to the Dean of Women. If the application is granted, the dean will then notify the Registrar of the change. The Registrar, in turn, records the change on the student's registration card and informs the instructor or instructors concerned. Unless a course-change has been made in that manner it has no official standing and will not be recognized as valid by the College. After the first two weeks of classes in a semester, the only course-changes which are permitted by the deans are those initiated by the Faculty or by the Administration.

WITHDRAWAL FROM COLLEGE

Students who desire to withdraw from College should apply to the Dean of Men or the Dean of Women for permission to withdraw. The permanent record card of any student who withdraws from College without permission from the proper dean will carry the notation "Withdrew unofficially."

It is the policy of the College to allow appropriate credit to students who withdraw from College during the course of a semester to enter military service. The regulations defining this policy are available on request.

CONTINUANCE IN COLLEGE

A freshman must accomplish for the session at least 14 semester credits in academic subjects and earn at least 10 quality points. During the first semester he must pass at least three semester hours of academic work. An upper classman or an unclassified student must accomplish for the session at least 18 semester

credits in academic subjects with at least 18 quality points. A student who has completed 4 semesters may not continue in College unless he has accumulated at least 36 semester credits in academic subjects and 36 quality points. A student who has not met the requirement pertinent to his status may not register either in the summer session or in the regular session, except by the advice and consent of the Committee on Academic Status. Finally, when a student is not profiting by his stay at College, or whenever his influence is detrimental to the best interest of the College, such a student may be required to withdraw.

A student who has failed to complete the requirements for the degree of Bachelor of Arts or Bachelor of Science within five years of residence in College will be automatically debarred from further attendance at the College; provided, however, that when a student has been permitted to reduce his schedule below that normally required, the total period of residence permitted for the completion of the degree requirements shall be extended in proportion to the reduction permitted. In the application of this regulation, each nine weeks' summer session will be counted as three-fifths of a semester.

ABSENCE FROM CLASSES AND FROM COLLEGE

An educational system centered upon classroom instruction justifies a set of regulations and procedures to aid in assuring satisfactory class attendance. These attendance regulations are designed by the Faculty to limit the number of unnecessary class absences since irregular class attendance jeopardizes the student's progress and detracts both from instruction and from learning. These regulations provide that a large measure of individual responsibility be given to students on the Dean's List and to those in more advanced courses.

Students are expected to keep their registration appointments. Unless excused by the Dean of Men or the Dean of Women, students who fail to present themselves at the appointed time of registration will be placed on *absence probation*.

Students are expected to be present at all their regularly scheduled classroom appointments. All absences in 100 and 200 courses are reported weekly by the instructor to the Dean of Men or the Dean of Women. A warning shall be issued by the dean to any student for whom a total of one unexcused absence per credit hour of a course has been reported, and if a subsequent unexcused absence is reported in that course, the student will be placed on *absence probation*. Any additional unexcused absence in that course will make the student subject to suspension from the College by action of the Committee on Academic Status. The authority for excusing absences from 100 and 200 courses is the Dean of Men or the Dean of Women, who will notify the instructor of all absences so excused.

Students whose attendance, in the opinion of the instructor, becomes unsatisfactory in 300, 400, and 500 courses and in courses in Law, shall be reported to the Dean of Men or the Dean of Women. When such a report has been received, a warning shall be issued by the dean, and if a subsequent unexcused absence be reported in that course, the student will be placed on *absence probation*. Any additional unexcused absence in that course will make the student subject to suspension from the College by action of the Committee on Academic Status. The authority for excusing absences from 300, 400, and 500 courses and from courses in Law is the instructor in the course.

Students, unless on the Deans' List or unless excused by the Dean of Men or

the Dean of Women, who fail to keep their last scheduled classroom appointment in each of their courses preceding and their first scheduled classroom appointment in each of their courses following the Thanksgiving, Christmas, and Spring holiday periods will be placed on *absence probation*.

After the completion of one semester of regular college work beyond the one in which the absence probation was incurred, *absence probation* will be removed. A student placed on *absence probation* under any of the above provisions (whether for absence from a registration appointment, for absence immediately before or after a holiday, or for absence from classes at other time) who, before the absence probation is removed, incurs a second absence probation, shall be subject to suspension from the College by action of the Committee on Academic Status, and if suspended, may not apply for readmission until a full semester has elapsed, but a student readmitted after such suspension shall not be considered as being on *absence probation*.

Attendance regulations, with the exception of registration appointments, do not apply to students on the Deans' List, or to those students who are enrolled in a course for which they will not claim college credit.

EXAMINATIONS

The examinations, given at the end of each semester, take place at the times announced on the examination schedule, which is arranged by the Dean of the Faculty and posted at least two weeks before the beginning of the examination period. Students are required to take all of their examinations at the times scheduled, unless excused on account of illness or other sufficient reason by the Dean of Men or the Dean of Women. Students should present their reasons for an expected absence to the proper dean in advance of the examination. No excuse on the ground of illness will be accepted unless it is approved by the College Physician.

Deferred examinations are provided for students who have been excused by the Dean of Men or the Dean of Women from taking their examinations at the regular time. The deferred examinations for courses in the first semester are given in the fourth week of the second semester; the deferred examinations for courses in the second semester are given during the orientation period in September. Except under very exceptional circumstances students are not permitted to postpone the taking of a deferred examination beyond the first occasion thus regularly provided; and in no case will permission to take a deferred examination be extended beyond a year from the time of the original examination from which the student was absent. The schedule of the deferred examinations, arranged by the Dean of the Faculty, will be posted several days in advance of the time at which they are given, and a copy of this schedule will be mailed to each student who is entitled to take a deferred examination.

SCHOLARSHIPS

All students who hold scholarships must make a quality point average of 1.0, or better, during the first semester to have the award continued for the second semester. Only those students who hold scholarships throughout a full session will be listed with the Scholarship Holders in the catalogue.

PARTICIPATION IN EXTRA-CURRICULAR ACTIVITIES AND ELIGIBILITY FOR CLASS OFFICE

Students are required to pass twenty-four semester credits during the previous year before they may represent the College in athletic contests, inter-collegiate debate, dramatic productions, or other similar extracurricular activities.

