## Room Selection Lottery

All undergraduate students who wish to try for single rooms for 1974-75 should attend their respective drawings on Wednesday, May 1, at 5 p.m. in the Campus Center. Women will draw numbers in the Sit 'N Bull Room, and men will draw in the Little Theatre. Women will select single rooms on the basis of the priority determined by the prior drawing beginning at 7 p.m. in James Blair 206-B. Men with numbers 1-100 will select their rooms beginning at 7 p.m. in James Blair 206-B, and men with numbers 101-203 will select their rooms beginning at 5 p.m. on May 2 in James Blair 206-B. The exact schedule for the selection of rooms will be provided at the drawings. Those students who fail to qualify for single rooms will be eligible to participate in the lottery of triples/apartments at Ludwell and/or in the lottery for doubles.

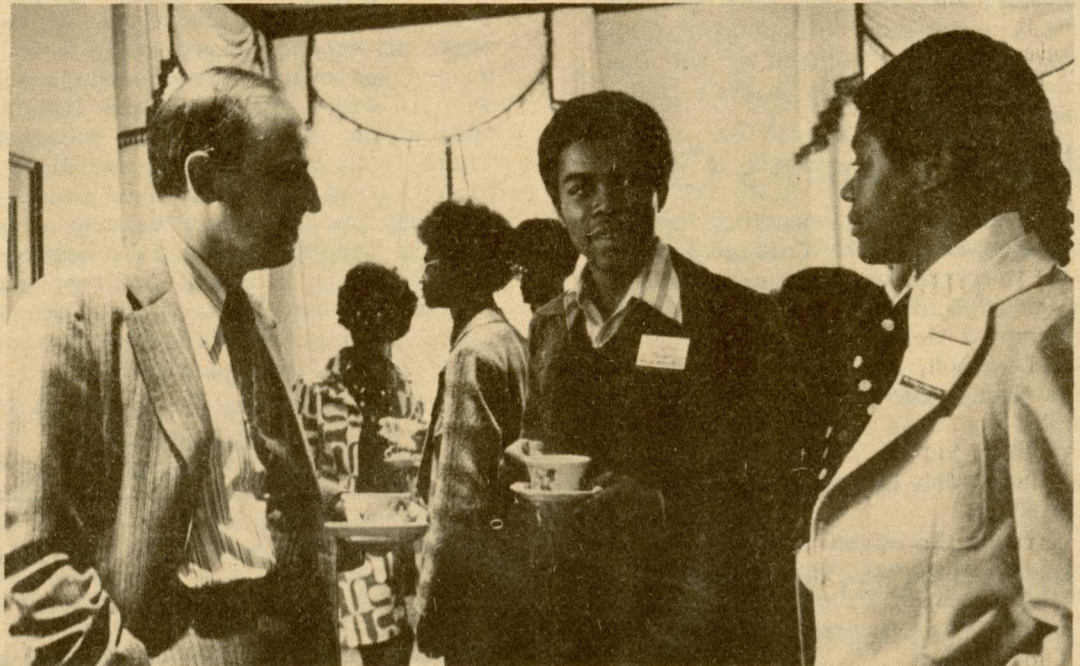

All undergraduate students who wish to try for triples and apartments at Ludwell should attend a drawing to be held on May 6, at 5 p.m. in the Little Theatre of the Campus Center. These students will select their rooms on the basis of the priority determined by that drawing beginning at 7 p.m. in James Blair 206-B. The exact schedule for the selection of rooms will be announced at the drawing. Those students who fail to qualify will be eligible to participate in the doubles lottery.

The schedule for the doubles lottery, which will begin on May 8, will be distributed to residential students on May 5. Students currently residing off-campus who wish to participate in the doubles lottery should obtain a schedule at James Blair 206-B on May 5. Those students interested in the doubles lottery should disregard previous notices to the effect that random numbers will be assigned by the computer to determine priority for room selection since, in order to complete the lotteries before exams begin, it will be necessary for them to draw for numbers.

