**COIN MACHINE INDUSTRY
Consultant**

Do you plan to introduce a new machine, or merchandise a new product, to the coin machine industry? If you are new to this field then you need experienced advice which can save you many, many dollars and much valuable time. If you have plans for entering some other division of the coin machine industry, entirely foreign to the one in which you are now engaged, you may also require experienced help to decide your proper course. Whatever your plans or problems, an experienced consultant in the coin machine industry is at your service. Write: Box No. 71, c/o The Cash Box, 32 West Randolph Street, Chicago 1, Ill.

Congratulations

CALIFORNIA CLIPPINGS

Always nice to vary the usual roundup of news along the L. A. Row with a few sage remarks from that philosopher among operators, **Harold Sharkey**, whom we ran into at General Music where he was trying to run a high score on United's "Shuffle Alley Express." When a lot of people are crying the hard times blues, it's still refreshing to hear a guy say: "Business is a lot better than it was a year ago, and that's because equipment is better, not because of general conditions being improved. In fact, it seems to me that the tougher things get the more cooperative many locations are. That extra sawbuck a week looks pretty good to them and they're glad to see you and what you can do for them." . . . **Fred Gaunt** back from his vacation and **Bud Parr** figuring on taking a short one himself. . . . **Robert Horton**, chief engineer for the SuperVend drink machine visiting Badger Sales and running a school for operators and mechanics on the fine vendor in between fishing out at Malibu. **Bill Happel** reports great reception on the part of ops while viewing the uncrating of Universal's "Winner."

While at Badger's, we were quite impressed with the new Ristaucrat Music Box, the rather miniature jukebox especially designed to play 45 speed discs at two for a nickel. Sounded like pretty fair tone to us for the price and size of machine and it'll be interesting to see how the local lads go for the first 10 due in this week from the plant. . . . Had one of our rare but always pleasant chats with **C. A. Robinson** and **Al Bettelman**, who report that things are a little quiet locally but humming out of their Reno office. . . . Dropped in at Automatic Games just in time to find **Dannie Jackson**, **Georgie Warner** and the boys in the back room really sweating away over loading of one of the biggest trucks we've ever seen with an assortment of games en route to their new Las Vegas location at 722 No. Main. . . . Hardly recognized **Bill Leuenhagen**'s place, all slicked up since we'd last been in with a fancy new record player, combed wood counters and all the trimmings. Bill showed us how his game side is being remodeled to allow for much more equipment too. We asked **Mary Solle** about that great big sign on Hank Penny's King record of "Wham-Bam, Thank You, Mam" and she said it was tickling the ops fancy, as well it might.

Paul and Lucille Laymon showed us some color slides of their beautiful Pacific Palisades home, with its gardens full of snapdragons, gladioli, dahlias and whathaveyous in full bloom. The nicely laid out paths and that fountain Paul built with his own bare hands (partly anyway) make it a true showplace. . . . For **Charlie Daniels**, it's a vacation up the scenic Sequoia and Redwood route, and maybe on to Oregon and Washington, "getting any business while I'm at it that happens to get in my way," he says. . . . On the home front **Ed Wilkes**, being ribbed for worrying about his kid's first overnight camping trip, and the Laymons will be busy selling those Bally "Turf Kings" as fast as they can get 'em in, what with the supply so far being far short of the demand.

Johnny Hawley has hit the road down to San Diego and we had a nice get-acquainted visit with his new office mgr., **Dick Hursh**. That's quite a novel fan dancer lamp the boys have got over their front counter. . . . **Bob Bard** tells us things are coming along nicely on the Bard Co. music operation, with game sales starting to step right out and some major action expected of the Keeney "Bowling Champ" conversion unit for shuffleboards. . . . On the Row: **Al Cicero** of Santa Maria . . . Riverside's **G. F. Cooper** and **Jack Neal** . . . **Charlie Cahoone** from Long Beach . . . **Johnny Ketchersid**, now of Artesia . . . **Jack Moore** and **Fred Allen** of Bakersfield, also **Wm. Black** visiting his wife who is recuperating from an operation in the California Hospital . . . **Bob Donahue** of Pismo Beach . . . Southgate's **Pete Shupp** . . . **Tom Boddy** of Lomita . . . Ventura's **Perry Irwin** . . . **S. L. Griffin** of Pomona . . . Anaheim's **Art Narath** . . . Stan Johnson from Oceanside . . . Upland's **Sam Rowe** . . . **Jack Rankin** of Ontario . . . **D. J. Harrison** from Bloomington.

MINNEAPOLIS-ST. PAUL, MINN.

With the 4th of July holidays, many of the operators are away for a few days vacationing up north, fishing. . . . **Jack Bailey**, of the Ace Novelty Co. Twin Brooks, S. D., in Minneapolis for the day looking for some equipment. Reports business has been very good and is kept very busy. . . . **Johnny Gallop** of Menomonie, Wisc. in town for a few hours picking up his record supply for the week. . . . **John Howe** of Foley, in town sporting a Foley Booster Button on his coat lapel. Carnival activities in Foley over the 4th. . . . **Hank Krueger** of Fairfax, in Minneapolis for the day. Hasn't had time to wet a line in any of the Minnesota lakes yet.

Harry Lerner, Minneapolis operator and the wife going up to Grand Rapids, To the Knob Hill resort for over the 4th. . . . **Jonas H. Bessler** and the wife going to Brezzy Point, for the 4th. . . . **Annette Harrison**, back home after spending twelve days on a tour of the East. Visited New York and Washington, D. C. and had a wonderful time. . . . **John McMahon** of Eau Claire, Wisc. in Minneapolis for the day making the rounds. . . . **M. Stoddard** of Zumbrota, in town with his youngster for the day. Mrs. Stoddard taking in the Department Stores.

L. I. Harris of Enderlin, N. D., in Minneapolis, for a few days visiting relatives over the week end. . . . **Charley Swan** of the Apex Novelty Co. back from California, and full of vim and vigor. . . . **Al Plotnick** of the Anco Sales, Minneapolis, plans on taking off a few days and go to Chicago. Mrs. Plotnick left last week for Los Angeles for a two week trip to visit her niece. . . . **Hy Greenstein**, **Solly Rose**, and his son doing some fishing last Sunday and nary a bite. . . . **T. J. Fischer** of Waconia, says the fishing there is the best in the state. . . . **C. B. Case** of Loretto, spending all his time at his resort, just loves to fish.

How To Use "The Confidential Price Lists"

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices continue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory.

METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price. Where only one price appears this should be considered lowest price.
