Dear Madame.

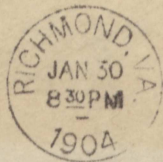

The Trustees of The Valentine Museum desire to extend to you their cordial thanks, for your father's beautiful poem "Memoriae Sacrum"; also the interesting letter written by the Poet to Miss Campbell, introducing his friend Mr John R. Thompson, both of which you have been kind enough to present to the Museum.

We take this opportunity of asking that you bear the institution in mind, and when occasion offers, assist us in developing its collections.

The Valentine Museum,

A. B. Jones
Secretary.