Special attention is called to the following: (1) In order to participate in the lottery, a student must have paid his room reservation deposit by March 8; (2) In order to participate in any drawing other than that for single rooms, a student must have the proper number of roommates, and they must also have paid the room reservation deposit by March 8; (3) Where roommates are not of the same class, the roommate of the higher class will determine priority for room selection; and (4) If a student is unable to attend the respective drawing or to select his room at the designated time, a friend may act in his behalf provided he furnishes a note from the student authorizing him to represent him and agreeing to accept his selection.

## Spring Honors Convocation

Because of our printing deadline, proceedings of Monday evening's Convocation will be carried in the next issue.

## Graves Chats with King Scholarship Recipients

Recipients of the 1974-75 Martin Luther King Scholarship spent a day on campus last Thursday touring and conferring with members of the administration, faculty and students. President Thomas A. Graves, Jr., is shown with Lloyd Byrd (center) of Detroit and Keith Blount of Smithfield at a reception given in honor of the recipients at the Alumni House. Carrying a stipend of \$500, the King Scholarship is made possible through contributions from members of the College community.

## DAR Inaugurates Campus Beautification Program

The Williamsburg Chapter of the Daughters of the American Revolution has inaugurated a beautification program on the William and Mary campus as part of its observance of the American Bicentennial celebration.

The local DAR chapter has pledged a donation of 13 dogwood trees to be planted on various locations on the campus, beginning this spring through the spring of 1976.

Four trees have been planted this spring; two near duPont dormitory and two at the entrance to the new campus. President Thomas A. Graves, Jr., and

Mrs. Gordon C. Vliet, chairman of the DAR's conservation committee, have been the "official planters" of the trees this year.

The group has been assisted on campus by J. T. Baldwin, professor of biology, who has introduced many interesting plantings at the College and Ervin Farmer, director of buildings and grounds.

The local DAR chapter, headed by Mrs. William J. Massey III, regent, has made several donations to the College, the most recent of which is the American flag in William and Mary Hall.

## Transportation Control Board Recommendations

The Transportation Control Board, completing a year-long in-depth examination of the parking and traffic situation on the campus, has provided copies of its draft report to key campus officials and organizations for examination and comment. A final report, after consideration of any suggestions received, will be forwarded to President Graves through Vice President for Business Affairs William J. Carter, by the end of the spring semester.

The 17-member Transportation Control Board, with representatives from all constituencies on the campus, at the request of President Graves undertook the first major review of motor vehicle parking and traffic for the College since Seniors were authorized to have automobiles on the campus in the fall of 1969. The Board's findings constitute recommendations only, since final action in this administrative area is the responsibility of the President, within authority delegated to him by the Board of Visitors.

No dramatic individual changes in the current parking and traffic situation were suggested. Among those recommendations having direct impact upon significant campus segments are:

1. Changing of traffic flow to one-way direction on certain campus streets, and the installation of stop signs at key points to reduce the speed of traffic and the resulting safety hazard at crowded pedestrian crossings.
2. Permanent closure of Old Campus Road where it intersects Crim Dell to reduce non-College cross-campus traffic.
3. Establishing a 25-mile-per-hour speed limit for the entire campus, with the exception of 15-mile-per-hour speed limits on Blair Drive and Old Campus Road from Jamestown Road to the closure of Old Campus Road at Crim Dell.
4. Posting of speed limit and "No Through Traffic" signs at all entrance roads to the campus.
5. Establishing the principle of moving violation citation authority for the campus security police. Cont'd, p. 7

## RBC Speaker

Author Russell Kirk will speak May 31 at Richard Bland College's 13th Commencement.

Cornelis Laban, RBC's acting president, said the commencement speaker represents the first from out-of-state to appear at such an occasion.

Author of 18 books and several hundred periodical essays, short stories and long reviews, Mr. Kirk is best known through his twice or three-time weekly columns appearing in many leading newspapers. This feature, "To the Point," is distributed by the Los Angeles Times Syndicate to more than 100 daily newspapers.

## College Women's Club

Mrs. Thomas A. Graves, Jr., has invited members of the College Women's Club to the President's House for a social hour Friday, May 3, prior to the club's annual spring luncheon.

The luncheon, at which annual reports from committee chairmen will be presented and officers elected, will be held at noon in the Campus Center Ballroom. Mrs. John Lavach, president, will preside.

Mrs. David Thompson is in charge of general arrangements. The Women's Club Gardening Interest Group will provide the floral arrangements.

