I really blush to recollect the intolerable scrawls which have been imposed on my dear Mrs. Johnston, by her Friend--- Your last favor recently came to hand my brother took it out of the office and carried it to Monticello-- accept now, my sincere thanks-- Mr. Johnston is, I trust, perfectly recovered-- Every member of your family is remembered by me with grateful affection-- I am on the wing of departure for Curles and, in three weeks, shall accompany Mr. T- to Williamsburg--to remain the whole winter--

Never did I hear so various a noise--confusion is unavoidable where there are so many persons perpetually calling-- I have contracted an acquaintance with that luminary, Miss Wheelen, she possesses the most fascinating urbanity of demeanor,--her talents, and acquirements, are very considerable--and her person agreeable-- Mrs Wickham I think transcendently beautiful her manners too, are vastly attractive--- Pardon haste and confusion--- Most cordially yours

I really blush to recollect the intolerable screws  
which have been imposed on my dear Mrs. Johnston, by  
her Friend - Your last favor recently came to hand  
my brother took it out of the office and carried it  
to Monticello - accept now, my sincere thanks - Mrs.  
Johnston is, I trust, perfectly recovered - Every member  
of your family is remembered by me with grateful af-  
fection - I am on the wing of departure for Curles  
and, in three weeks, shall accompany Mrs. F. to  
Williamsburg - to remain the whole winter -

Never did I hear so various a noise - confusion is  
unavoidable where there are so many persons per-  
petually calling -

I have contracted an  
acquaintance with that luminary, Miss Wheeler,  
she possesses the most fascinating urbanity of  
demeanor, - her talents, and acquirements, are  
very considerable - and her person agreeable -

Mrs. Wickham I think transcendently beautiful  
her manners too, are vastly attractive -ardon  
haste and confusion -

Most cordially yours
