Eastern Flashes

Various types of news was made here recently and much of it effected operators in this section of the country.

As a starter, the Celler Bill came closer to the precipice which leads to music operator royalty payments when Congressmen Celler and Willis both entered length statements for the proponents of the bill (ASCAP, BMI and SESAC). A postponement at the eleventh hour came before the opposition could have its say. NYC and upstate coinmen did manage—via telephone—to prompt enough rebuttal from the constituents of Rep. Katherine St. George to result in a formal news release stating that the Congresswoman is vehemently opposed to the proposal. Al Denver to Millie McCarthy to Lou Werner and an assorted group of upstate coinmen was the way in which the move was played. The Washington, DC end of the phone line was never hotter.

Seeburg introduced its new machine and Atlantic used the Holiday Inn meeting place of MONY as a launching pad for the juke box that flashes a light and gives the player a Little LP for half-price. Showings were also held all week long at the Atlantic showrooms and everyone's awaiting the outcome of this radically new innovation. The new model is out on dozens of locations and early reports are encouraging. Bill Prutting, Seeburg exec who is credited with the basic idea, missed the excitement of a premiere. Before the shows were held, he was on his way to Europe for more goals to conquer.

The New York music operators probably have one of the finest location contracts in the industry. Nevertheless, the insertion of additional clauses which amount to about three and one-half typewritten pages of single spaced type, will make it even stronger. First off, the Cinebox and Scopitone machines, which are now in the process of being introduced throughout the country, with some music ops participating in the pioneering, will meet with opposition on location once a new clause goes into the MONY contract. Just as live music curtains play on a juke box, MONY execs claim that the same thing happens when an audio-visual machine is installed. Besides, they claim that since it is a coin-operated amusement machine they, the operators, should be entitled to operating it, if and when it is decided that this type equipment is desired. Actually, when you consider that the contract already prohibits another music operator from placing a machine, it is merely an extension of the present contract ruling. However, it is a long range move which Al Denver and Attorney Teddy Blatt feel is necessary for the protection of members.

The Credit Bureau idea, whereby ops who have been stuck with bad risk locations, notify MONY and have a card file on the losers in this town, may fall apart. Reason: lack of operator participation. If you feel that you'd like MONY to have a list of bad credit risks on file, at your disposal, in the event you decide to make a deal with a location, call Ben Chicofsky at CI 5-7550 and tell him you'll cooperate.

After almost four years of pioneering the 33-rpm speed record and eventually the Little LP, Seeburg's results have prompted Columbia Records to go into a nationwide program producing Little LP's not only for Seeburg outlets but for Columbia's distributors and of course, the one-stops. It is rumored that RCA Victor will follow and then you can expect the record industry to at last take cognizance of one of the facts of juke box operating life. You need LP artists on juke boxes. This is one way of getting them. Every juke box plays 45—33 rpm disks today and they all offer stereo. Eventually, look for every label producing LP material to press special disks for the juke box operator.

Is it news when Carl Pavesi is re-elected President of the Westchester Operators Guild? Since 1950, the man who headed this newly organized association, has remained its President. Now in his 15th year of service to the operators in Westchester County, we can only say to Carl: Congratulations! (for the 15th time!) Harold Rosenberg is VP Sec; Lou Tartaglia, Treasurer. Seymour Pollak, Eddie Goldberg, Herb Chacon, and Walter Swanson, all elected to the Board. The election took place at the Roger Smith Hotel in White Plains.

Speaking of Westchester ops, several were stricken with food poisoning two weeks ago when they joined the Tartaglias at a Wedding Reception for a friend. Evidently the caterer got his chopped liver mixed up and the result was a sick group of ops. Nothing serious, though.