## Visiting Scholar

Victor Weisskopf

Victor F. Weisskopf, Institute Professor and chairman of the Department of Physics, Massachusetts Institute of Technology, will speak at the College, Wednesday, May 8.

He will speak on "Of Atoms, Mountains, and Stars: An Exercise in Qualitative Physics" in Small 113 at 8 p.m. His visit to campus is part of the current Visiting Scholars Series arranged in cooperation with the University Center in Virginia, Inc.

Mr. Weisskopf is widely known for his theoretical work in the structure of the atomic nucleus. He has served on the faculty of the University of Rochester and was director-general of the European Center of Nuclear Research (CERN) in Geneva, Switzerland. He was instrumental in planning the construction of "intersecting storage rings," a clashing proton beam device. This facility is working today and is unique in the world.

## Education Conference

The Special Education Division of the School of Education will sponsor a regional conference on "Litigation, Legislation, and Special Education" for administrators, supervisors, and directors, Friday-Saturday, May 3-4.

Keynote speaker for the conference is Burton Blatt, director of the Division of Special Education and Rehabilitation at Syracuse University.

## Official Memoranda

TO: The College Community

SUBJECT: Space Assignment

The Space Assignment Committee expects to submit revised recommendations to the President within the next three weeks covering academic space assignments on a College-wide basis for the next several years.

Some preliminary decisions have been reached and communicated to the departments or schools immediately affected. We are following this procedure step by step in order that there be direct communication on the specific recommendations leading toward the coordinated plan that will be published promptly, upon approval by the President.

This interim report is prompted by our desire to keep you informed and to reassure those who have not been contacted by the Committee this spring that you will be consulted.

Carter O. Lowance  
Executive Vice  
President

## Blue Cross-Blue Shield

For the third consecutive year there will be no rate change in the Blue Cross and Blue Shield health care program available to State employees. May is the annual reopening month for the State program and is the time when eligible State employees not now enrolled in the program can enroll and when those employees already enrolled can change their coverage from the State Plan to the Optional State Plan and vice versa and from Employee Only to Family coverage. New enrollees and present enrollees' changes will become effective July 1, 1974. Payroll deductions for new employees and/or changes for those already enrolled will become effective on the June 22 paycheck.

Employees who wish to join or to change their coverage will be required to fill out applications which should be returned no later than May 31, 1974. After that date, no changes can be made until the next enrollment period in May 1975.

## Campus Security Log

4/22/11:30 a.m. Threatening letter received by College Bookstore. Investigation revealed letter was written by patient at Eastern State. Hospital authorities assure closer surveillance of patient.

4/25/5:45 a.m. Trespassing citation issued man attempting to enter door at west end of Jefferson Dormitory.

4/25/7:20 p.m. Varsity Schwinn 10-speed orange bicycle stolen from front of Barrett Dormitory between 3 p.m. Wed. and 7 p.m. Thurs. Reported value of \$50. Serial number SN-KG107060; Registration # - Norfolk 74570.

4/26/3:30 a.m. Two unauthorized men observed in State Car Parking lot. Upon investigation gas can was discovered between Madison and Stith; hose in State Car #26S-379. Search of area made with no results.

### Parking Citations

The Campus Police Department will continue to issue warning to cars parked on the wrong side of the street and facing oncoming traffic.

Parking citations for this violation will be issued on May 1.

## Manette Coleman Retires

Manette P. Coleman, clerk-steno in the Admissions Office, has cleared her desk for the person who will replace her tomorrow.

Mrs. Coleman retires today after 12 years in the Admissions Office. Prior to joining the William and Mary staff, she was a secretary in the Selective Service Office in Newport News. She had also worked as a secretary in the Drafting Department of the Newport News Shipbuilding and Dry Dock Company.

Mrs. Coleman says she has most enjoyed the variety on her job--"nothing remains the same--there is constant change." She has also enjoyed her association with members of the Admissions staff. Last week Admissions staffers gave a lunch in her honor at the Hospitality House, during which time she received a clock-radio.

Reflecting on her first days on campus, she recalls the time when there were only five clerks in Admissions--there are currently nine. When she arrived in January, 1962, the office had just moved to Ewell from James Blair.