No student shall be eligible to hold a class office unless he is a member in good standing of the class which he seeks to represent.

STUDENT EMPLOYMENT

In order that a student may have a balanced program of work and study, the College has set the maximum number of hours of employment at fifteen per week in the case of an average student. For a student who shows superior academic achievement and extreme need, twenty hours per week may be permitted by the Committee on Scholarships and Student Employment upon application to the Director of the Work-Study Plan.

STANDARDS AND RULES OF SOCIAL CONDUCT

GENERAL STATEMENT

Registration as a student at the College of William and Mary implies that the student will familiarize himself with the rules and regulations governing the conduct of students, and that he will abide by such regulations so long as he remains a student at the College.

When students other than day students are permitted to withdraw, or are dropped from the roll, or are suspended, they must forthwith leave Williamsburg and the vicinity. Until this requirement has been fulfilled, they remain subject to the authority of this institution and may be expelled.

The College assumes that men and women of college age are able and willing to maintain standards of self-discipline appropriate to membership in a college community. Therefore, the College purposely refrains from promulgating a rigid code of discipline. However, it reserves the right to take disciplinary measures compatible with its own best interests.

The discipline of the College is vested in the President by the action of the Board of Visitors. Cases involving minor infractions of discipline are handled through the offices of the Dean of Men and the Dean of Women, respectively. Serious infractions are considered by the Discipline Committee, which represents administration, faculty and students. When men and women are jointly involved in misconduct or violation of College regulations, they will be held equally responsible.

Aside from cheating, lying, and stealing, which fall under the Honor System, and infractions of the rules set down by the Women Students' Cooperative Government Association and enforced by the Judicial Committee, the fundamental test for disciplinary action by the College authorities is whether the behavior complained of tends to throw discredit on the name of the College of William and Mary, or to manifest undesirable conduct on the part of the students. The College reserves the right at any time to suspend or dismiss a student whose conduct or academic standing is in its judgment unsatisfactory.

RESIDENCE

All undergraduate students, except those coming daily from their homes, are required to live in the College dormitories. Exceptions to this regulation may be granted by the Dean of Students when good reason for so doing exists.

COLLEGE DINING HALL

All dormitory students who are classified as freshmen or sophomores are required to board in the College Dining Hall. For all other students, boarding in the College Dining Hall is optional.

MARRIAGE

Any minor student who marries without the full knowledge and consent of his or her parents will be required to withdraw. Such consent must be submitted in writing by the parents prior to the marriage.

A student twenty-one years of age or older must give written notice in advance of his or her intention to marry. Failure to do so may result in dismissal from the College.

MANNERS, HABITS OF LIVING

Manners and behavior that would not be tolerated in the student's home cannot be tolerated in the classroom, the dining halls, or the dormitories. The College highly approves of regular habits of living, and these include hours of rising and retiring that are compatible with regular classroom appointments and regular study habits. Long experience has shown a striking correlation between irregular and slovenly habits of living and lack of adequate performance in the classroom. Students are expected to keep their rooms reasonably clean and tidy at all times. It is important that the students' rooms be as presentable as the College grounds, the classrooms, and the dining halls. It is also important that a student's dress and conduct in the dining hall be consistent with that of his home life.

VANDALISM AND DISTURBANCES

In general, the College strongly disapproves of all forms of vandalism and disturbance. Students who deface property or destroy fixtures will be dealt with summarily. The defacement or destruction of state property is a violation of the laws of the Commonwealth of Virginia. Students who through noisiness or other disturbance continually annoy their neighbors will be required to withdraw.

HAZING

Hazing or the subjection of a student to any form of humiliating treatment is forbidden. The hazing of students in a state-supported institution is a violation of the laws of the Commonwealth of Virginia.

ALCOHOLIC BEVERAGES

The College wishes to encourage and to promote the highest standards of group conduct and personal behavior on the part of William and Mary students. Since the College does not believe in the use of alcoholic beverages by students, a statement of policy is necessary in the interests of the College community.

The possession or consumption by William and Mary students or their guests of alcoholic beverages of any kind or alcoholic content anywhere on the campus or in any College building, dormitory, sorority house, or fraternity lodge is prohibited; nor may alcoholic beverages of any kind or content be served or consumed at any dance or other social function given in the name of the College or sponsored by any student organization or group. It shall be the responsibility of the sponsoring student organization or group and its officials to enforce this regulation.

Violation of this regulation may be punished by loss of social privileges, probation, suspension or separation from the College.

AUTOMOBILES

By regulation of the Board of Visitors, students are not allowed to have automobiles, except by special permission, which is to be secured from the President through the Dean of Men. When a student has secured special permission to have or operate an automobile, it is expected that the use of the automobile will be limited to the purposes for which the permission was granted.

Special permission to have automobiles at the College will be granted only in cases of physically handicapped students whose disability makes it necessary that they have access to automobile transportation and in cases of students who can demonstrate that an automobile at the College is essential to necessary part-time employment in Williamsburg.

The automobile regulation will not be applied to married students whose families are residing in Williamsburg or to day students who commute to the College from their homes. Further, students who have been accepted as candidates for the Master's Degree and students who have received the Bachelor's Degree and who are studying for the BCL Degree will be exempt from the regulation. Students exempt from the regulation must, nevertheless, register their cars at the Office of the Dean of Men. All other students, including resident students living off campus in Williamsburg, are subject to the regulation.

Except as noted above, no student shall, while College is in session, maintain or operate a motor vehicle in Williamsburg or vicinity.

Storing or otherwise keeping an automobile in Newport News or Richmond or other places in this area for occasional use is a violation of this regulation.

A student who rides in a car which is used in violation of this regulation will be held equally guilty with the owner or driver.

If a student wishes to bring his luggage to the College in an automobile, that automobile must be returned to his home before 6:00 p.m. of the day preceding the day on which classes begin. A student must not bring an automobile to the College unless he can provide for its removal from Williamsburg and its return to his home by that time.

