# Op's Letter To Coven Distrib. Co. Reports Upped Collections On "1250"

CHICAGO — Ben Coven, of Coven Distributing Company, this city, reported this past week, that his firm received what they believe is one of the most outstanding letters ever written by an operator.

The operator is Don Pigati, of Highwood, Ill. His letter follows:

"Hold on to your hats! This is so exciting to me that I had to tell you.

"I recently purchased a Wurlitzer Model 1250 for one of my tavern locations where I had another late model phonograph that was grossing \$25.—50% in nickels.

"I am mighty happy to tell you that the new Wurlitzer collection for this week is \$100.70. In the collection there was \$12.25 in nickels — \$53.70 in dimes—and \$34.75 in quarters. We are giving six plays for a quarter and have streamers to that effect.

"This means that a patron will play a nickel in the machine out of curiosity, and, finding that the '1250' plays beautiful music, will drop in dimes and quarters.

"I also want to tell you that the machine is performing perfectly.

"Many thanks for getting me started off on this machine, and you'll be hearing from me again in the very near future."

Shown in photo above is one of the Wurlitzer model 1250's Pigati has reference to. Machine is in Coven's shop being converted to play 45 rpm records.

# United Mfg. Co. Delivering New "Double Shuffle Alley Express"

BILL DE SELM

CHICAGO — In addition to the many other products on its production lines at this time, United Manufacturing Company is delivering its brand new "Double Shuffle Alley Express".

"This game," according to sales manager Bill DeSelm, "features disappearing pins, fast rebound action and bowling scoring.

"It is the only twin rebound on the market," he stated, "with true bowling scoring."

The firm is not openly advertising the game. Demand for the "Double Shuffle Alley Express" continues to grow with leaps and bounds, executives of the firm report, and they put the game into immediate production to take care of this big demand.

In addition to this twin rebound, United also has on its production lines, "Red Shoes", a brand new pinball game, "Skee Alley", "Four Player Shuffle Alley", and all its conversions.

#### Cincy Phono Ops Assn. Presents Publicty Program At Meeting

CINCINNATI, O.—The Automatic Phonograph Owners Association held its regular monthly meeting at the Hotel Gibson Sheraton, this city, on November 14, with a large attendance of music operators.

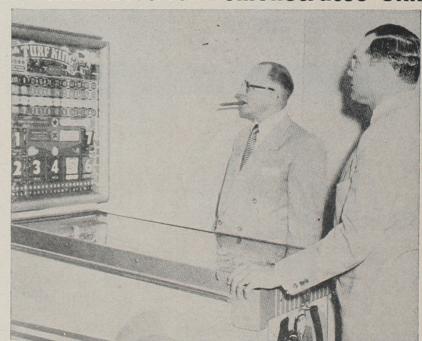

Charles Kanter, president, who had been hospitalized for a few weeks, was up and around and was able to be present. While in the hospital, Kanter was swamped with flowers, cards and wires from the members of the association, as well as many coinmen from other cities. Among the out-of-town messages was one from George A. Miller, chairman of the Music Operators of America, who sent a garden of real plants.

The meeting was a terrific success, with a number of guests from the music world on hand. Announcement was made of the promotion plans of the organization, which will embrace newspapers and radio. (See story in music section.)

Two popular members were unable to attend. Tommy Ruwan, of Lincoln Amusement Company, was confined to his home in Price Hill, suffering from a slight heart attack. Phil Ostand, secretary and treasurer, and head of K & O Music Company, was home nursing a severe cold.

Officers of the association report that they have several other promotion plans being studied, which they are sure will increase collections in the machines, as well as create considerable good-will for the juke box industry

# Exhibit Supply Co. To Celebrate 50th Anniversary In 1951

# Current "Dale Six-Shooter" Heading For All Time Sales Record

CHICAGO — Exhibit Supply Company, this city, who in 1951 will be celebrating fifty years of producing money-making arcade machines, plus many amusement games of all kinds, is now on a production run of its "Dale Six-Shooter" that appears headed for the firm's biggest hit.

Executives over at Exhibit, remembering the great gun game "Dale Gun," and how successful it was in the coin trade, express their belief that its present gun will outsell it before the run is over.