A native of Sumpter, S.C., Mrs. Coleman plans to make frequent trips there to visit her mother, sister and brother, and to Denmark, S.C., to see her sister, nieces and nephews.

She is a member of the Williamsburg Presbyterian Church. Working crossword puzzles and reading are her favorite pastimes.

## Devlin to Speak May 2

Bernadette Devlin

Bernadette Devlin, former member of the British Parliament from Northern Ireland, will speak on "The Irish Struggle," Thursday, May 2, at 8 p.m. in William and Mary Hall. Her visit is being sponsored by the Student Association.

Ms. Devlin is currently on a limited speaking tour to raise funds to support the cause of revolutionary struggles in Northern Ireland.

As well as having been elected to and serving in her country's legislature, Ms. Devlin is the author of a book, *The Price of My Soul*, released in 1970. It is described as part autobiographical, part chronicle and part political analysis, blending her life story with the culture of Ireland and the Irish struggle.

Admission is 75¢. William and Mary faculty, staff and students will be admitted free.

## Collegium Musicum

Evelyn Swarthout

Evelyn Swarthout, pianist from Washington, will perform in the fourth and final program in the 1973-74 Collegium Musicum Series Sunday, May 5, 4 p.m. at the Campus Center Ballroom. The program is open to the public.

Miss Swarthout will include in her program J. S. Bach's "Italian Concerto," Brahms' "Piano Pieces, Op. 76, Nos. 1-8," Ravel's "Le Tombeau de Couperin" and as a special feature, the "Piano Sonata" by the contemporary composer, Elliott Carter. Of particular interest in the Carter work is the use of the middle or sostenuto pedal throughout.

Head of the Piano Department at American University, Miss Swarthout has appeared as soloist with the National Symphony Orchestra. She has given numerous recitals in England and on the continent as well as in the United States.

## IEAHC Council

Ivor Noel Hume, resident archeologist for Colonial Williamsburg Foundation, was one of six persons named to the Council of the Institute of Early American History and Culture which held its annual meeting last weekend at the Conference Center.

The Council is the advisory board of the Institute, a center for historical publication and study, sponsored jointly by the College and the Colonial Williamsburg Foundation.

Other new members elected to the Council include: Gary Nash, University of California at Los Angeles; Mrs. Mary Maples Dunn, Bryn Mawr; Jackson T. Main, State University of New York, Stony Brook; Jacob Price, University of Michigan; and Anthony F. C. Wallace, University of Pennsylvania. New members are elected for a three-year term.

William G. McLoughlin, Brown University, was named secretary of the Council, succeeding John W. Shy, University of Michigan, who is retiring from the Council. James Morton Smith, director, State Historical Society of Wisconsin, and former editor of publications for the Institute, was renamed chairman for a third term. Whitfield J. Bell, Jr., of the American Philosophical Society will continue for another year as vice chairman of the Council.

Other members of the Council include Sacvan Bercovitch, Columbia University; George R. Healy, William and Mary; Jules D. Prown, Yale University; Stanley N. Katz, University of Chicago Law School; Robert Middlekauff, University of California, Berkeley; J. R. Pole, Churchill College, Cambridge; and Wilcomb E. Washburn, The Smithsonian Institution.

The Institute has published many prizewinning books since it was founded in 1943 and is also the publisher of the leading magazine of early American history, *The William and Mary Quarterly*. Current projects also include the publication of the papers of Chief Justice Marshall and co-sponsorship with the Newberry Library of Chicago, of the *Atlas of the American Revolution*.

## Diploma Fees Due

Degree candidates who are eligible to receive their diplomas at Commencement exercises Sunday, June 2, must pay a diploma fee on or before Friday, May 10, at the Auditor's office in James Blair Hall.

Cost of the diploma is \$10 for all degrees. No diploma will be awarded unless it has been paid for and all accounts are satisfied.

## Public Hearing

The Virginia Housing Study Commission will conduct a public hearing Monday, May 6, at 2 p.m. in the Campus Center Little Theatre.

Topics under discussion will include student housing and mobile home ownership.

The public hearing is the first of six planned throughout the State.

## Pre-Law Advisor

Bob Easterling, graduate assistant, is available in the Office of Placement to discuss law school admission procedures. He can also provide some information on law schools, e.g., catalogs, bulletins, etc.