Candidates for the Bachelor's Degree at the June commencement are granted special permission to bring automobiles to Williamsburg on Friday immediately preceding Commencement day and to keep these automobiles at the College until the conclusion of the session. This special permission does not apply to other students.

Every student who keeps a car within the City of Williamsburg for 60 days or more each year (whether consecutive or not; whether an out of state car or not; whether owned by him in whole or in part or not) must procure annually a City tag and keep it attached to his car while driving on any public street or alley within the corporate limits of the City. The year is from April 1 to March 31. The cost of the tag is \$5.00 for a full year.

Students who violate the automobile regulation will be subject to dismissal from the College.

DORMITORY REGULATIONS

Maintenance of Quiet

Students are expected to maintain quiet in the dormitory at all times. The use of radios and musical instruments must be confined to such hours as the maintenance of quiet dictates. Students are expected to avoid singing, loud talking, or any unnecessary noise.

Windows

There shall be absolutely no talking out of infirmary or dormitory windows by either men or women students.

Damages to Rooms, Furnishings, etc.

Damage to rooms, furnishings, or the corridor adjacent to the student's room will be charged to the occupant. Pictures, maps, papers, penants, etc. may be hung only from the molding and must not be taped or otherwise fastened to the walls. Markings on the walls will be charged for accordingly.

Dogs and Other Pets

For sanitary reasons, dogs and other pets may not be kept in dormitory rooms or in other dormitory spaces.

Firearms and Ammunition

Firearms or ammunition may not be kept in the dormitories or elsewhere on the campus. The use of guns for hunting or target practice is prohibited at any place on the campus or in the College woods.

Students who violate this regulation will be subject to dismissal.

Fireworks

Possession of fireworks or the exploding of fireworks in the dormitories or on the campus is prohibited. The exploding of fireworks within the City is a violation of a Williamsburg City ordinance.

Students who violate this regulation will be subject to dismissal.

Room Furnishings

Double rooms are furnished with two twin beds or one double decker bed, one large or two small study tables, two chairs and one chiffonier to be shared by two students. Single rooms are furnished with a single bed, study table, chair and chiffonier. Under no circumstances are students permitted to move College furniture from one room to another.

Change in Room Assignment

Students are not permitted to change rooms without first obtaining approval from the Dean of Men, or Assistant Dean of Women. Students are given two weeks at the beginning of the semester to become settled in their rooms. Changes after this period will be permitted only after payment of a five dollar room change fee.

Room Keys, Key Deposits

In the case of men, each occupant of a room must secure a key to that room.

The possession of one key for two students is not permitted. The deposit on a key will be refunded only to the original possessor of the key upon vacating his room providing the key is surrendered within one week after the room is vacated. If a student's room assignment is officially changed, he must exchange keys at the Office of the Dean of Men. Exchange of keys between students will result in forfeiture of key deposits.

Overnight Guests in Dormitories

Students desiring to have overnight guests in any one of the dormitories or sorority houses are required to make arrangements in advance with the Assistant Dean of Women or the Dean of Men as the case may be.

All guests must be registered with the hostesses in residence for women students, and with the hostesses or student dormitory managers in the dormitories for men students. Visits of such guests should be limited in length to three days and confined to week-ends. Guests will not be entertained during the periods of examinations.

CLOSING OF DORMITORIES DURING CHRISTMAS AND SPRING RECESSES

At the Christmas and Spring recesses all residences for men and women students close at 12:00 noon on the day following the end of classes, and re-open at noon on the day before the resumption of classes. Under no condition may guests be entertained in the fraternity lodges, sorority houses, or residence halls when the College is not in session. At the end of the session the residences will close at 12:00 noon on the day following graduation exercises. Students may not remain in the residences beyond 12:00 noon on the days specified. Exception will be made for those men who are employed through the College, in which case arrangements must be made with the Dean of Men.

Requests for repairs, etc., are to be made to the hostess or student dormitory manager.

REGULATIONS FOR THE USE OF MATOAKA PARK, INCLUDING THE SHELTER PICNIC AREA AND THE COLLEGE PICNIC GROUNDS

THE AREA

Matoaka Park includes the wooded area of approximately 1200 acres west of the campus, lying between the Jamestown and the Ironbound Roads. In the midst of the park is Lake Matoaka extending from Jamestown Road northward in five branches. Extensive ravines and marshes cover a large portion of the Park and make it unsuitable for unrestricted use; moreover, since the Park is untended, there is considerable fire hazard. For these reasons, only the Matoaka Theatre Area and the Picnic Grounds are open to student use.

The Lake Matoaka theatre and the Matoaka Shelter Picnic Area are located within an enclosed area off Jamestown Road to the east of Lake Matoaka. The College Picnic Grounds are between the tennis courts and the road running behind the Fraternity Lodges. The Shelter Picnic Area and the College Picnic Grounds are open for recreational student use daily until 7:00 p. m. Women students, however, may not at any time enter any part of the College wooded area alone.

REGULATIONS

1. General

The fundamental criterion upon which all rules of deportment at the College are based is whether or not the behavior in question tends to throw discredit on the reputation of the College or to manifest unsuitable conduct. Those same general rules of conduct which govern all social affairs at the College shall be adhered to at all times by all persons in all parts of the College wooded area and picnic grounds. The College regulation concerning the use of intoxicating liquors will apply to these areas. Picnic grounds are regarded as social areas similar to the fraternity lodges.

2. Use of the Matoaka Shelter Picnic Area

Student groups and other College groups (faculty and staff) will have priority for the use of picnic facilities within the Matoaka Park enclosure. When the park is not scheduled for College use, local organizations (religious, civic, etc.) may be permitted to use the picnic facilities. The area is available for the scheduling of picnics by students and other College groups from the date College opens in September to November 15, and from April 15 to June 1. During the summer session, when the Jamestown Corporation is producing a play in the Matoaka Theatre, picnics will not be scheduled. The picnic facilities in the enclosed area will be reserved during this period for patrons attending the play.

