\$100 Federal Tax On "Gaming" Machines

WASHINGTON, D. C.—The In-ternal Revenue Bureau disclosed in a report for the year ending June 30, that 66,278 locations payed Fed-eral taxes of \$100 each last year for the privilege of operating "gam-ing" machines. The state of Texas far exceeded any other other in the number of

any other state of Texas far exceeded any other state in the number of payments, listing 8,134. In second place was the state of Washington with 5,760, and Illinois was third with 5,366. New York had 617. The report lists only the number of termore set the second seco

of of taxpayers, not the number of machines in operation.

Mississippi Ops **Report Good Biz**

FOREST, MISS.—T. R. King of this city reports that ops in this territory are enjoying good business due to the new state law which went into effect this territory this past year recognizing free play games

At the present time majority of ops are featuring one-balls and find these most profitable.

There is a state and city license which must be paid by ops before any machines can be placed. But, there hasn't been any legislative problems ever since this state law went into effect.

T. R. King, and other ops, look for-ward to a very good Fall season.

CHICAGO—Reports received here, since first publication of ever growing use of premiums by shuffle game ops, indicate that most of the ops consider use of premiums same as money." "front

Op leaders here state, "The average location brings us anywhere from \$5 to \$20 off the top. Naturally," they claim, "this is the same as front money."

Ops are purchasing premiums at lowdown prices from leading firms and turning these over to locations at near retail prices.

retail prices. The difference, which is reported to amount to as much as \$20 off the top of the week's collection where more than one premium of good caliber is featured, is helping ops to enjoy "front money" in the amusement game biz which they didn't enjoy before.

The method used by most ops is to set a high score on each of the shuffles or rebound games being featured in the location.

Players reaching that score, or going over it, receive a ticket which is in duplicate. The duplicate is then dropped into a box, usually with play-er's name and address.

In cases where players exceed the set score by a wide margin, more than

one ticket is given, by some ops. This means that the player has more than one chance for the week's premium, or premiums.

The give-away method is arranged by a weekly drawing from the box containing the duplicate tickets.

Some players continue to play the game day after day in an effort to get as many duplicate tickets into the drawbox as possible. Naturally, this has helped to boost income for both the op and the location owner.

Premiums being featured are among the best ever used by the industry.

Reason for amusement game ops attributing use of premiums like that of front money as used by music operators, is due to the fact that the price of the premium is removed off the top, and the balance of the collection split on regular basis.

One electric clock here of famous make, with retail sales tag of \$14.75, is sold to ops for only \$4.75. Ops charge to location at \$9.75, thereby actually enjoying \$5 profit at collection time, or, as reported, \$5 "front money" for this one item.

Shuffle Games Boom In Indianapolis

INDIANAPOLIS, IND .- The best summer business ever enjoyed by ops here is attributed to the play which shuffle games received from the public here.

A fine Fall season is also indicated for this very same reason.

This territory has been rolling right along with no legislative or license problems.

One-balls are still going ahead in surrounding area and business has been very good.

Ops here are receiving all machines, supplies and parts they require and have been preparing for any future control measures.

Akron Ops Look For Good Fall Season With Shuffles

AKRON, O.-Tho this past summer was only considered "fair" by most ops in this area, George Sydah of the Sydah Vending Co., this city, believes that operators here will enjoy a much better business season this fall.

Sydah explained that shuffle games are the best ops are using in this territory and that they feel the forthcoming Fall season gives promise of much better play in this very important rubber center.

License Officials Should Be Informed As To Various Types Of Games

JOLIET, ILL.—Operators here, like H. L. Watkins of this city, suggest, that a series of letters be writen to various officials explaining the differ-ence in the many kinds of amusement grames games

is very difficult to get licenses here for games. Ops feel that this is due to a mis-

understanding of the different types of machines and also that there should be some method evolved whereby the officials here would better understand their problems.

AL STERN

CHICAGO—David C. Rockola, president of Rock-Ola Manufacturing Corporation, this city, announced the appointment of World Wide Distributors, of Chicago, as distributors for this area, northern Illinois, and some of the Indiana counties, effective with September 20.

