CHICAGO-Chicago Coin Machine Company, this city, released its first five-ball amusement game in seven months this past week and executives of the firm advised all their distributors that the first production run of the game, "Pin Bowler," was already well under way.

The game is the conventional type five-ball and is based on the type games for which the firm has become very well known thruout the industry.

They are combining sports play plus high score action in "Pin Bowler" as they did in the other fiveball amusements they built months

The "Pin Bowler." features the sport of bowling, which firm had featured with its series of famed rebound games. The player gets 10 points for a spare and 20 points for a strike.

There are four ways to win on "Pin Bowler," which features all the latest improvements to be found in the five-ball amusement games, such as thumper-bumpers, flippers, etc.

Following up on their sports theme, it is believed here by many distribs who visited the factory and saw this new five-ball amusement game, "That the players will be completely familiar with the action of 'Pin Bowler' and will find the game to their liking. It combines the sporting play of bowling, plus high score, and other ways to win.

"It's one game," these distribs stated, "which will definitely fill a need in every territory."

There is much activity thruout the Chicago Coin factory over "Pin Bowler" which followed the firm's latest bowling game hit, "Bowling Classic," and is the very first fiveball amusement game the firm has been able to get into production for the past seven months.

Pictured above are a group of the firm's distributors who recently visited the factory to get first hand information on its play features: (1 to r); Jack Gorlick, J. Bally Steps Up Production On "Turf King" To Meet Demand

Reports From Field Indicate Income **Exceeds All Past Games**

JACK NELSON

CHICAGO-With orders for its new jumbo sized pinball game "Turf King" piling into the factory in enormous quantities, officials of Bally Manufacturing Company, this city, state that they have converted more facilities to the production of this game to maintain prompt shipments.

According to Jack Nelson, Bally general sales manager, reports on "Turf King" from various sections of the country attest to the unusual success it has encountered, and al-

most unanimously these reports tell the story of week after week after week of increased operating income

Nelson pointed out a few reasons why he believed "Turf King" was making such an outstanding record in the pinball field. "First of all," he said, "'Turf King' was designed to attract all types of amusement seeking individuals. To help do this, Bally engineers put special emphasis in select and better the said of the said o sis in color and design of the backglass and playfield. Many hours of careful study were expended, many sketches were re-vamped and revamped before the final backglass design was approved. And the same kind of effort was put into the playfield and cabinet design. Then, with all the new skill features, such as 'Player's Choice Buttons,' and the many other new play-compelling features that attract all types of players," Nelson said, "it is little wonder that "Turf King' has been getting such tremendous play."

Nelson further reported that the firm's distributors are phoning in continually telling of their customer's success with the game on location, and demanding more and more games to fill orders

EASTERN FLASHES

Here we go into the Fourth of July Week-end, and a long one at that. Operators crowding up Tenth Avenue, getting all set for week-end biz, particularly those with equipment at shore and resort locations. Weather has been exceptionally fine all week, and forecasts predict "great" week-end. All this means that the city locations will sluff off a bit, with seashore and country spots getting large crowds of vacationers. A good break will be happily welcomed by these ops as the past month's weather has been terrible.

Ben Becker, Bally's special representative, and Perry Lowengrub, Runyon Sales Company salesman, leave Wednesday for the Jersey shore resorts. They will spend a week traveling the area, returning home for the holiday. Becker, who is expecting to welcome a daughter (?) any moment, might have to hurry home before that time. Ben tells us he, Art Garvey, Bally regional representative and Paul Calameri, factory engineer, had a great time at Si Redd's Springfield, Mass. opening party, with plenty of Bally equipment sold. . . Bill Runge, Jersey Automatic Music, Cliffside Park, N.J., down on coinrow buying phonos. . . So was Harry Greenberg of Highland Falls, N. Y. . . Al Simon, Albert Simon, Inc., out on the road seeing his customers on Chicago Coin's new fiveball "Pin Bowler." . . Mike Munves, still rushed, getting to a point where he could use a long rest. Best he can do is take the Missus for a four-day holiday to the mountains. Mrs. Munves refuses to go anywhere near a seashore, claiming there's always arcades around, and Mike spends most of his time with his friends discussing business.