Permission to use the Matoaka Shelter Picnic Area must be obtained in advance through application to the Dean of Students. Chaperones are necessary.

3. Use of the College Picnic Grounds

Students may use the picnic facilities in this area (between the tennis courts and the road running behind the Fraternity Lodges) without advance scheduling. Chaperones are not necessary.

4. Hours

In general, the picnic areas are open for student recreational use until 7:00 p. m. daily. From time to time, especially in certain seasons, other closing times may be posted.

5. Picnicking and Fires

Picnicking shall be confined to the areas designated for this purpose. Fires are prohibited except at locations where fireplaces or ovens have been provided. Trash from picnics must be deposited in receptacles provided for this purpose. The cutting of flowers and foliage is prohibited.

6. Firearms

The use of or the possession of firearms for hunting, target practices, or other purposes is prohibited at all places throughout the park area. Violators of this regulation are subject to prosecution at law.

7. Fishing and Swimming

Matoaka Park, including Lake Matoaka, has been designated as a state game and fish sanctuary.

Swimming in Lake Matoaka is prohibited for the reasons that the water purity is below minimum standards required by the Department of Public Health and the extensive undergrowth in the lake bottom makes swimming hazardous.

MISCELLANEOUS REGULATIONS

LIBRARY

The principles of the Honor System are to be observed in the Library. The removal of books from the Library or from the Reserve Book Room by other than established methods is considered an offense similar to the theft of other property on the campus. Lying or any form of deceit in regard to the use of the reserved books or to the borrowing of books is considered an infraction of the Honor System and will be reported to the Honor Councils.

In accordance with the Honor System, the open stack method prevails in the Library. Students are privileged to go freely to the stack rooms to select the books they need or to browse at leisure. A student may borrow from the general collection as many books at one time as he wishes.

The Student Government of the College requires that a student refrain from unnecessary and loud talking in the Library rooms.

All books borrowed from the Library except reserved books should be charged at the circulation desk. If necessary, a book may be recalled by the Librarian at any time.

Most books circulate for two weeks subject to a fine of two cents a day after that time. Library fines unpaid after a month's duration are reported to the Dean of Students.

Books which are on reserve may be borrowed from the Library at 9:00 p. m. to be returned by 9:15 a. m. the next morning; or 5:00 p. m. Saturday, to be returned by 2:30 p. m. Sunday. A fine of twenty-five cents for each book will be charged if it is not returned on time and an additional charge of five cents an hour until it is returned.

Current numbers of periodicals may be borrowed from the Library on the same schedule as books on reserve; however, the fine for the late return of periodicals is double that of books on reserve (fifty cents for each periodical not returned on time and ten cents an hour for each additional hour until it is returned to the Periodical Desk). Not more than three periodicals or three issues of a single periodical may be borrowed by one person overnight.

Books in the reference department may not be taken from the Library at any time.

The Library is open week days from 8:00 a. m. to 5:30 p. m. and from 6:30 p. m. to 10:00 p. m.; on Saturdays from 8:00 a. m. to 5:00 p. m.; and on Sundays from 2:00 p. m. to 5:00 p. m. and from 7:00 p. m. to 10:00 p. m.

STUDENT HEALTH SERVICE

The purpose of the Health Service is fourfold:—(1) improvement of the health of the students; (2) prevention of diseases; (3) supervision of campus sanitation, which includes inspection of sanitary conditions of cafeterias, dining halls, dormitories, swimming pools, periodic examination of all food handlers in college eating places, inspection and analysis of college water and milk supplies etc.; and (4) instruction of students in matters essential to healthful living.

The Health Service is housed in the David King Infirmary, a modern, fireproof

building containing out-patient clinic, dispensary and waiting rooms, diet kitchens, nurses' quarters, and eighty-bed infirmary.

A health certificate is required of all entering students. During each semester, each student is entitled to the use of the Medical Service. The medical services are as follows:

1. Medical care in the Health Service clinic for minor and incipient illness and accidents. Necessary staple drugs and dressings are included.
2. Health consultation service with the medical staff or with college health consultants.
3. Special medical examinations for certification of students, which is required for participation in intercollegiate athletics and other forms of strenuous activity.
4. A medical examination, by the college physician, of all freshmen and transfer students and for reinstatement following withdrawal for illness or other cause. Recommendations to the Physical Education Department and to faculty advisers are then made regarding the physical condition of the student thus enabling him to arrange his program within his physical capacities.
5. Hospitalization in the Health Service infirmary for a limited period, for minor and incipient illness when bed care is advised by the college physician. The College does not, however, assume the cost of special nurses, consulting physicians, surgical operations, x-ray or laboratory tests, care in other hospitals, or special medications. Meals are charged the student at the prevailing Dining Hall rate.

The College Health Service affords the student general medical treatment and bed care in the Infirmary for a period up to three weeks for minor and incipient illness and accidents. Staple drugs are supplied without additional charge. Isolation and care for common communicable diseases are provided.

The Infirmary is open and a nurse is on duty twenty-four hours each day. The doctor is on call twenty-four hours each day. The following hours have been established for out-patients:

Nurse's Hours:

7:30 a. m. to 10:00 a. m.
12:30 p. m. to 2:30 p. m.
6:00 p. m. to 8:00 p. m.

Doctor's Hours:

8:30 a. m. to 10:15 a. m.
6:30 p. m. to 7:30 p. m.

COLLEGE DINING HALL

All dormitory students who are classified academically as freshmen or sophomores are required to board in the College Dining Hall. Meal tickets are not transferrable and may be used only by the person to whom issued.

The hours of the Main Dining Hall are:

Breakfast—7:00 to 8:30 a. m.
Lunch—11:45 a. m. to 1:30 p. m.
Dinner—5:00 to 6:30 p. m.

Short order service is provided in the Wigwam from 7:00 a. m. to 10:30 p. m.

USE OF THE COLLEGE NAME

The name of the College cannot be used in connection with any organization or activity without the consent of the College.

Permission for persons associated with the College to give a public performance must be obtained from the President. The use of rooms in College buildings for displaying samples and goods for sale is not permitted. The name of the College is not to be used in connection with any organization or activity without the consent of the College.