Al Stern, head of the Chicago distributing firm, was most enthusiastic over the selection of his firm, and stated, "This is one of the most pleasant and desired associations in the industry. With Rock-Ola's reputation for progressiveness and reputable business dealings as proven by their screening of the virtues of World Wide, we feel that this caps our many years in the coin machine field."

This appointment comes on the heels of the recent announcement by Art Weinand, vice-president and general sales manager of Rock-Ola Manufacturing, that their new "Rocket 50" phonograph will be ready in a short while.

World Wide immediately set the wheels in motion with a conference headed by Stern, and which included Monty West, general manager; Leonard Micon, assistant sales manager; Bernie Auerbach, specialities dept.; Albert Kennedy, traveling representative; and Frederic Kleiman, head of their advertising agency. A complete sales and promition set up was formulated. New parts division will be handled by Ed Reinke and Norm Dompke.

lowa Op. Hopes Prices Of New Equip Will Hold

KEOKUK, IA.—John R. Peterson of the Keokuk Supply Company, this city, reports that the business is average, profits have been better than average.

But, Peterson believes, profits will soon disappear, unless the price of new equipment is held down.

At the present this area is enjoying best biz with pinballs and most ops here are pretty well set, keeping their routes modernized with regular purchases of music and pinballs.

There's no legislative or license problems here. Ops report that, so far, they are getting all the parts, supplies and machines they require.

Gottlieb's "The 4 Horsemen" Surpasses Early Predictions

CHICAGO — D. Gottlieb & Company's newest pinball, "The 4 Horsemen," is surpassing all optimistic predictions which were made for this game.

game. Orders already received indicate that the game is surpassing, by a wide margin, for the same length of time since introduced, even the success which the firm enjoyed with its great football pinball of last season, "College Daze". According to Nate Gottlieb. "We

According to Nate Gottlieb, "We were quite impressed with the optimistic predictions which distributors, who visited at our factory, made for our newest pinball, 'The 4 Horsemen'. "But," he continued, "we never believed that even the most optimistic of these predictions would be so far surpassed.

"Our distributors tell us that 'The 4 Horsemen' is bound to prove itself one of the most outstanding pinballs ever built. It hit the market at just the right time, just when the football fever was starting to get into everyone's veins

was starting to get into everyone's veins. "In addition," Nate said, "It incorporates everyone of the finest and proved profitable features which we have ever yet built into our games. The action, suspense, thrills and entertainment offered the players by 'The 4

Horsemen' exceeds anything that has appeared in football pinball games." The firm is speeding production and

rushing shipments out just as fast as it possibly can in an effort to catch up with the demand.

EASTERN FLASHES

Altho some few operators keep wringing the crying towel, the great majority of statements by local operators of both music and games is that the past summer was the best since the last war. And of more importance, even the criers agree that this fall should be a real banner season. Collections have already shown an increase during the past week, and all are optimistic that the cooler weather will bring about greatly increased business.

the cooler weather will bring about greatly increased business. Attending the dinner of the UJA drive for funds from local coinmen gave us a tremendous thrill. There's never been any question of the big-heartedness of the members of the coin machine industry, but two unusual events took place that brought it into the open with great clarity. **Murray Kaye** of Atlantic New York Corporation won the AMI Model "C" and "Senator" Al Bodkin, Forrest Hills operator won the Seeburg 100. And herein lies the story. Kaye, being in the employ of a phono distributor, immediately offered the "C" up for a general auction, the money to go to UJA. When one considers that Kaye is a salaried employee and the AMI phono sells for \$795., it can be seen that his contribution was a most generous one, to say the least. . . . When it was announced that the "Senator's" ticket was the winner of the Seeburg, not only were the guests present most happy over his luck, but for the first time in our memory, the "Senator" was speechless for about one minute. His enthusiasm then broke forth, and among his shouted thankful statements was a typical Americanism "Cast your bread upon the waters, and it will be returned many times over". Whether this biblical quotation is accurate or not, Bodkin was referring to his personal efforts in assisting in the drive. Bodkin, the only non-Jew ever to be on the local industry UJA committee, had been working hard to make the drive financially successful, and in addition had made a personal contribution of \$150. He immediately pledged another \$100. and offered to buy a drink for all in the house. The former was accepted, the latter refuse.

latter refused.