"It appears that the public is once again 'gun minded,'" stated Frank Mencuri, "and we are most fortunate in having a machine that is not only attractive, but gives the player a tremendous thrill in shooting down the 'bad' men of our hectic western cowboy days. In addition, operators have been reporting to us that mechanically, the 'Dale Six-Shooters' is perfection itself." Mencuri, who had just finished up a far western trip, has travelled thru practically every territory seeing distributors and operators.

In addition to the "Dale Six-Shooter," Exhibit is busily engaged in shipping its Rotary Merchandiser, "Oasis" (pin game) the Pony Express, and its famous Card Machines and supplies of cards. The firm is also ready to introduce six new arcade machines.

Pictured to the left is the "Dale Six-Shooter" on the production line. Top pic shows assembly; center pic, machine almost completed; and last picture, guns completed and undergoing rigid tests.

Seen below are Frank Mencuri on the left; and Joe Batten, standing; going over the orders for the numerous products produced by Exhibit.

# Soft Drinks May Go To 10c A Bottle

CHICAGO — Drink dispenser ops visiting here report that it is their belief, from conversations with leading syrup makers, bottlers, and wholesalers of syrups and soft drinks that, "All bottled drinks will have to go to 10c."

This has been the rumor for some months now as many wholesalers and bottlers complained that they haven't been able to "profitably continue on the 5c bottled drink."

For sometime now bottlers have been asking that all in the industry arrange for a complete changeover to 10c per bottle.

"But," as one leading drink dispenser op reported, "they are stymied by a few of the largest bottlers and haven't been able to make the change in the face of this stubborness."

It is believed, and the stock market may be some indication of this fact, that within a very short while some of the largest and most popular bottled drinks may jump to 10c.

# Music Machines Rushed To Texas Operating Firm By Air Freight

FORT WORTH, TEX.—What is reported to be the first delivery of AMI phonographs in North Texas took place last week when Harry Hooser, head of Fort Worth Amusement delivered air-borne Model "C" machines to Panther Distributing Company, this city.

Ray Howell (left), of Panther Dis-

Ray Howell (left), of Panther Distributing Company, is pictured above together with Harry Hooser of Fort Worth Amusement, invoicing the shipment, while Jack Maloney, Panther president, was out of range of the camera, altho watching the proceedings.

Hooser stated that Maloney's only complaint was "It's a shame I can't get a plane full of AMI's."

Fort Worth Amusement Company is expanding its facilities and will move into a new building to accommodate its increased business. Hooser states the move should be made around the first of the year, when the building will be completed. New address will be 100 South Main Street.

"Our territory, which includes more than 50 large Texas counties, is an ideal spot for AMI placement" stated Hooser. "The area's large size and the lengthy distances between locations make it a 'natural' for AMI models because of lessened maintenance and few service needs."

#### EASTERN FLASHES

No sooner did the first few days of cold weather make its appearance, than we received several phone calls from distributors asking when the National Coin Machine Distributors Association (NCMA) will be holding its meeting in Miami, Fla. We don't want to imply that the relaxing sunshine of Miami Beach holds more interest than the meeting (with wintry blasts prevailing in most centers thruout the country), but it sure will be nice to combine the business of NCMA with several days of tropical weather. Altho no definite dates have been set as yet, we understand that most members are voting for January 6, 7 and 8. When actual dates and hotel meeting place are set, we'll notify the trade thru the columns of The Cash Box.

Mike Munves, leading arcade supplier in the country, and his staff, off to Chicago for the Park Show. Munves will display arcade machines in three booths. Accompanying Munves will be brother Joe Munves and Phil Gould. Mrs. Mike Munves and George Fleckenstein remain at home to take care of the business. Munves will remain in Chicago for a complete week, taking opportunity to visit the various manufacturers. . . . Dave Stern and Tom Burke, Seacoast Distributing, Elizabeth, N. J., have already taken numerous orders for Rock-Ola's "Rocket '51-50" phonograph, they report, altho music ops haven't been advised of delivery dates. Dave tells us they should have deliveries very soon. Bob Slifer, of Seacoast, back on the job after being out several days, nursing a cold. . . Dave Rosen of Philadelphia, drops in to visit with Barney (Shugy) Sugerman, of Runyon Sales Company, the early part of the week, and they compare their sales of AMI phonos—with both stating they were perfectly satisfied, with the exception that they could have made more sales if deliveries would be in larger quantities. Shugy also reports that the sale of Bally's "Hook-Bowler" very lively, with ops reporting that the players are getting a terrific thrill from the hook action of the puck. . . . Hirsh de LaViez, Washington, D. C., reports that he and Phil Mason are adding music routes to their already large operations. Recent purchase being closed is that of Service Music Company of Washington.