STUDENT GOVERNMENT REGULATIONS

GENERAL

The Constitution of the Student Body of the College of William and Mary provides for a Senate and Assembly whose powers extend to all students activities common to both men and women. A separate organization, the Women Students' Co-operative Government Association deals with the student activities which concern the women solely. These two organizations co-operate with the College in administering the regulations which govern student life.

A general Co-operative Committee consisting of students, members of the faculty and administrative officers, serves as a clearing house for matters of general concern to the entire College.

STUDENT ELECTIONS

Article V of the By-Laws of the Student Assembly sets forth the procedure to be followed in the conduct of the Student Elections and describes the qualifications for office. (See Appendix)

ACTIVITIES OF CLUBS

Regulations governing the activities of clubs are set forth in Article VII of the By-Laws of the Student Assembly. (See Appendix)

FRESHMAN RULES

Freshman ("duc") rules are stated in Article X of the By-Laws of the Student Assembly. (See Appendix)

COLLEGE REGULATIONS WHICH APPLY TO FRATERNITIES AND SORORITIES

SOCIAL RULES

A proposed calendar of events planned by a fraternity or a sorority during each semester must be submitted to the Dean of Students prior to the opening of the semester. This proposed calendar should include dates of regular meetings, pledgings and initiations, as well as dates of parties, dances, serenades, receptions, and other social events contemplated by the group. The proposed calendar will be reviewed by the Dean of Students, who will return an approved calendar to the fraternity or sorority.

(a) No more than three dances or parties may be held by a fraternity or a sorority during the session and not more than two such parties can be held during any semester. For the purpose of these regulations, a party is defined as a dance, dinner (attended by both men and women students), or dinner dance. No more than one reception may be held during each semester.

(b) No more than one picnic or one hay ride may be held by a fraternity or a sorority during a semester.

Parties or dances are not permitted to be held off campus except at the Williamsburg Lodge, the Williamsburg Inn, the King and Kay Tea House, Ivy House or Thieme's Tea Room.

No dance, party, or student event may be scheduled unless a request is made at least three days prior to the day of the party. Three days' notice must be given for cancellation of a scheduled event by the fraternity, the sorority or the Dean of Students. Before a dance, party, picnic (for regulations pertaining to picnics see pages 17-18 of this Handbook), or other social event is held, a complete list of chaperones and guests must be submitted to the Office of the Assistant Dean of Women before noon on the day of the party. Chaperones must be persons associated with the College, and must be married couples or a man and a woman.

Parties may be held on Friday or Saturday nights only, except on special occasions specifically approved. No parties will be allowed on Saturday nights when College dances are scheduled. Fraternity and Sorority activities will not be scheduled in conflict with College convocations, lectures, plays, musical events, and similar College functions.

This schedule must be submitted no later than one week prior to the date formal rushing begins.

During the hours from 3:00 p. m. to 6:00 p. m., Mondays through Fridays,

RUSHING RULES FOR MEN

Rushing shall be prohibited during the summer vacation. This is to include any rushing activity undertaken by a national organization or by alumni with the knowledge and consent of the William and Mary Chapter.

Rushing of students shall be prohibited from the opening of the first semester to the beginning of the formal rushing period. (For further details see the By-Laws of Interfraternity Council, Article I. section 3, in Appendix.)

Formal rushing regulations are as follows:

Registration of all male students interested in joining a fraternity will be held during the first week in November, the place to be designated by the council. Registration fee will be \$1 and will cover registration requirements through the school year. Male students will not be placed on the rushing eligibility list unless registered.

Formal rushing shall begin at 12:00 noon on the first Tuesday following the date on which Autumn mid-semester grades are due at the Office of the Registrar. Rushing shall be limited from 12:00 noon until 12:00 midnight each day of rush week, Tuesday through Friday. The first day, Tuesday, will serve to allow members and rushees to become better acquainted, no binding commitments being made to any particular fraternity. From 12:00 noon Wednesday until 12:00 midnight Friday, within rushing hours rushees will be allowed to make commitments; formal invitations to join a fraternity will be sent out Saturday morning. Rushees shall signify their acceptance by reporting to the fraternity's lodge Saturday afternoon.

Total rushing expenses shall not exceed \$125 per fraternity. An itemized account shall be submitted to the President of the Council not later than noon on Saturday of rush week. None of the rush parties shall be conducted as an open house; attendance shall be by invitation.

Each fraternity, at the conclusion of each night of rush week, shall make up eleven lists of the rushees who pledged during the night and/or those who may have broken their previous pledges. These lists shall be immediately submitted to the I. F. C. president for distribution to the other fraternities. A violation of this procedure will constitute "dirty rushing." Fraternities will not send invitations to those rushees who have been "shaken" by other fraternities.

Eligibility for rushing is as follows:

A student must pass a minimum of nine (9) semester hours and have a quality point average of .50 on mid-term grades to be eligible to be rushed. A rushee must be a regularly enrolled student of the College of William and Mary.

The eligibility of new students (freshmen and transfers) entering during the first semester shall be determined by the mid-semester grades of the first semester and the final grades (second list).

The eligibility of new students (freshmen and transfers) entering during the second semester shall be determined by the midterm grades of the second semester.

They shall be ineligible for any rushing until the Monday following publication of the third ineligibility list (q. v.). The eligibility of upperclassmen shall be determined on the basis of their grades on the report issued immediately before the publication of the list of ineligible men.

Men ineligible on the basis of one ineligibility list remain ineligible until the appearance of a later list.

Eligibility for initiation is as follows:

To be eligible for initiation a pledge must have been in residence at the College of William and Mary in Williamsburg a minimum of one semester, and;

He must have passed a minimum of twelve (12) semester hours which may include physical education, and have a quality point average of .64 during the semester preceding the one in which he is to be initiated.

The procedure for depledging is:

Any man depledged by a fraternity for reasons other than scholarship is ineligible to be pledged by any fraternity for a period of one year.