For further information, call Ext. 605 for an appointment.

## Howard Baker to Speak

U.S. Senator Howard Baker, Republican vice-chairman of the Senate Watergate Committee, will speak in William and Mary Hall on Tuesday, May 7, at 7:30 p.m.

His topic will be "The Lessons of Watergate."

His visit to campus is being sponsored by the Inter-Residence Hall Council.

## Placement Interviews

On Friday, May 3, W. H. Miller with the Department of Taxation for the Commonwealth of Virginia will interview in the Office of Placement. He will be interviewing for the positions of auditor and tax examiner.

An auditor must have a minimum of 12 hours of accounting. The beginning salary is approximately \$9,100.

The tax examiner should have 6 hours of accounting, or math that would prepare him to do some accounting. The beginning salary is approximately \$7,680.

To make appointments to see Mr. Miller, call the Placement Office, Ext. 604 or 605.

## Physics Colloquium

George Lang of Pennsylvania State University will speak on "Mossbauer Spectroscopy of Iron in Biological Molecules," Friday, May 3, at 4:30 p.m. in Small 109. Coffee will be served in the Conference Room at 4 p.m.

## Literary Keg Fest

X. J. Kennedy

Students and faculty members in the Department of English, their spouses and friends, will gather at Lake Matoaka Shelter for a literary keg fest, Saturday, May 11, at 4 p.m.

A distinguished poet or author is the guest of honor at this event, given annually by the Department. This year's honoree is famed American poet X. J. Kennedy, who will read from his works during the culmination of the afternoon's festivities.

A former editor of *The Paris Review*, he is now co-editor of a little magazine, *Counter/Measures*, and professor of English at Tufts University.

His latest collection of his verses, entitled *Emily Dickinson in Southern California* (Godine, 1974), will be on sale at the College Bookstore for autographing.

## Oriental Art Exhibit

A special exhibition and sale of original oriental art will be presented on Thursday, May 2, at Andrews Hall from 10 a.m.-5 p.m.

Cadet Laura Farris, '75, will receive the Virginia Chapter of the Daughters of Founders and Patriots of America Medal for patriotism, loyalty and dedication to the ideals of the country.

### Business Execs to Visit

"Meet the President Day," arranged by William H. Warren, associate professor of business administration, will be held Thursday, May 2, on campus.

The program is a culmination of the telephone interview project which Mr. Warren has been incorporating into his senior level class in business policies. The May 2 program is aimed at giving students a chance to meet some of the executives they have been listening to by phone during the semester and to bring about a greater interaction between the academic and business worlds.

The day's schedule will include a luncheon in the Campus Center followed by a program to be held at the Williamsburg Lodge that afternoon. Scheduled is a dramatization of a business case presentation to a board. One of the visiting executives will serve on the "board," which will make a decision based on evidence presented. Members of the School of Business Administration faculty participating in the presentation will include: William H. Warren, William J. Maddocks, Colin Park, and Leland E. Traywick.

Businessmen attending the program include: John W. Fisher, president, Ball Corporation; K. A. Randall, president, United Virginia Bankshares; Linwood F. Perkins, Jr., Henry Walke Company; W. L. Zimmer, president, A. H. Robins, Inc.; Hays T. Watkins, chairman, The Chessie System, Inc.; John H. Smith, president, Computer Leasing Company; Jerry T. Faubion, president, Dow Badische Co., Inc.; W. # Personnel Bulletin

## Memorial Day

DATE: April 24, 1974

In accordance with the holiday schedule as revised by the 1970 General Assembly, Memorial Day falls on Monday, May 27.

This holiday should be given, as far as practicable, to members of each department. It is recognized that certain services must be maintained in the various departments, but these services should be furnished on the holiday by a minimum number of employees. The responsibility for determining the number of employees rests with the department head. It is not a decision to be made by the employees of the department.

A leave slip should be submitted to the Personnel Office for any permanent classified employee who takes leave on this holiday. Permanent classified employees who are required to work on this holiday should take the compensatory leave earned as soon thereafter as possible in order to avoid leave accumulation. Hourly employees who work on this holiday will be paid at their regular hourly rates.