We received quite a thrill and pleasant surprise when we tuned in the Arthur Murray television show on the Dumont channel last Sunday (November 19) and we viewed Chris Christopher, Chris Novelty Company, Baltimore, Md., and Mrs. Christopher appear as guest dancers of this famous instructor. Mr. and Mrs. Christopher were selected by their local station to represent that area, and appear on the New York show. The Christophers went thru a routine of "Sambas", "Rhumbas" and "Mambas". The tele show, in addition, featured several well - known acts, but in our opinion, the Christophers shined above them all — and it was quite a fine entertaining show. What else could one expect, when we know Chris and his missus spent a number of years in Miami Beach, the place where you "Rhumba"—or don't dance at all. . . . Joe Young, Young Distributors (Wurlitzer distributors), quite a busy man these days. It seems that whenever we want to speak with him, he's out seeing the ops. Well, we guess he'll make more money that way. . . . Al Simon, Albert Simon, Inc., Chicago Coin representative, handing out the cigars, and we should get an extra one. His wife, Ruth, presented him with a daughter, on Sunday, November 19. When Al told us he wanted a daughter, already the father of two sons, we promised to fix it for him (see this column November 4). The girl, weighing 9 pounds, 4 ounces, has been named Randy Ellen. Dave Lowy, Dave Lowy & Company, back from his visit to Chicago last week, very well pleased with the way business keeps going. He tells us that regardless of the various new shuffle games that have been introduced lately, his Keeney "Four Player" keeps selling in good quantity. . . . Harry and Hymie Koeppel, Koeppel Distributing Company, state that the used phono market is very brisk. Buying has loosened up slightly, giving them the opportunity to stock up some fine pieces, and at the same time, demand for reconditioned equipment is at a high level.

#### DALLAS DOINGS

Just happened into American Distributing as they were unloading several AMI phoongraphs. What a mad scramble to determine who got what. O. S. Myres, Mr. Avalos and Bill Chandler went away happy with two each. From what I witnessed, I would say that the AMI is quite popular with the ops. . . . Bob De Priest was standing alongside, giving me all the unprintable dope, daring me to put it in about here. . . . Leonard Matassa and Louis Kollman returned from a deer hunt. Terrific heads but no deer. . . . Chatted with Henry Manning about the many red snapper caught on his recent deep sea fishing trip along the coast. . . . We would like to convey our deepest sympathy to Jack Aderhold, whose father passed away November 19th. . . . Commercial Music Company informed us that Tommy Chatten is still in East Texas, Hey, Chatten, if you're looking at us, how about sending some news from the Far East?

Also learned that B. H. Williams is quite ill with a virus infection, but definitely will be up and about before too long. . . . Carl Lebow, Apollo Records, in from New York and losing no time with the local d.j.'s . . . During my idle hour at American Distrib, couldn't help but notice the way the ops are still going for the "Fighting Irish" and "Four Horsemen", even though the "Flying Saucer" and several more are newer games. . . . Jimmy Garrett is definitely sad over SMU's loss to A & M, but will definitely be on hand for the toss with Baylor. . . . At this point we are a little unhappy with Mack Duce. Hear that Mack was in big "D", but didn't get by to see any of his buddies. How about that, Mack? . . . Audry Hunter buzzed to give the latest on General Distributing. George Prock, as usual, is hitting all four and doing great things in the territory. For a little man, George certainly has the know-how on getting things done. Audry reports business is good and I can report the same from this end of the line. . . . Mr. and Mrs. E. L. Certain, Jr., returned from a three-week jaunt to New York, where they met their son returning from abroad on the French liner, "Liberte". Juanita and E. L. made several of the current Broadway shows, but spent most of their time at "21". We are mucho glad to have the Certains back in our midst.