Any pledge failing to meet the academic requirements for initiation by the end of the second semester following the semester in which pledged is automatically depledged. At such time as he meets these academic requirements he is eligible for repledging by any fraternity.

The president of the fraternity depledging a student shall notify the Secretary-Treasurer of this Council of the name of the student and the date of the termination of his pledge.

A pledge will be considered depledged on the date that the Secretary receives notification.

The trial procedure for a violation of these rushing rules is set forth in Article VIII of the By-Laws of the Interfraternity Council in the appendix.

RUSHING RULES FOR WOMEN

There shall be open association of freshmen and transfers with sorority women except during a prescribed period to be announced, when there shall be no association. The following exceptions must be observed on or off campus:

- (a) There is to be no sorority talk by any woman with the exception of two days when there may be sorority talk during rushing hours. Information about each sorority will be available at the respective houses when formal rushing begins, and in booklets which will be given out at the mass meeting. Literature, publications and periodicals of the sororities will also be available at all times in the College Library.
- (b) Absolutely no money shall be spent on freshmen or transfers or gifts sent to them by sorority women; nor shall freshmen or transfers spend money on sorority women or send them gifts.
- (c) New women are not allowed in sorority houses until formal rushing begins with the exception of the open house.

Town women and alumnae shall be under the same rules as all other freshmen, transfers, and sorority women at all times.

Sponsors, who are sorority women will be under the same restrictions as all other sorority women.

Sorority women may wear their pins at all times.

There shall be no pledging or bidding of any student, freshman, transfer, or old student during the period beginning with the last class of winter school session until the Pan-Hellenic pledge day terminating formal rushing. Repledging and initiation of women may take place at any time according to the discretion of the individual sorority with the approval of the administration.

There shall be no association of freshmen and transfers with sorority women during the prescribed period outside set rushing hours. There shall be no sorority talk during the rush period by any sorority woman, patroness, or alumna with the exception of the two-day period when there may be sorority talk during rushing hours. "Sewing up" at any time before the end of rushing is sorority talk. Scrapbooks and publications may be used. Songs may be sung. Rushing shall be confined to the William and Mary campus. Transportation shall be arranged by the rushee. There shall be no outside entertainment at the rushing parties or at the open house, and no men may attend either the parties or the open house, or be in evidence in the house during any time rushing is going on in the houses. No sorority may request men to rush for them.

The Council has fixed sixty dollars as the maximum sum for each sorority to spend on rushing. This includes all foods, favors, invitations, and any other expense incurred by the entertainment. There shall be no contributions of any sort by sorority women, their parents, friends, alumnae or patronesses. The amount in excess of ten dollars in payment for the histories must be deducted from the sixty dollar maximum. Note paper and cigarettes will not be deducted from the sixty dollars.

If a freshman or transfer cannot accept an invitation she must notify the sorority inviting her on receipt of the invitation. If she does not decline the invitation and does not go to the house, she will probably be dropped by that sorority. Declinations are to be made by telephone or by note in the sorority box in Barrett Hall.

COLLEGE POLICY APPLICABLE TO THE FRATERNITY LODGES

The College has constructed eleven fraternity lodges, financed with endowment funds. These lodges afford comfortable and pleasant accommodations where fraternity men may hold their meetings and social affairs.

Fraternities rent these lodges from the College on an annual permit basis. The permits are renewable so long as the fraternity maintains a sound financial condition and conforms to College rules and regulations and the terms of the permit, and they may be cancelled by the College when a fraternity violates any of the permit conditions. Fraternities may use the lodges only during each regular session, but they may sublet during the summer to tenants approved by the College. Rentals paid by students living in a lodge are applied toward the annual lodge rental paid by the fraternity.

The following College policy is applicable to the fraternity lodges:

1. The College has assumed the responsibility for providing the fraternities with lodges at a reasonable cost. It is the responsibility of the College both to protect the corpus of its funds invested in the fraternity housing project and to encourage the fraternities to maintain a sound financial condition.
2. It is the responsibility of the fraternity to maintain a financial position that will provide adequate protection for the funds advanced by the College for housing and at the same time enable the fraternity to maintain its individual standing and the reputation of the fraternity system as a whole.
3. It is the responsibility of the fraternity to protect the property of the College and to maintain such standards of housekeeping as will provide the proper environment for gracious living.
4. It is the responsibility of the fraternity to conform to all social rules as may be established by the College for its well-being.

The general social regulations which govern the use of lodges for social affairs are found on pages 23-24.

HONOR COUNCIL PROCEDURE

RIGHTS OF ACCUSED

The accused shall have the following rights in the event he elects to stand trial:

- (1) A right that the charges against him be reduced to writing and served on him personally by some member of the Honor Council before trial. If these charges are so vague or indefinite as not to fairly apprise the accused of the charge or charges against him he may ask for a more definite statement as to time, place, and any other particulars relevant to the case which shall then be furnished him promptly and in advance of the trial.
- (2) A right to a written statement of his rights and duties with respect to the trial, and the procedure thereof. This shall be given him at the same time he is served with notice of the charge or charges against him.
- (3) A right to have the opportunity to seek the advice of his parents, teachers, or spiritual advisor, and that matters told in confidence not be disclosed.
- (4) A right to a trial at a proper time and place. In general the trial should not be held with undue haste, nor, on the other hand, should it be postponed unnecessarily. Trials should not be held for too long periods of time without recess, or at unseemly hours. In general there should be a recess every two hours, and no trial should continue past midnight though members of the Council, if they so desire, may deliberate until a majority ask that proceedings be recessed.
- (5) A right to summon witnesses and to testify in his own behalf, but the number of character witnesses, if any, may be reasonably limited by the Council.
- (6) A right to be confronted with the witnesses, and to question them.
- (7) A right that he not be tried for one offense, e.g. cheating, and convicted on another, e.g. lying before the Council, without the same opportunity to defend himself against any other charge.
- (8) A right that his or her husband or wife, or brother or sister of the full blood or of the half blood or by legal adoption, not testify against him.
- (9) A right to request the President of the College to review a finding of guilt and the propriety of the penalty. This right must be exercised promptly after notification of the accused by the President of the College or his administrative assistants of the penalty. The request should be made in writing and should state clearly the reasons relied upon for reversal or modification. The accused shall not attend classes or take part in any College function while his request is under consideration.
- (10) A right to elect to be tried separately where he is one of two or more accused of a joint violation. If none of those accused jointly of an alleged joint offense request separate trials they may be tried jointly or separately as the Council deems best.
- (11) A right, even though guilty, to present evidence of extenuating circumstances.
- (12) A right in event of acquittal in a separate trial, that the minutes and re-

cordings of his trial be destroyed promptly after the expiration of two weeks from the time he is notified of his acquittal. A verdict of acquittal is not final during this period and the case may be re-opened for good cause shown at the request of any party in interest. If so re-opened it is to be regarded as a continuation of the original case.