Irving Holzman's wife Ruth is recuperating. . . . Al Simon putting in a long day these days trying to keep Art Daddis' U.S. Billiards road orders filled. . . . Good luck to Clayton Nemeroff on his new appointment with the Irving Kaye firm. . . . Howard Kaye back from a Northern Maine hunting-fishing trip with a few stories right out of Field & Stream. Moose, trout, wildlife, woods and men the way they used to build 'em, all living like there was no automation or even automobiles. Ask him about it next time you order an El Dorado 6-pocket table.

A. D. Palmer, in town the previous week for a Cash Rak meet, sticking to his desk to get that paper work out of the way. . . . Sorry to hear about Joe Kline and Sam Kolber in Chicago. First Coin closed its doors on public notice two weeks ago. . . . Sam Stern's closing the Williams plant for a vacation next week. . . . Fred Pollak and the Rowe AC boys settled down in Whippany for a long summer. . . . Ralph Wyckoff on the phone from Chi reports that Chicago Coin's 'Bronco' pin and 'Spotlite' are moving fine. "Ask Al Simon, he'll tell you," adds Ralph. . . . Joe Nemish, Duncan Sales head, tells us that he's awaiting license on the 'Arizona' gun which Abe Lipsky will distribute once its approved. Charlie Katz is Eastern rep. . . . Suren Fesjian, Mondial's head, due back in about three weeks time. Aspet Varten and Dick Sarkisian, keeping the intercontinental phones busy all week long. . . . Sol Lipkin, American Shuffleboard head, will pitch a softball game during the company's annual outing June 24 at Forest Lodge. . . . Stop writing to Lars Skriver in Hamburg for that \$12.50 machine. We goofed. It costs \$50.00 (which ain't bad for a 'nerve-tester'). And that's what it is. . . . Guess who breezed into our London offices? Mr. and Mrs. Larry Feigenbaum, of the Albert Simon Inc. firm, of course. They impressed our London man Neville Marten who is not easily impressed. (We're tempted to say 'It's a small world' but we won't). . . . Joe Munves has sold dozens of Southland 'Little Pro' golf games to the arcades and now has it licensed for locations, so look out. . . . Harry Berger decided to hold Open House in his new quarters on Thursday, June 18th, which happens to be his birthday, so bring a gift(?) Kidding aside, Harry offered drinks, refreshments and a tour through the new plant at 636 Tenth Avenue (cor 45 St.). . . . Jack Wilson attended the MONY meeting with his go-carting son, Jackie. . . . Dave Lowy suggested that MONY consider merging with CMA under one roof. Says he's been suggesting it for six years (Ain't anyone listening, Dave?). . . . CMA up at the Laurels, June 26-28. Call Nash Gordon, Oxford 7-2442. . . . Five firms joined MONY last month. . . . Subscribe to 'Daily Litigation' and learn of the lawsuits your locations receive. Might save you a buck. . . . It was Family Night at the Holiday Inn last week. Uncle Harry Siskind and Nephews Stan Feldman and Sid Mittleberg were all at the same table. . . . If you think locations should be permitted in MONY as associate members call Al Denver at CI 5-7550. . . . Sophie Selinger, the darling of the NYC music ops, is still the sweetest gal in town. . . . George Holtzman taking reservations for the Nevele Hotel outing Sept. 25-27.

Chicago Chatter

Coin biz is beginning to feel the summer "bug" with plans already being set for vacation schedules in some of the factories. The only definite vacation schedule starting this week is at Williams Electronic Mfg. Corp. Although the Williams plant will be shuttered for the vacation hiatus, from June 26 thru July 13, part of the office staff will be on duty. Sales vice prexy Jack Mittel expects to be available in his office throughout the entire vacation period.

A revolving table display with a new Seeburg model LP 480 phono was the center attraction at World Wide Distribs' two-day showing, Tuesday and Wednesday, June 16 & 17, in the firm's showrooms. Seeburg execs popped in regularly during both days. During our visit there we chatted with Seeburg's Bob Dunlap, Stan Jarocki and Dan Sullivan. Harold Schwartz, director of World Wide's music division was the official greeter, along with Nate Feinstein, Irv Ovitz, Fred Skor, Howie Freer and Art Wood. We also chatted with Eve Feinstein and Dorothy Cairns (natch!).