#### CHICAGO CHATTER

Everyone should have enjoyed their turkey tremendously this past week. There was so much to be thankful for. . . . The field is still going ahead and, regardless of the seasonal holiday slump, everyone is planning to present some great products. As long as Uncle Sam will let them continue to build. . . . Over United, Bill DeSelm called in the firm's roadmen, Johnny Casola and Ray DeRoche, to have them look over the newest products on the production lines. Among these, one that is not being advertised, "Double Shuffle Alley Express," which has plenty of orders behind it for a fine re-run. . . . Rex Shryver and Les Rieck of H. C. Evans caught in the act of moving their office furniture into their big, new plant. The offices aren't as yet set, but, this looks like one of the biggest plants 'round town. . . : Red Zogg claims he has the answer in his refrigerated sandwich vendor. It clicked with many who saw it at the past NAMA show.

John Conroe, General Manager of J. H. Keeney & Co., Inc., is one of the busiest men around town. Biggest part of the hustle and bustle is to dig up materials. . . . Sam Stern over at Williams getting calls on his beautiful primaterials. . . . Sam Stern over at Williams getting calls on his beautiful private office shown, for the first time, in print in last week's issue of The Cash Box. Sam also advising materials getting tougher to obtain by the second. . . . Charley Pieri working away on the firm's "Match Bowler" which is clicking with all ops who have 12 ft. cushion shuffleboards. "It's making those old boards talk with plenty of coin," the way Charley puts it. . . Roy McGinnis looking forward to Florida. . . . That Johnson bill in Congress to tax machines \$1,000 each has plenty of coinmen upset. Definitely discriminatory. . . . Frank Mencuri hits the road again with the "Dale Six Shooter" which is growing in demand each day. Thangsgiving, or not, Frank's picking up those orders from here, there, and everywhere, according to Joe Batten, who is holding down the fort at Exhibit with Ford Sebastian. . . The "Hot Coil Kid," Joe Kuss, is now using double hot-coil action these days and leraning how to get out more production in more than one language over at United.

Herb Jones caught in his office at Bally sitting down and going over his mail. And instantly snapped by The Cash Box candid camera man. That's really something to catch Herb Jones sitting down, for even a minute. . . . Tom Callaghan is one star rhumba dancer. But, Tom's not yet satisfied. He's going back for more lessons. . . . Bill O'Donnell, Jack Nelson and Georgie Jenkins in a huddle over at Bally, which can only mean good news for everyone. . . Bill (The Shadow) Billheimer working right away on Hollycranes turning them out just as speedily as ever. . . . The big Park show under way this week. Lots of coinmen interested. . . . Anthony Hesch of Arlington Heights, Ill., phones in to compliment The Cash Box on those 10c play articles. Believes that once pinball goes to 10c, music ops will follow and change their coin chutes. . . Pres. Truman's new tax proposals will cost the average American 21% of his income next year. Those in the higher brackets to be hit publienty hard vate office shown, for the first time, in print in last week's issue of

Whether you know it, or not, Free Kleinman, well-known adman 'round these parts, does one of the greatest jobs for the boys at Hines Hospital each Xmas. Begs plenty of gifts from plenty of firms which he and his staff spend days wrapping. In addition, Fred gets all kinds of grand talent to come out to Hines with him, and put on one of the best shows money could buy. Orchids to this guy. . . . By the way, saw Ray Moloney give away a coupla hundred phono records to the kids at Mooseheart. . . . Believe us, we hope you enjoyed your turkey tremendously. And the greatest thanks, as one really smart man said is, "Thanks, for letting me be—an American."

#### CALIFORNIA CLIPPINGS

That November 14 meeting of music ops at Rodger Young Auditorium in L. A. (story opposite page) was a revelation to us, as we're sure it was to many of the operators present. Meeting George A. Miller, in itself, is quite an experience and makes it readily understandable why Northern California music ops have progressed so well under his leadership during the 17-year-existence of their California Music Guild. And it also explains why Miller, personally, has made such progress on the national scene as president of the Music Operators of America. Combine what is usually known as "charm", for want of a better name, along with a load of "know-how", and you've got George A. Miller. What he had to say at the L. A. meeting proved that he knows two things well: The automatic phonograph operating business and the people in and around it. Attorney Harrison W. Call, who traveled down from Oakland with Miller, is another man with many of the answers.