- (13) A right to an acquittal unless at least six out of seven of the Council believe that the charge or charges against him have been proved beyond any reasonable doubt.
- (14) A right to ask any member of the Honor Council who will not be a witness, (except the Chairman) to be his counsellor. If the accused does not wish such a counsellor then the Chairman shall direct one member of the council to withdraw from the council so far as the trial of that particular case is concerned, to the end that the accused be tried by a council of seven. If the accused does request a counsellor, the duties of such counsellor shall be as follows:
 - (a) To explain to the accused his rights and duties.
 - (b) To investigate the charges to determine whether or not any violation of the Honor Code is charged, to investigate the facts, and to counsel the accused as to the best way to present any honest defense or mitigating circumstances, but the counsellor shall not himself advise the accused as to whether or not he should plead guilty or not guilty, as that decision must be made by the accused himself.
 - (c) During the trial to question the accused and all witnesses if he thinks such questioning may be helpful in presenting the case of the accused in the best possible way, but he shall have no right to argue the case of the accused before the council or to participate in the deliberation of the Council; and this last for the purpose of avoiding the appearance of having one member of the Council defending and seven members prosecuting.
 - (d) Not to disclose to anyone any matter relevant to the case that has come to him in his capacity as counsellor unless expressly requested to do so by the accused himself.

DUTIES OF ACCUSED

If he elects to stand trial, the accused shall be under the following duties:

- (1) A general duty to co-operate reasonably with the Council in conducting the trial and bringing it to a close without undue delay.
- (2) A duty to answer all relevant questions frankly, fully, and honestly unless such answers would tend to expose him to the probability of a criminal prosecution in which case the accused if he does not wish to answer, shall so state, but any such refusal to answer may be considered by the Council in determining the issue of guilt or innocence.

RIGHTS OF ACCUSER

- (1) An accuser shall have the right to be present at the trial, if he so desires, so that he can satisfy himself that his complaint has been properly heard and considered. He shall take no part in the trial unless called as a witness.

- (2) He shall have a right to be advised of the final decision.
- (3) He shall have a right that neither his person nor his property shall be insulted, molested, threatened, or damaged because of his part in the trial.

CONDUCT OF TRIAL

- (1) Every trial shall be conducted by a council of seven members. Should some of the regular members be unavailable the Chairman, with the advice of the members who are available, may appoint any member of the student body as a temporary member of the Council. In the absence of the Chairman the Vice Chairman shall perform all the functions that would otherwise be performed by the Chairman. In the absence of both the Chairman and Vice Chairman the remaining members shall elect an acting chairman.
- (2) The Chairman of the Council shall preside.
- (3) The accused and all witnesses shall be reminded that lying in an Honor Council trial is itself a violation of the Honor Code.
- (4) The questioning of the accused and all witnesses shall be done by the Chairman. When he is through questioning, each member of the Council shall be given the privilege of asking additional questions. Then the accused may ask the witnesses any questions he wishes to ask. When he is through, the witnesses may be asked additional questions by any member of the Council. Then the accused may ask additional questions, and so on, until all parties are satisfied for the time being that the witnesses can furnish no further information. Hearsay evidence may be heard in the discretion of the Chairman when some useful purpose may be served thereby and there is some guarantee of its reliability. The chairman shall pass on all questions raised as to relevancy of proffered evidence, and where no unfairness is likely to result, may depart from the order of procedure set forth above.
- (5) Where the evidence consists in whole or in part of written work or other exhibits, the accused shall be permitted to examine them during the course of the trial.
- (6) Witnesses may be recalled in the light of new or unexpected developments.
- (7) No trial shall be held on Sunday or on any religious holiday in the event that anyone connected with the trial objects in good faith to its being so held.
- (8) The accused shall not have a right to be represented by counsel unless in the opinion of the majority of the Council he is incapable of properly presenting any defense he may have. In such a case some other student approved by the accused and the Dean of Men or Dean of Women may act for the accused.
- (9) Any student who in the opinion of the Council refuses to testify frankly and fully shall be reported to the Chairman of the Discipline Committee of the College.
- (10) If six or more of the seven members of the Council participating in a trial shall believe the accused guilty beyond a reasonable doubt he shall be deemed guilty as charged; otherwise he shall be acquitted.
- (11) The Council after having found an accused guilty shall by two-thirds ($\frac{2}{3}$)

vote of the Council recommend the penalty which normally shall be dismissal from the College. If two-thirds ($\frac{2}{3}$) or more of the Council believe that there are extenuating circumstances of an exceptional nature and wish to recommend a less severe penalty, they shall put that recommendation in writing along with the alleged extenuating circumstances. In determining guilt or penalty it is not proper to consider extraneous matters not brought out at the trial.