Nate Victor and his staff at S. L. London Music Co. in Milwaukee held their showing of the new Seeburg phono last Sunday, June 11 in the firm's showrooms. . . . Harold Lieberman and Lou Rubin have tentatively set June 23 & 24 as showing dates at Lieberman Music Co. in Minneapolis.

It's still a "mad world" at Bally Mfg. Co., with the popular amusement game still enjoying fine acceptance everywhere, according to Herb Jones.

The pretty gal handling the switchboard at Atlas Music these days is Eddie Ginsburg's daughter, Joan, who's in for vacation from her university studies. The excitement is mounting at Atlas in anticipation of the big, gala anniversary outing, July 10, at the Pheasant Run Lodge & Country Club.

MOA's Fred Granger infos that he has a signed contract for exhibit space from Jerry K. Stein, of Protocision Engineering Co. in Detroit.

While Empire Coin owner Gil Kitt is still dashing about the European Continent calling on the trade vice prexy Joe Robbins, Jack Burns, and Bill Milner are catching the sales brunt on the telephones.

Very much on the scene in Omaha recently for the big C.O.I.N. conclave were Wurlitzer's Bert Davidson, midwest regional manager; and C. B. Ross, director of Field Engineering Services. Davidson departed this week to call on Wurlitzer's distribs in Cincy and Columbus, Ohio.

The big GOP political hassle has its lighter side. T'other day when MOA brass lunched in the Celtic Lounge of the Sherman with NCMDA's Jack Bess and Bob Slifer, and the press, many of the guests in the dining room were shocked when Barry Goldwater look-alike Harry Snodgrass strolled in with his "entourage". To heighten the excitement photog Joe Gino snapped several photos—and, that's when the autograph seekers wanted "Sen. Goldwater's" autograph. Footnote: Harry and his guests came through the ordeal in fine style.

We chatted last week with Bob MacGregor and Paul Huebsch of Rowe AC Mfg., and they advised that the big exec move to the Whippany plant in New Jersey is proceeding well.

MOA Prexy Lou Casola has been a very active missionary of late trying to instill some action among music operators to help combat the Celler Bill. His next address on the subject will be delivered to Illinois operators during the ICMOA meet in the Morrison Hotel on Sunday, June 28. He sez he'll mince no words in spelling it out. . . . Fred Granger informed that more space is available for prospective exhibitors for the forthcoming MOA Convention. Due to heavy demand MOA officials met with the Sherman Hotel staff to arrange for more space on the exhibit floor.

When Jack Bess was in Windy City last week to attend the Moose Convention, Jack, a dedicated Moose official for many years was elevated to Grand North Moose, of the Supreme Lodge of the World Loyal Order.

According to latest reports from the Gottlieb family the \$800,000 fund drive for further expansion of patient care facilities at the Gottlieb Memorial Hospital in Melrose Park is proceeding well. The entire family, which spearheaded the drive with a \$200,000 starter, is dedicated to this institution.

Bill DeSelm, of United Mfg. Co., tells us "Thunder" big ball bowler is enjoying a lot of sales activity all over this country.

The big seller at Chicago Dynamic Industries this week, according to Mort Secore and Ralph Wyckoff, is ChiCoin's "Bronco" 2-player pingame. . . . When we were in Omaha for the recent COIN trade show we wiled away many hours chatting with Sol Lipkin, sales manager of American Shuffleboard Co.

Since Midway's "Trophy Gun" was introduced recently sales have been mushrooming. Hank Ross and Marcine Wolverton advise that the gun should enjoy a long and prosperous run in all markets.