A leader in the California legislature several years ago, in the fight for a California Fair Trade Act, Call has made a specialty of legal work in this field and may be credited by operators and many other "small businessmen" for making their load a little lighter when it comes to coping with cutthroat competition, location pressure and in generally helping the boys over many of the problems that beset the little guy. And Joe Scilla, plain-spoken and hard-hitting chairman of the Northern California Board, is another fellow who registered well with the Southern Californians. Maybe it's true that L. A is the honeypot for the chizzler, rugged individualist and to-hell-with-the-other-fellow type of character—and 14 preceding unsuccessful efforts at organizing local music ops bear witness—but most of the lads in at Rodger Young seemed aware that the one way to lick your own problems was to help the other fellow with his in an intelligent and organized fashion.

Coming in late, and although virtually retired now, Ben Nathanson appeared pretty hopeful about it all—and he's the fellow who almost single-handedly formed the first organization of music ops in these parts many years ago. For one thing, we were impressed with the zeal and sincerity of Dave Wallach in getting the boys together, and with a long background in the mfg., distrib and operating end of the business in several parts of the country, Dave should be able to do a good job at the helm of the Southern California Guild. Good luck, fellows.

No longer a secret is Harry Williams' "Music Mite", now on the floor of Badger Sales, and arousing lots of interest from ops with location tailored to handle the smoothly working little fellow. . . . Also on tap on the Paul Laymon floor is Bally's long awaited "Hook Bowler", which Ed Wilkes tells us has been received by local ops as a very promising thing. . . . Paul and Lucille are still in parts unknown and must be having a grand time, not even finding any time to drop the boys a line. . . . Nice chat with Harry Snodgrass, of Pantages-Maestro, who tells us that production problems and materiel shortages are getting so acute these days that they'll probably be holding on to their "Gimmicks" from now on in for operating purposes. . . . Jack Simon all set to hop up to San Francisco on business, since his Las Vegas trip wore so swell with him business-wise and health-wise. Jack had a letter from partner Bill Marmer, saying he'd come out to Los Angeles when the smog disappeared, which will probably be the same time Hades freezes over. . . Phil Robinson out of town on business and to attend the opening of a friend's dress shop. Maybe Phil will model the size 9's. . . . Tragedy hit hard at the family of Ray Hopkins, Banning music op. . . . One day after Ray's own death, his son was killed in an auto accident. . . On the Row: Al Anderson, of Shafter. . . Al Reisz, from Santa Monica. . . . Balboa's Clyde Denlinger. . . Alex Koleopolus, of Bakersfield. . . Earl Wilson, from Las Vegas. . . . San Diego's N. P. Craver. . . . M F. Tillitson, from Long Beach. . . S. W. Ketchersid, of San Bernardino. . . . La Habra's Henry Van Stelton. . . Frank A. Ricj, of Woodland Hills.

#### MINNEAPOLIS-ST. PAUL, MINN.

Bob Kubes, of New Prague, in Minneapolis for a few hours, picking up his record supply. . . . Harry Galep, of Menominie, Wis., also in Minneapolis for the day, calling on a few of the distributors. . . . Forest Dahl of the Dahl Music Company, Fergus Falls, taking his family along with him to spend a few days in Minneapolis on a little vacation. . . I. L. Harris, Enderlin, N. D., in Minneapolis for a week, visiting his relatives and also disposing of some of his property. . . . Mr. and Mrs. R. M. Shea, of Wessington, S. D., in Minneapolis for a few days, taking advantage of the weather before the snow starts falling. . . . Angus Grant joined the ranks of married men two weeks ago, and is now back on the job after a short honeymoon.

Carmen Rober, of Luverne, in Minneapolis for a few days, making the rounds. Carmen has a nice set-up with his competitor, Leroy Roberts; whenever either goes out of town, the other takes service calls for him. Not a bad set-up for both of them. . . . Joe and Clarence Totske, of Fairmont, in Minneapolis, Tuesday morning, to pick up a few games. . . . Ray Kohner, of Winona, in Minneapolis for the day, picking up a few miscellaneous parts and his record supply for the week. . . . Millie and Eddie Birkemeyer also in Minneapolis for the day for the same purpose.

Frank Mencuri of the Exhibit Supply Company, in Minneapolis for a few days to see how the Exhibit Six Shooter is selling in Minneapolis at the Lieberman Hy-G Music Co., and also taking time out to go on the road for a couple of days with one of the Lieberman Hy-G Music Company's salesmen. . . . Harold Lieberman, in Washington for a week as a delegate for the Adath Jeshurum, to attend the convention there.

