Mr. Maben Jones.

Dear Cousin,

I have been wanting to write you for some time, but neglected doing so. I received the book you sent me appreciate it so much. It is indeed a very interesting book.

I am enclosing you Kodak pictures of the gravestones of my grand parents, they were taken separate and then together. the ones separate as you will see are much better than the ones together. also picture of my home. my wife and I, Sister and wife's nephew.

I hope you have been successful in gaining more information about our relatives. I have never heard any thing more. Did you ever hear what connection we are to Harry Flood Byrd?

I am watching the paper to see about the expedition of his brother Richard.

Cousin John Flood's daughter met
with a very tragic death this summer
by drowning in the Ohio river at Louisville.
She was an expert swimmer and was
out alone and went down before help
could reach her. Her body was not
recovered for about 48 hrs. She had
been married about seven months.
It has been such a sorrow to her
mother and father.

My cousin has given me a picture
of Robert E. Lee in a large size with
his Confederate grey suit on. It is
a splendid picture.

I am always glad to hear from
you and hope you will write me
whenever you can.

with love

your cousin

Robert P. Flood.

Mr. Maben Jones
Dear Cousin

It has been a long time since I heard from you and as I heard of Rev. Woodson living in Greenville, Muhlenburg ^{County} Ky. adjoining Christian County I thought possibly it was some connection of our family. The one that was telling me was from Southern Ky and ^{John} him and said just address to Rev. Woodson Greenville Ky. and he would get it, his father was a preacher but he is dead.

The Rev. Joel Lee Jones from Bedford Indiana was in Cropper for a few hours last week but I did not get to see him, his address is still at Bedford, Indiana, I hope you

~~you~~ have gained further information
and whenever you can I hope you will
let me hear from you.

Sincerely your cousin,

Robert P. Flood.

Sent to Mother by

Grandson of Mary Jones

Dear Cousin George & Monroe Flood:

I have been long wanting to know where you all lived. I found out by Cousin J. W. Woodson who now lives in Texas. I wrote to know if he could give me any information about all of my relatives. He wrote you were living in Christiansburg, Shelby County.

Uncle Anthony & Charles Jones' children I suppose he does not know where their offices are. Aunt Margaret D. Jones is still living and is anxious to hear from her sisters and brothers children. She is the only one living. Mother died eleven years ago last July. She was born 1794. Aunt Margaret was born 1797, 24th of December. I have had her to take care of about 18 years. At the surrender she lost everything she had to live upon, her Negroes was nearly all she had. I was in the war a part of 4 years, lost \$1800 dollars. Did not have anything for my family to live upon when I got home at the surrender. I had a large farm. Father died after I went to the army. That left mother, two sisters & idiot brother for me to work for. I have had a hard time. You will see I am in my 61 year now, still have a large family besides Aunt Mag, two sisters and a niece to care for now. I am much afflicted with a cancer. Had doctors working on me 8 or 10 years. I hope I am improving now. I cannot supply Aunt Mag with such things as she needs. I cannot think of sending her to the poor house. Cousin Wesley Woodson is the only one besides myself that has helped her. He gave her some clothes when he was in here last. I do not think she will be with us very long.

Cousin Wesley says Cousin Joe L. Flood is dead. I knew him. I tried to let him know Aunt Mag's condition. I suppose I did not send to the right P. O. Aunt Mag gave him a likely Negro boy when he was in here. She never gave me anything to take care of her. What I have done it is because she was my Mother's sister. I reckon I am the poorest one of her nephews. If you can help her if it is but a little. I don't think she will be with us many months.

I married your second cousin, a Miss Anderson, a granddaughter of Mr. Moses Flood's. Whether you can help Aunt Mag or not be sure to write to me. You have many relatives in this county. I must close. I remain your true friend and cousin,

Stephen A. Glover.

This copy from the original letter now in the hands of Robert P. Flood, Cropper, Kentucky.

Stephen Anthony Glover, born Dec. 10, 1844, died Jan. 21, 1890.