Jack Mitnick, regional representative for AMI, and John Haddock, president of the phono manufacturing firm in town. They had spent several days in Canada. Mitnick remains here over the 4th, and then out to the midwest. Jack returned with several Canadian One Dollar bills. When he offered one to his four year old grandson, the kid refused to accept it, claiming it wasn't money, just colored paper. . . . Barney (Shugy) Sugerman, Runyon's prexy, concerned over the serious illness of his brother-in-law on the West Coast. Molly Sugerman ready to fly out any minute, which will leave Shugy a bachelor over the holidays. . . . John Fitzgerald, New Haven, Conn. coinman, visits along coinrow. . . . Larry Serlin leaving this week for a vacation in Miami with his family. . . . Bob Charles, Binghamton Amusement Co., Binghamton, N. Y., visits with Runyon execs. . . . They're so busy at Koeppel Distributing Company, that after a brief chat with Hymie Koeppel, who was crating phonos for shipment, he couldn't continue. Seems that while relaxing the muscles in his forearm tightened up. Too much continuous work we imagine. Harry Koeppel, who was busier than ever in the office, had to come out and finish up the crating. However, work means nothing to these men-all they strive for is to keep their customers happy, and evidently they are, as re-orders keep coming in.

Joe Young, Young Distributing Company, doing a great job in this area with Wurlitzer's 1250. Joe reports that music ops have been reordering, which he states "proves that they are not only well satisfied with the phono, but it is bringing the ops good profits.". . Phil Mason, Mason Distributing Company, Irvington, N. J., takes his family down to Miami. One of his kids ailing and the Miami sunshine recommended by the medico. . . One of the busiest, and most pleasant people on coinrow is Murray Kay, sales manager for Atlantic, New York. Maybe we pay him this nice compliment because, in addition, he's a Dodger rooter. . . Irving Kaye, formerly one of this city's manufacturers of games, now a busy exec in the retail radio and television field. . . . Bill Weiner, Weiner Sales, distribs for Eastern Electric cigarette machine, tells us he's behind in filling orders. . . . Dave Lowy, Lave Lowy & Company, Keeney distributor, out seeing some customers who were demanding equipment for the holidays. . . . Joe Hirsch and Lester Klein, two operators from the early days of pingames in this city, discuss present conditions. Lester operating shuffle games and Joe promoting a new operating twist.

DALLAS DOINGS

News is scarce, the weather's hot, and business is good. Everybody's fishing or "Goin' Fishing.". . . Allan Wallis of Mineral Wells has been in Dallas for several days transacting mucho important business. . . . Homer Walker, Blue Bonnet Music Company, returned from Port Aransas with many many fish and a beautiful sun burn. . . . Paul Peters is now a member of the famous Variety Club. . . . Bill O'Connor, S. H. Lynch and Co., returned from a very successful trip through East Texas and Shreveport, La. . . . Cecil Epps bought a carload of Wurlitzers this week. Business must really be all right down Waco way. The Mayor of East Waco was buzzing around Dallas Tuesday. . Ditto Jack Sprott, Central Music, Temple. However, Jack was delayed for three days. . . . Marian Jones leaving in a big rush for four days in wonderful New Orleans. . . . Abe Sussman, S & C Amuse., leaves for New York and a big time, no doubt. . . . Tommy Chatten, Jack Askew and Warren Hiberling fished at Port Aransas over the week end. . . . Got a glimpse of E. L. Certain rushing down main. . . . Joe Metasso is still waiting for you know what. . . . Jimmy Garret had a touch of bad luck last week when he lost his watch. . Drust Goodacre, called in from Tyler. Just couldn't make it to Dallas this week.