Abe Lipsky, Young Distributing Company, was quite an athlete during his youth. Abe played several sports for a New York High School, but won acclaim in football. He was publicized as being the lightest guard ever to play high school football. . . . Another former high school athlete is Bill Ferber of Ferber Automatic Music Co., whose forte was basketball. . . . While on sports and high school stars, we're reminded that Ben Smith, the coin machine advertising agency man, in his youth, starred in track and football. . . . Wonder what those music operators of County Enterprises, Larry Serlin, Lou Price and Sam Kaufman, are going to do with those piles of record albums they now own. . . . We know what Hymie Koeppel will do with his—it goes to his fifteen year old daughter. . . . Perry Lowengrub of Runyon to be complimented on his generous contribution to the UJA. . . . Al Simon, Albert Simon, Inc., back from a road trip on Chicoin's new FP Shuffle "Ace Bowler" and reports sales brisk. . . . Jack Ehrlich, one of the city's "old timers" in operating years, now sticking only to music machines, and doing very nicely, thank you! . . . Another of the pioneer ops, Max Klein (21 years operating) also specializing in music. . . . Max Weiss, another pioneer, who at one time had a large music route, now only operates vendors, mostly cigarette. . . . Bill Alberg of Brooklyn Amusement Company, who recently underwent a major operation and was recuperating nicely, now ill once more. Charlie Aronson, Bill's partner and close friend, urging him to take a leave for several months, and relax under the Miami Beach sunshine.

Bob Bear of The Rudolph Wurlitzer Company has been visiting with the Laymons in Los Angeles. Gerry Sinclair of Wurlitzer also on the road, spending a number of days with Herb Wedeman, factory distributor in Cleveland, Ohio. . . . Sidney Levine held a birthday party last week for his twin daughters—1 year old. . . A. D. Palmer, advertising manager of The Rudolph Wurlitzer Company, in the big city seeing the record companies. . . . Harry Koeppel, Koeppel Distributing Company, leaves on a buying trip next Monday, Sept. 25. . . . Jack Rubin, back operating after a year's absence, mighty happy over it all. . . . Shocked by the news that our good friend and recently turned music operator, Joe Rosenbloom (Joe Rose) died suddenly on Wednesday, September 20, of a heart attack.

DALLAS DOINGS

Tommy Chatten returned from the good State of Louisiana, loaded as usual. With news that is. . . Freddy Davis, Springhill, La. operator has opened a bar. Tommy says it's beautifully decorated and is drawing tremendous crowds. . . B. D. Aubry, Cotton Valley, La. is buying new equipment like mad. . . We have been told that a new army camp will be opened in Leesville, La. It supposedly is to be one of the largest in the South. . . . I. W. Hughes, S & H Novelty, Shreveport, is catching loads of fish these days. . . Carl Shaddock, Shreveport, has been running around Dallas the last few days. . . Ditto, Mr. Levin of Levin Enterprises, Oil City, La. . . . We have some wonderful news. Joe and Leonard Metasa, American Distributing Company now own two thirds of the stock in The American Distributing Co. This is great news for those of us who have watched the boys for many years, and makes us especially proud of them. May they continue to have the good fortune they've enjoyed in the past years.

Resort Music Co., Mineral Wells, is now owned and operated by W. A. McCay. W. A. dropped by to see us and a more personable fellow we haven't seen. . . While chatting with E. L. Certain Jr., we learned that his son has been in Europe for two months touring every country possible. We think E. L. wishes he had gone with him. . . . Carl Adams is just completing the redecorating of his home in San Angelo. Carl did it all in his spare time and wants everyone to know that he did an exceptionally good job. How about an invite Carl and we will see for ourselves? . . . Bill Chandler has gone into the real estate business in a big way. Bill is now building a two story office building. . . . Operators seen here and there: Frank Caldwell, Buddy Clem, Juanita and Dewey Parsons doing the town, W. D. Wiggins, John McGee, Holland Farrow (who was taking a few minutes away from his money making drug store, Jimmy Garrett, W. W. Brown and Mr. Armstrong of Lam Music. . . . Durst Goodacre, Automatic Music Company-Tyler, is expanding his route and buying much new and used equipment.