- (12) If the finding be one of guilt, that fact shall be reported in writing through the appropriate Dean to the President of the College along with the recommended penalty and alleged exceptional extenuating circumstances (if any). The accused should be notified only of the finding of his guilt, and told that the President will in due course notify him of the penalty. The accuser shall also be given notice in writing that the accused has been found guilty.
- (13) If the finding be one of innocence that fact shall be reported in writing to the appropriate Dean. The accused should be notified of that finding and cautioned that the trial may be re-opened for good cause within a period of two weeks at the request of any interested person. The accuser shall be given notice in writing that the accused has been acquitted.
- (14) At the request of the accused, or of the parent or guardian of the accused, an observer acceptable to the President of the College shall be permitted to be present during the trial. The College in such an event may also designate a suitable person to act as an observer. Observers, unless called as witnesses, shall take no part in the proceedings and shall not be present during the deliberations of the Council.
- (15) The secretary of the Council shall take and keep minutes of the proceedings. Recording devices may be used if they are under the control of the Council.
- (16) If the accused is acquitted the minutes and recordings of the meeting shall be kept for at least two weeks and shall be destroyed immediately thereafter unless the case has been re-opened for good cause.
- (17) The minutes of any trial may be inspected by the President of the College or his administrative assistants. Others may inspect the minutes in the presence of two or more members of the Council after having first satisfied the Council of their legitimate interest in the case. The recommendations of the Council as to the penalty shall become a part of the minutes from and after the notification of the accused by the President of the College of the penalty imposed and not before.
- (18) Any member of the Council who is an accuser or a witness in a case, is automatically disqualified. A member may also disqualify himself in any case because of interest, bias, close relationship to the accused or to the accuser, or for any other good reason.
- (19) No member of the Council shall communicate in any way with any person not a member of the Council about any case while that case is being tried. After trial, except under unusual circumstances, both discretion and good taste require continued secrecy.
- (20) A failure to follow any of the above stated rules shall not be grounds for a

mistrial where there is no reasonable doubt about the guilt of the accused and the propriety of the penalty finally imposed.

RE-OPENING CASES

No case shall be re-opened after the expiration of two weeks from its completion before the Council except for newly discovered evidence provided that the availability of such evidence was unknown at the time of the trial by the party seeking to re-open the case, and provided further that such evidence in the opinion of the majority of the Council would be apt to change the result of the original trial. In such cases either the accuser, the College, or the accused may ask that the case be re-opened. If a case is re-opened after the expiration of two weeks from its completion before the Council it shall be tried anew.

STALE CASES

Any breach of honor alleged to have been committed more than four months before complaint shall be disregarded unless at least two-thirds of the Council believe there has been just cause for delay and that it is still feasible to hold a fair trial.

INVESTIGATIONS OF ALLEGED DISHONORABLE PRACTICES

- (1) Whenever, in the opinion of the President of the Council, or a majority thereof, evidence of probable dishonorable practices should be sought and impounded, and there are reasonable grounds to suppose that such evidence may be found in a particular place, any member of the Council when accompanied by an administrative official of the College or a member of the faculty of the College above the rank of instructor, may enter any room or building within the jurisdiction of the College in search of such evidence, and if found, may impound the same for such period of time as shall be necessary for investigation and trial.
- (2) Whenever it is brought to the attention of the Council that there is reason to believe that practices by students in violation of the Honor Code are suspected it shall be the duty of the Council or Councils affected to hold a meeting or meetings for investigative purposes and to summon witnesses who shall be required to disclose to the Council any information requested that is relevant and within their knowledge.

PUBLIC NOTICE OF ACTIONS TAKEN

After the expiration of two weeks from the completion of any case the Councils shall cause to be posted on the Library Bulletin Board notices of the charge for which an accused was tried whether found guilty or acquitted, and the penalty, if any, that was imposed. A copy of this notice shall also be sent to the Editor of the Flat Hat along with a request that it be printed in a conspicuous place in that paper. The notice shall make no mention of any names.

Article VIII—IFC Trial Procedure for the Violation of Rushing Rules

I—Presentation of charges

- a. In writing as provided by the IFC constitution.
- b. Signed by the party who is the accuser and presented at an official meeting of the IFC.

II—Charges

- a. Only those charges specifically stated may be presented at the trial, thereby enabling the defense to prepare accordingly.
- b. Any additional charges must be presented in writing according to part I and an additional period, the length of which shall be determined by the President of the IFC, must be provided so that the defendant may prepare accordingly.

III—Date or Trial

- a. The trial shall take place seven days after the presentation of the charges, unless the President of the IFC, the plaintiff and the defendant agree on some other date.

IV—Conduct of Trial

- a. The President of the IFC shall preside at the trial.
 - (1) Accuser shall choose his own prosecutor.
- b. A record of the trial along with summaries of the testimonies shall be made up so that the following may receive a copy, if they so desire:

c. The IFC shall keep a copy of the trial record along with the summaries of the testimonies so that in the future, the trials may be facilitated and a more improved trial procedure may be attained.

d. The witnesses and anyone else taking the stand are bound by the principles of the Honor System and in case of perjury, the summary of the testimony as made from the witness stand may be introduced as evidence against the defendant at the Honor Council trial.

e. The plaintiff may call as many witnesses as he deems necessary to present his case. The defendant may do the same, when the prosecution has completed its presentation. Since the testimonies of the witnesses are bound by the honor system, the use of character witnesses is unnecessary.

f. No witness may be kept on the stand for more than a thirty minute interval but may be called back to the stand after a respite, the length of which shall be at the discretion of the president of the IFC.

g. Witnesses may be cross-examined by the entire body after the individual representing the opposition has done his cross-examining.

h. The prosecution will be heard first in the presentation of the case and will be heard last in the summation.

V.—Verdict

a. Following the summation by both parties a vote shall be taken to determine whether or not the defendant fraternity is guilty or not. No discussion shall precede this vote and a two-thirds vote of the representatives of the fraternities present shall be necessary for a verdict of guilty.

b. The ballot shall be closed and destroyed before anyone other than the president and secretary of the IFC have seen and tabulated it.

VI—Penalty

a. If a verdict of guilty is rendered, the prosecution shall move for a certain penalty and then a vote shall be taken. The penalty shall be decided by a two-thirds vote of the members, excluding the member on trial.

b. If the penalty of the prosecution is not approved, the body shall discuss the matter openly on the floor until several concrete suggestions have been made, when the body shall again vote exactly as in the manner provided for in part a.

c. The charge, the verdict and the penalty shall appear in the subsequent 3 issues of the *Flat Hat*.