CHICAGO CHATTEI

Execs, as well as employees, thruout the industry here, declared themselves a "declaration of independence" all their own. Many left for the entire 4th of July weekend to just "forget about business" for a while. Most of the factories closed Friday and didn't plan to reopen until Wed. morn., July 5. Some of the boys, tho, decided to stick close to home because of expected heavy traffic. Others dashed away on Thursday nite and actually made almost a week of it. Some left on their vacations. But, the majority will be on the job Wednesday, bright and early, and will be going just as speedily as ever. . . . Herb Oettinger of United says it this way, after sending two of his youngsters away to camp, "After all the noise, the house sounds like a morgue with the kids gone." But, the Oettinger's still have their 3 year old around, and Herb is interested in his golf anyway. . . . Sam Taran of Miami in town most of the week. Sam came to see his boy off to camp—away up near Duluth, Minn—and then flew back to Miami after visiting around with the factories here. It sure is a busy and active summer season. . . . That 45 RPM phono interests many of the boys 'round town. Price is said to be plenty low. . . . David C. Rockola off on a four week vacation. He'll be followed by J. R. Bacon, who is also taking four weeks. And with the factory closed down for two weeks, it'll be nice and quiet. . . . Charley Pieri, J. H. Keeney & Co. sales manager, returns from an extended trip thruout the east and reports, "There's plenty of business if you go out and get it." Charley also states that he's giving the production boys a hand at the big Keeney plant in an effort to get products out for the firm's distribs. . . . Looks like Roy McGinnis just ain't going to enjoy the Mid City golf course much longer. . . Almost 500 people at work at Keeney right now and all vacations staggered. . . Frank Mencuri, sales manager of Exhibit Supply, being visited by well known arcade people clamoring for more new Exhibit arcade equipment. This is pr

Lots of excitement over at Chicoin this past week. Firm presented first five-ball game in seven months. It's called, "Pin Bowler," and brought Phil Robinson all the way in from L. A. and Al Simon in from New York. In short, west met east at the first showing of "Pin Bowler" and both are reported to have agreed the "game's great."... Ben Becker of Bally is reported to be walking the floor waiting to become a Daddy. May have happened while you're reading this... Bill O'Donnell, who's winning a reputation for being a diplomat, sure does need plenty diplomacy to calm down Bally distribs yowling for more and more "Turf King."... Jack Nelson back from a trip to Montreal's Belmont Park where he watched "Hollycranes" take in more per day than even he believed possible... Georgie Jenkins full of pep these days... Ralph Nicholson still down in Texas. Saw a wire from him from Victoria, Tex. which shows Ralph's right on the job... Earl Moloney had his coat off the other day, so guess that attack of bursitis must be gone with the warm wind... Mrs. H. G. Payne taking over since Harry passed away is what coinmen hear... Bill Billheimer (The Shadow), Don Pearl and Bill Mullins pop with brand new angles that make the Como factory one of the busiest... Otis Murphy on his way in from San Francisco... Ben D. Lazar around town visiting with the various factories to see what's what... Sam Stern over at Williams Mfg. Co. so busy right now that, "I just can't get away for the 4th," he advises. The firm is working at top speed. Hear that Harry Williams is also on his way into town which may mean even more action for the firm's production lines.... If you know where you can obtain one of those machines that stamps the "Lord's Prayer" on a penny contact Joe Ecker of Santa Claus, Ind. That's the town where they send kids those packages "direct from Santa Claus." And are preparing their Xmas gift ideas right now in midst of summer heat. summer heat

Bill Bye, well known to most coinmen around town, is spending a few weeks here looking things over. Bill has severed connections with the west coast and may have an announcement to make before he leaves Chi. . . . One of the problems faced nowadays when phoning SuperVend Sales is to be sure to say, "Sr." or "Jr." when asking for Larry Cooper. Both Larry Cooper, Sr. and Larry Cooper, Jr. are busily employed at SuperVend these days. . . Mike Hammergren has been out of town most of the time contacting and contacting. . . . Ted Rubenstein picked himself up and left for California—for a vacation—driving there. Bet is that he'll be stopping off here and there, long before he reaches the coast, to talk coin machine business with coinmen along the way, even tho he says, "This is strictly a vacation." Bruno Kosek takes over while Ted's away. . . . Charley Gillard still sick but Nationwide Novelties is doing a very fine selling job of their baseball shuffle game. . . . Gil Kitt entertaining a party of friends at the Chez this past Satty eve. . . . Herman Paster around town for a few minutes—and away. . . Expect Joe Abraham of Lake City Amusement Co., Cleveland, in town right after the 4th holiday. Joe has been pleading for more and more delivery. Firm is doing a very grand sales job, he reports. . . . That juke box scene in the movie, "Ashphalt Jungle," has won much comment. . . . Harold Saul over at Coven Distributing advises, "Just can't keep up with Ben Coven these days. He's down in Peoria one day and back for a few minutes. Off again to some other town. Back again. Always on the go." That's the way to keep business stepping at a peppy pace. . . . Jack Nelson, Jr. off on his honeymoon. . . Grant Francis Shay married Noreen Coakley on Saturday, July 1, at 10 A.M., St. Philip Neri Church here in Chi. And so Grant, too, joins the ranks of the harried married. . . Billy DeSelm nice and calm as the phones ring away. Simply jots down the orders as they come in for United's products. . . And Ray Riehl just grinning. That's

Sam Lewis of Chicago Coin will be called "Daddy" sometime in September. Sam Lewis of Chicago Coin will be called "Daddy" sometime in September.