HICAGO CHAT

How important is timing? Especially knowing the "right time" to rush a brand new game to market?. Many a grand game has gone by the boards because of poor timing. Because the manufacturer either waited too long, or didn't wait long enough. Example of good timing is introduction of the new Gottlieb game, "The 4 Horsemen". Came on the market just as football fever started catching hold of public's imagination. Result? It's clicking terrifically, according to Gottlieb execs. . . The annual NCMDA meet now in progress at the Bismarck Hotel (morning session at 10:30 A.M., and afternoon session at about 2:30 P.M.) has brought a great gang of distribs into town who are killing two birds with one stone. Not only attending this annual meet of their organization, but, at the same time, visiting with their factories here in an effort to speed deliveries of new games. In fact, many distribs arrived Thursday, Friday and Saturday to get their factory biz completed before this meeting.

Officers of NCMDA, President Lou Wolcher, Vice-President Dave Bond, Secretary Irvin Blumenfeld and Treasurer S. H. Lazar, will probably be elected from info offered by distribs. . . . Coin machine displays at Illinois Wholesale Liquor Dealer's Convention at Sherman Hotel included ice making machine of Mills' with Johnny Mills in attendance. . . . Did y'know that those coin machines operating in Sear's, Neisner's, Goldblatt's and Wieboldt's here pay only 35% commish to those famous stores? . . . Col. L. Lewis, well known since his days with National Shuffleboard, now opens his own distributing spot, Merit Industries at 6520 S. Halstead St. . . . Harry Brown of Amusement Sales Corp. pitched right in and helped to unload those bells coming into this spot to speed them thru the reconversion lines. The firm is working day and nite to get them into transit as fast as possible. . . . Len Micon of World Wide phones to say, "Happy New Year." Same to you.

Vic Weiss and Billy Knapp of Allied have developed a very nice premium biz and are out buying items almost every day. . . . Busy, busy boy, Charley Pieri, with phone calls all at one and same time from Dave Lowy, New York; Si Redd, Boston; Herman Paster, St. Paul and Johnny Bilotta, Rochester, N. Y. Keeps picking one up right after the other promising to speed shipments from J. H. Keeney Co. production lines as fast as possible. . . . Joe Mashek dashes in from St. Louis, howls for more delivery, rushes to Kansas City. . . . Jack Ne'son of Bally out on the road. Has already covered much of the west and west coast. Last was reported on his way from San Francisco to Portland. From there to Seattle and on, and on, and on. . . . Tommy Callaghan of Bally a busy man between his duties here and new air program for his "Secrets of the Secret Service" which may break on Oct. 1. Capt. Tom's memoirs of his service with Uncle Sam (he was one of the greatest counterfeit experts Secret Service ever had) being bidded on for book publication. And all Tom worries about is getting himself a head full of curly blonde hair.

Bill O'Donnell claims that he picks up phones in his sleep. Lack of materials slowed down factories with some shutting down for few days until supplies arrived. . . . Ben Coven of Coven Distributing is clicking with the Wurlitzer 1250 to the point where he has been on the phone calling the factory for more and more. In addition to which, while talking long distance, he came up with a slogan which was told him by well known op and which he now plans to use, it is, "Successful ops deal with Coven." . . . Mr. and Mrs. Lou Singer of Omaha in town this past week. . . . Harry Binnie of Binco, Ft. Wayne, much elated with how well the fall season has started for his firm and looks forward to a great business year. . . . Frank Mencuri of Exhibit who is on a hush-hush campaign because of a grand new product, makes a "fast" trip east. He ain't kiddin'. Left in time to arrive in the east on Yom Kippur—when his distribs will be "fasting".

Sam Lewis of Chicoin now has a new schedule. Sam gets up at 2 A.M., 6 A.M., etc. Why? Because of little **Deidre Lewis**, that brand new gal arrival at the Lewis home. Sam says he loves it. "In fact," he says, "think of many an idea in the quiet, dark hours."... Sam Stern will hold open house for