## Job Opening

The following position at the College will be vacant. Qualified employees who wish to be transferred to this position may receive additional information at the College Personnel Office. The College of William and Mary is an Equal Opportunity Employer. Accordingly, women and minority employees are encouraged to apply for those positions for which they feel they are qualified.

Computer Operator or Computer Operator Trainee for IBM 360. One year minimum experience required on IBM Computer Systems or two years in the operation of business machines. Salary range \$5,640-9,168 per year.

TO: All Deans of Schools and Department Heads

SUBJECT: Compliance with the Fair Labor Standards Act as Amended in 1974

Employees of the College of William and Mary are covered by the 1966 amendments to the Fair Labor Standards Act (Wage and Hour Law), and Congress has again amended this law.

The latest amendment concerning wages will not affect classified employees significantly, since the lowest salary step in the State compensation plan is equivalent to \$1.96 per hour, which is above the new minimum of \$1.90 per hour, effective May 1, 1974. However, the wage rate for persons on hourly payrolls must be at least \$1.90 per hour by May 1, 1974. An exception to the required minimum provides that full-time students may be employed in the higher educational institutions which they attend at rates not less than 85% of the applicable minimum wage for up to 20 hours per week. The rate for students therefore, will be at least \$1.62 per hour, effective May 1, 1974.

## Junior Class Survey

The recently elected officers for next year's senior class have announced that a survey will be conducted among members of the Class of '75 to determine certain priorities toward graduation, homecoming, and class committees. The survey, to be held on Wednesday, May 1, will be conducted along with the election for the Board of Student Affairs.

The juniors will be asked to indicate their preferences for next year's graduation speaker. A list of suggested speakers has been prepared, but all write-ins are welcome and will be given full consideration. The survey will also provide the students an opportunity to suggest performers for the October homecoming concert.

Formal class committees have been established for next year's seniors. They are a homecoming committee, a graduation committee, a senior gift committee, a newsletter committee, and a programs committee. All of the committees are open to the entire class. Committee members will select their respective chairmen. The survey will provide room to sign up for these committees.

## Campus Postcards

For a number of years, postcards of the Wren Building have been available to students and visitors who wanted to remember the College campus.

Now, for the first time, five other views of the campus are offered on color postcards at the College Bookstore. They include the President's House, the Earl Gregg Swem Library, the Sunken Garden, Crim Dell in the snow, and the Marshall-Wythe School of Law, in addition to the Wren Building.

The campus scenes were photographed by Harriett Stanley, '72, working with Mrs. Thomas A. Graves, Jr.

Postcards may be obtained in the gift corner of the Bookstore at a price of 10¢ each or three for 25¢. A limited number are available at the College News Office.

## Meeting Rescheduled

The Lyon G. Tyler elections meeting previously set for May 2 has been rescheduled for Tuesday, May 7, at 7:30 p.m. The place will be announced later.

### Foreign Teachers Available for Positions in the U.S.

The Office of Education's Division of International Education has announced that a number of well-qualified foreign teachers are available for placement in U.S. schools for the 1974-75 academic year. These teachers have been recommended for participation in this program by bi-national educational commissions and foundations in their own countries, and they have a good command of the English language.

American schools would be expected to provide dollar salaries commensurate with individual qualifications and experience and in accordance with local salary schedules. The arrangement does not involve an exchange of positions with American teachers, and assignments would only be for one year.

Further information may be obtained by contacting the Teacher Exchange Section, Division of International Education, Office of Education, Department of Health, Education and Welfare, Washington, D.C. 20202.

## Earth Day Held

The Campus-Wide Environment Committee, headed by Carl Vermeulen, associate professor of biology, sponsored Earth Day on campus last Saturday.

Student chairman for the project was Stuart Smith, '74, McLean.

Four major projects have been initiated to improve and beautify the campus environment in the areas of Sorority Court, Fraternity Complex, Bryan Complex and Millington Hall.

Workers were assisted by the Buildings and Grounds Department in obtaining materials such as shovels, topsoil, pine bark and grass seed.

Trees and bushes were bought with a donation of \$100 each from the President's Contingency Fund, the Society of the Alumni and the Senior Class treasury.