## SOUTHERN MUSIC OPERATORS FORM GUILD

#### Dave Wallach Elected Temporary Pres.—Geo. A. Miller Addresses Meet

LOS ANGELES—Off to a promising and apparently sound start with a charter membership of 40, was the Southern California Music Guild, following its organization meeting in Rodger Young Auditorium on Tuesday night, November 14.

With George A. Miller, president of MOA and of the California Music Guild (Northern California) sharing the rostrum with Attorney Harrison W. Call and Joe Scilla, chairman of the Board of the Northern California group, the Southern Californians seemed convinced that the solution to many of their problems could be found in organization.

David A. Wallach, who had sparked the organizing effort and was instrumental in getting the Northern California leaders down for the meeting, was elected president and business manager for a period of 90 days.

Other officers elected for the same time, until the election of annual officers might be held, were: M. F. Tillitson of Long Beach, vice-president; Bert Hammond of Santa Ana, secretary-treasurer; Thomas H. Farrell of San Diego, chairman of the Board of Directors; Irving B. Gayer

GEORGE A. MILLER

of San Bernardino; Ben Korts of Glendale; Johnny R. Hawley of Los Angeles; Frank Navarro of Los Angeles; Maurice Pierce of Pasadena; and Lee Nelson of Santa Ana; memanonopoly.

bers of the Board; with J. L. Stevens of San Diego and Albert J. Hanlin of Los Angeles as alternates.

Among the other members from Los Angeles are Irving Honig, L. E. Sanders, Jack Fox, Charles Starler, Irving and Paul Bershon, Harold Meier, Robert B. Young, H. C. Rutherford, Sam Ricklin, Cecil T. Daniels, H. A. Butchart, Sam Brown, E. M. Perez and Leroy G. Shockey.

Covering many other Southern California cities were S. W. Ketchersid and James H. Bowman of San Bernardino; Robert Pruitt of Pasadena; Clayton Ballard and Dean Brown of Glendale; G. L. Catlin of Montrose; Pete Pellegrino of Southgate; Ben Counselman of Orange; Ralph Kroeze of Paramount; Harold Tureen of Long Beach; Charles H. Gauger of Ventura; and Robert Boyd of San Diego.

Prime point of discussion at the dinner meeting, as voiced by Call, Miller and Scilla, with extensive questions from those present, was the advantage of organization in coping with such problems as unfair trade practices, evaluation of equipment, location relations and the threat of monopoly.

## No. Illinois Music Ops Discuss 10¢ Play At Meetings

CHICAGO—Northern Illinois Music Operators Assn. have been discussing advisability of 1 play 10c and 3 plays for 25c.

The discussions have waxed het and heavy at some of the last meetings, no one has as yet, according to members, started 10c play.

As one member, Anthony Hesch, of Arlington Heights, revealed, "The operators agree that we should change over to 10c play at this time for we aren't getting the returns that we should on 5c play.

"The play is just as big, but, with overhead what it is, our profits continue to get smaller and smaller, to the point where we feel that there won't be any profit at all, unless the members come together as a group and turn to 10c play."

Some of the members stated that this should have been put into effect during World War II, when it was first proposed by The Cash Box, and was immediately backed by Wurlitzer and AMI.

Others believe that the success of the shuffle games on 10c play is reason enough for the operators of music to turn to the 10c coin.

In the meantime, discussions continue at all the association's meetings.

FOREWORD: Many times, wide differences appear in the high and low prices of certain equipment. Like any true reporter "The Confidential Price Lists" can only feature the market prices as they are quoted. "The Confidential Price Lists" acts exactly the same as the market quotation board at the Stock Exchange—posting the prices as they are quoted for the past week, regardless of how much they may seem to be out of line. Some prices do not change for months. "The Confidential Price Lists," rather than show no price, retain the last known quotations for such equipment so that the subscriber at least has the last known prices as a basis to work with. Prices continue to be very widely divergent these days. Someone on the West Coast may feel a certain machine worth \$150.00 whereas someone on the East Coast may think it worth but \$75.00. Of course, condition, serial, appearance, demand, territory, quantity, etc., must all be taken into consideration. "The Confidential Price Lists" reports each quotation exactly as it is made and depends on the subscriber to make average price adjustments to fit the peculiarities of his territory. METHOD: "The Confidential Price Lists" should be read as follows: First price listed is lowest price for the week; Second price listed is highest price. Where only one price appears this should be considered lowest price.