6 A.M., etc. Why? Because of little Deidre Lewis, that brand new gal arrival at the Lewis home. Sam says he loves it. "In fact," he says, "think of many an idea in the quiet, dark hours." . . . Sam Stern will hold open house for NCMDA distribs at the beautiful Williams' plant. The "Starlight Room" of the firm is turned over to the distribs for their complete use. At the same time many of them will see the firm's newest pinball game, "Georgia", and get a chance to play at it all day. It's on display in the "Starlight Room". . . . Wally Finke and Joe Kline rated among the "most progressive" of the distribs 'round this town. Here are two boys who really work. When one gets of the road, the other starts out. As both Joe and Wally chorus, "Our Wives are, mildly speaking, growing a bit impatient." In fact, when the boys get home 'round midnite, they claim, everyone's surprise.
Jake box ops' affair this past Friday attracted quite a turnout. Ray Cunliffe, president of Recorded was very, very much pleased. . . . Billy DeSelm, Ray Richl, Herb Oettinger and all the others at United, were busy, busy boys all the latter part of this past week, and are even busier (while you're reading this) greeting all those distribs calling around at their factory. No one walks into offices anymore—everyone makes tracks for the last room on the left. (See you there today). . . . Bill (The Shadow) Bilheimer of Como, one of the busiest of all the busy little guys 'round town. Bill's conversion clicked so well he's all smiles these days. . . . Guns are growing more important, according to ops. Seems war frever has mounted to point where everyone's taking shots again. Watch for commy conversions. Outdn't get Art Weinand of Rock-Ola away from his desk for a moment this past week with all the action at this big factory due to naming so many new distribs and others coming up soon. . . . Joe Abraham of Lake City Amusement, Cleveland, on his way into town to "leanet why." he can't get end y the carload. Just wait'll he h

CALIFORNIA CLIPPINGS

Really hoped we'd be able to ask the bossman to hang up the shingle overhead, "Nevada Clippings," in all seriousness too, after our recent junket to Las Vegas. . . . Not that clipping one's self in the neighboring state is too painful to write about, but we actually found little in the coin machine field for comment in those parts. . . . That is outside of the well known fact that there are almost as many bells working away overtime in Vegas as there are people. Though the little woman seemed to think we should know better, we did strike up an intimate acquaintance with a couple of the machines, to their advantage more than ours. . . But fun it was, and just think of all the exercise at no extra price. . . Within our observation, there's very little else in the way of amusement games around the town, outside of a few consoles in some of the arcades. . . . Speaking of arcades, we spent a few evenings with Sammie Donin, who's operating the Circus Arcade up there for the Automatic Games outfit. . . . Things, admittedly, aren't too easy in a town where every drug store and lunch counter offers the same attraction. . . . Sammie did have a couple of cute little monkeys as a come-on in the front window, but when the monks began to act like people do in the Kinsey Report, he had to shove 'em in the back room.

A few notes of interest we picked up while making the rounds: Las Vegas is far from an operator's paradise. . . . While a number of the boys do manage to keep hide 'n hair together by running bells in small locations around the town, we were told by one who'd rather remain anonymous that as soon as a spot gets too healthy, the location buys its own machines. . . . Another former op we ran into is now servicing the machines at one of the hotels and, though making a nice living at it, he seemed to prefer free enterprise and the days when he had his own business. . . . A great big thorn in the backsides of ops still at it is the gang of machine-beaters that recently came into being. . . . It's now estimated that the brains of the racket has about 100 characters working for him throughout the state, making a specialty in ways best known to them of cleaning out the machines via forced jackpots and other cute devices. . . Where it hurts, we were told, is that the hotels and big clubs are so well policed that the racketeers can't perform there and hence take it out on the operator-owned machines. . . As we mentioned to Sammie Donin, it seems to us that a lot of tourists, and certainly many of the natives, after exhausting themselves on the roulette wheels, crap tables, etc., might welcome a little comparatively inexpensive diversion as provided by one-balls 5-balls and shuffle games.

Back to Los Angeles, our wounds pretty well healed, in time to hear that the boys are doing right fine on the home front, what with vending, music and games maintaining a nice pace of sales and operation around the reopening Army camps and large industrial plants. . . . Bob Bear of Wurlitzer sales department was in from the Eastern factory visiting Paul Laymon's and took a sales tour with Stan Turner up through Bakersfield. . . . Bally exec Jack Nelson also came in from Chicago for a friendly visit with the Laymons. . . . How To Use "The Confidential Price Lists"

HOW TO USE "THE CONTIGENTIAL PTICE LISTS FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange — posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last worth \$150.00 whereas someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory. METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price. Where only one price appears this should be considered lowest price.