George Hincker tells us most of the execs are in this week at the Rock-Ola Mfg. Corp. plant. The action on "Grand Prix" phono and "Caravelle" cigarette vendor are holding up firmly everywhere. . . . Leo Buntman, director of the Amusement Trades Division of the Combined Jewish Appeal, infos that donations are pouring in from all segments, and the coin machine group is more than holding its own.

LONDON NEWS

Betting-Gaming Revisions

LONDON—The Betting, Gaming and Lotteries (Amusements with prizes) Bill to amend the present gaming laws in relation to automatic machines operated in public places such as arcades, shops, cafes, restaurants and public houses under permits issued by Local Authorities is expected to receive the final approval of the House of Commons on the 26th of June. Although it will still have to go before the House of Lords, this is considered to be little more than a formality and the Bill is expected to become law within the next few weeks. Under the present law, although there is a limit of 1/- on cash prizes but no limit at all on the value of prizes that may be given in kind, there has been a considerable amount of criticism in certain quarters that the values of prizes were getting higher and higher. Many public houses, for instance, were offering top prizes of bottles of whisky (with the current price of \$6.20). The main purpose of the Amending Bill is to impose a limit on the value of prizes in kind. This was originally fixed at the ridiculously low level of 1/-. However, as a result of representations by the Trade Organisations the Government has been persuaded to increase this to 5/-. Although not as much as operators would have liked, it is generally agreed that the increase is fairly reasonable. Another purpose of the Bill is to give Local Authorities wider plans of discretion in refusing to grant permits in cases where it is considered inadvisable to allow the installation of machines. They will also be given power for the first time to limit the number of machines to be installed in certain types of premises.

British Pubs Take To 'Jupiter'

LONDON—Cyril Shack, Managing Director of Phonographic Equipment Limited, very active in the low price juke box market, envisages a swing towards Console models for better type locations. In this respect the latest Seeburg machines are in great demand. Phonographic also report fantastic sales for the French manufactured Jupiter box—with sales exceeding 600 units. A rapidly expanding market both for juke boxes and games is the British 'pub.' The big brewers are beginning to realise the importance of music as an accompaniment to drinking and a means of attracting customers of the twenty-thirty age group into bars. Phonographic are now installing 16' and 30' bowlers (United Bowlers) into public house locations, although the problem here is still one of space. Shack also reports that, in the near future, his Company will be entering the vending field and is negotiating British distribution rights with leading American vending manufacturers. He points out that he is interested only in American equipment as they are the acknowledged leaders in this particular field.

100 Rock-Olas Monthly

LONDON—Gordon Walker of Messrs. Ruffler and Walker reports tremendous demand for the six Rock-Ola models with orders steadily mounting week after week. The greatest interest is centered around the new Grand Prix 160 play prestige stereo-monaural phonograph (model 425) with 7" LP feature. Rock-Ola Grand Prix and Rhapsody sales have been running in excess of 100 units each month for more than a year; over one thousand units annually as verified by chartered accountants. It is predicted that, within the next twelve months, sales may be doubled to reach an annual total of two thousand units. The new interest and demand for Rock-Ola instruments has prompted the Rock-Ola factory to plan for quickly expanded production. Increased output will speedily be channelled to Ruffler and Walker, sole importers and distributors for the United Kingdom. Unusual efforts are being made to give would-be buyers early delivery.

London Court Rules Fruits Are Amusements

LONDON—A recent development of great importance to machine operators in Great Britain was the successful outcome of an appeal heard at Bradford a few weeks ago. Earlier in the year operators in the town had been convicted and fined for operating fruit machines in various premises in the town, mainly cafes and public houses, the magistrates holding that fruit machines were not 'amusements' and could not therefore be operated in public. Had this decision been confirmed it could have had dire consequences for the whole trade. Fortunately, however, it was overruled on appeal, a Quarter Sessions Chairman holding that fruit machines were 'amusements' within the meaning of the Act and that they could therefore be operated quite legally in premises for which the necessary permit had been granted by the local Council.