Work in four areas of the campus includes the construction of flower boxes in Sorority Court by members of Tri Delta, Pi Beta Phi, Chi Omega, Alpha Chi Omega and Gamma Phi Beta sororities and construction of a fence by Gamma Phi Beta. Students and Biology Club members, assisted by John T. Baldwin, Jr., professor of biology, have undertaken planting and trimming trees and spreading pine bark around Millington Hall. The Bryan Complex project includes preparation of ground for a bicycle rack, spreading pine bark and planting bushes.

Students from each fraternity were responsible for the installation of traffic barriers at Fraternity Complex and planting trees, bushes and grass seed.

## Grad Student Picnic

The Graduate Student Association is sponsoring a picnic for arts and sciences graduate students Sunday, May 5, from 1-5 p.m. at Lake Matoaka Shelter. There is no charge.

## Transportation Control Board, cont'd.

6. Designating only the top administrative officials and the physicians at the Student Health Services Center as authorized personal parking spaces.

7. Arranging for seriously handicapped persons, either permanently or temporarily medically handicapped, to be provided personal parking spaces.

8. Retaining the present system of Faculty/Staff/Employee, Resident Student and Day Student parking for the coming year, plus establishment of a 5-person sub-committee of next year's Board to investigate and determine as soon as possible the feasibility of parking lot assignments adjacent to place of work, place of residence or place of study for day students.

9. Given the likelihood that appropriated State funds will not be available in the near future for improvement and/or expansion of parking facilities, establishing a \$5 registration fee for all individuals, with the exception that those individuals who might be inconvenienced can obtain a \$1 registration decal with parking limited only to the Common Glory and William and Mary Hall parking lots.

10. Continuing the use of wheel locks as the primary punitive measure, in lieu of towing, when the ultimate sanction of banning a vehicle from the campus for failure to pay traffic or parking citation fines is imposed.

11. Continuing authorization of motor vehicles for Seniors and Juniors, with the provision that the Board sub-committee investigating lot assignments will research thoroughly the probable impact of authorizing Sophomores and

Freshmen to bring automobiles to the campus, making such recommendation to the total Board as soon as possible during the first semester.

12. Elimination of academic-oriented sanctions against students for failure to pay traffic and parking fines, with provision that registration of a motor vehicle in a subsequent year will be denied until all outstanding fines have been paid.

13. Retention of the same fines structure for the coming academic year.

Chairman of the Transportation Control Board Marvin M. Stanley has urged all key campus officials and organizations having suggestions about the draft report to transmit them to him in writing by May 1, 1974. Such key personnel, individually or representing campus organizations, plus any other member of the campus community will be welcome at the regular 2 p.m. Board meeting of May 3, 1974, in Room 301 of Hugh Jones Hall, to present any suggestions in person.

The chairman of the TCB will meet with officials of the City of Williamsburg on May 9 to advise them of the contents of the report and discuss any ramifications the report might have with the City of Williamsburg and Colonial Williamsburg. Copies of the report are available for examination by any member of the campus community in the office of the Dean of Students, the Campus Center, Personnel Office and Swem Library.

The final report will be compiled and presented to the President through Vice President Carter during the week of May 20, for subsequent presentation to the Administrative Council at its meeting of June 5, 1974.

Members of the Transportation Control Board, appointed by the President, are: Ernest Boyce, housekeeping supervisor, Plant Department; John C. Bright, director of veteran affairs; William J. Carter (ex officio), Vice President for Business Affairs; Benjamin R. Cato, Jr., professor, mathematics; Kermit L. Dunahoo, assistant professor, law; Ervin D. Farmer, superintendent of buildings and grounds; Lewis A. Foster, associate professor, philosophy; Jeffrey W. Leppo, '77; Janie M. Morgan, secretary to Dean Johnston; Carolyn L. Moseley, Associate Dean of Students for Administration and Special Programs; Richard D. Orrock, '74; Jean Marie Peet, library assistant; Bruce W. Pflaum, '75; John W. Quenstedt, '74; Ellen F. Rosen, associate professor, psychology; Marvin M. Stanley (chairman), associate professor, business administration; Jesse S. Tarleton, assistant professor, business administration; and Elaine E. Tesko, '74.

## P. E. Proficiency Tests

Proficiency tests in physical education will be given for women Wednesday-Thursday, May 1 & 2 at 8 p.m. in Adair Gym. All interested students should report at that time.
