EMILY'S LIST

Denise Feriozzi, a William & Mary alumnus of the class of 2001, will be speaking on Thursday, April 24, 2003. She is working with an organization called EMILY's List in Washington, DC, that works to elect more pro-choice, Democratic women to the U.S. Senate, House, and as Governors around the country. She is recruiting graduating seniors for an exciting new program called Campaign Corps that aims to involve young people in progressive politics. Each year, they recruit and train the best and brightest of young activists to take part in our week long intensive campaign school, and then place participants as paid campaign staff on progressive, Democratic races throughout the country.

What: Recruiter for Emily's List

Who: Denise Feriozzi

When: April 24, 2003

Where: Morton 239

Time: 10:00 am-12:00 noon

This should be an interesting topic. Please come and find out more about Emily's List.