... Les Rieck over at H. C. Evans & Co., hard at work, filling orders for the firm's "Constellation" phono, reports that this is one music machine that can be adapted to all types of play angles... Meyer Gensburg over at Genco gets ready to close down the Genco plant for two week vacation period and Dave Gensburg is reported on his way in from the West Coast to take over for a while. Boys change off at regular intervals.... Unionizing plan under way here.... Sam Taran reported that the best picture ever taken of him has never been received. never been received.

CALIFORNIA CLIPPINGS

Here's one to figure out: While most of the oldtimers along the L. A. Row softly sang the familiar blues this past week, a couple of the newcomers are buzzing right along. . . . Maybe it's new blood or sump'n but Bob Bard and company seem to be doing fine as indicated by partner Ed Kendall carting a load of loot off to the bank when we buzzed him. . . . And for Johnny Hawley, well, genial Johnny is taking the road down south to spread the fame and name of his juke box adapter and also to interest the natives down thar in a fine line of high score novelties he's taken on. With Hawley, things really must be humming, judging by the fact that he's recently put on four more people, office manager Richard Hursh, shop foreman Elmer "Lee" Moyer and salesmen Jay Williamson and Wayne Jones. Johnny reports that new and used games have been keeping his staff hard at it and they're expecting a flood of action with the new 5-balls of Chicago Coin, Genco's "Canasta" and Gottlieb's "Madison Square Garden." . . . Among the Shriners goings-on in town was the visit from Bert Beutler of R. F. Jones up North and the going-home party tendered Bert by his former boss, Paul Laymon, at the Laymon's manse up thar in the hills. . . . Understand that Charlie Daniels' highly educated Boxer dog, "Blaze," had to drive home that night.

Everybody on the Row, including the Laymons, are still waiting anxiously on that first shipment of "Turf King" one-balls. Meanwhile Ed Wilkes tells us they've had 20 "Shuffle Champs" in and right out and are expecting another 20 this week. . . . Louise and Hank Schmidt back on the job at Badger Sales after two weeks of vacationing in Milwaukee and Momence, Ill., with their families. . . . George Warner another Shriner recuperating from the Convention as the boys at Automatic in process of moving first load of merchandise up to Vegas, with Sammie Donin establishing up there. George probably keeping the local office going and Dannie Jackson commuting between both places and his converted interests up North. . . Nice running into that very nice secy. of Bud Parr's who had to quit a few months ago to take care of her ailing mother but still drops down on Saturdays to give the boys a hand with their paper work. . . . Fred Gaunt, we learned, was on vacation. . . . Jack Ryan of Sicking Co. and wife were back from their vacation to Mexico and resting up from several days in Rosarito.

Lyn Brown made it back all in one piece from that overnight hike he took with his Cub Scout troop. Seems the kids had a great time and came back fresh as daisies but Lyn was knocked out from the hike and cooking for 'em. Brother Max due out from Philly July 1 and Lyn's holding his own till then while experimenting with a new game in the back room. . . . Gordon B. Mills expected down from Oakland first of the week and local office will probably have announcement of new setup by July 12. . . . Walter Solomon concentrating on selling AMIs now that the Shriners have cleared town. Walt says he had his share of the fun. . . . We were sorry to hear that Aubrey Stemler has resigned from his sales position with the J. Peskin Co. as it appeared that the deal was working out nicely for all concerned. . . . On the Row: Allen McMahan from San Jacinto . . . Ventura's Archie Luper . . . R. G. Patterson of Corona . . . Shafter's Al Anderson . . . D. J. Harrison from Bloomington . . . P. F. How To Use "The Confidential Price Lists"

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices continue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price. Where only one price appears this should be considered lowest price.
