] Subject stated that he had been slotted as a Oberregierungsrat; that he had passed the first step towards civil service status in an interview with a representative of the Federal Government. The next step will be an exam before a personnel committee of the Gov't to determine his qualifications from a legalistic point of view for ORR. This exam might come as soon as six months.

Subject also stated that he was trying to have [] instated in the Bundeswehr with the rank of Capt. according to Subject [] had been a mere 2nd Lt during the war.

BACKGROUND:

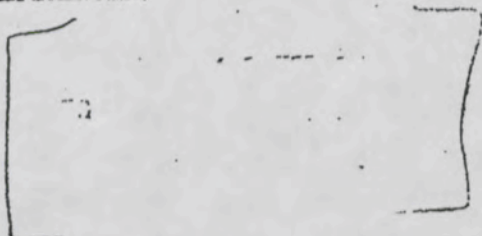

FELFE, Heina Paul Johannes, born 18 Mar 1918 in Dresden. Currently resides Munich 27, Friedrich Hershalstrasse 3. Subject, (alias FELKE, alias FREIBURG), served as Criminal Commissioner in Dresden until his transfer to Amt VI (Amt Ausland) of the RSHA in 1937 or 1938. Subject worked in Department "Switzerland" of Amt VI. Subject's Nazi Party number was 3 710 348. Prior to the end of World War II, Subject served in the Sicherheits Polizei (Sipo) with the rank of SS Obersturmfuehrer (1st Lt). Information dated 2 April 1948 indicates that Subject was employed at that time by Messrs. [] and/o [] [] Officers, [] Cologne, where he reportedly worked on Kommunistische Partei Deutschlands (KPD) matters. (UNEVALUATED) In late 1949 or early 1950, Subject was active in the Nauhoelmer Kreis, which is headed by Professor Doctor Ulrich NOACK. In the course of his activity with this organization, Subject took part in a conference at Weimar and on several occasions traveled into the Soviet Zone of Germany. Subject worked for the Kaiser Ministry (Ministry for All-German Affairs) in 1950, and dealt essentially with matters concerning the Volkspolizei (Vopo). At this time Subject ran afoul of the Interior and/or the BfV because he falsified information in regard to himself. Subject entered the Gehlen Organization in 1951, and came to be the main organizer and central figure of the "SD" clique. Information dated 28 October 1954 indicates that Subject interceded with General Reinhard Gehlen in behalf of one Karl SCHUETZ to enable SCHUETZ to retain his position with the Gehlen Organization. SCHUETZ and Subject were two major suspects in a Gehlen Organization security leak.

[] dated 1945:

Heinz FELFE - married; two children; unhealthy, pale face; dark brown hair; 1.70m tall; deputy Referats Leiter RSHA Amt VI/B/3 from April 1943 to October 1944; formerly with the Kripo in Kattowitz.

[] dated 17 June 1947:

Max WESSEL, Dutch national and suspected Communist, was at one time in contact with PROEBSTING, Head of SD III B, Utrecht, and with FELFE (probably Heinz FELFE, an official of SD IV B Holland from December 1944 to May 1945). WESSEL allegedly attempted to have himself recruited by the RIS.

3. There is a reference in the German Primer to Carl SCHUETZ. Following are other possible traces on Carl SCHUETZ mentioned in reference.

Archives dossier, dated May 1943:

In May 1943, Kriegstechniker Karl SCHUETZ, a member of the German Army stationed in Bucharest, made application to marry Martha TRUATSCHE (7), a Volksdeutsch from Kronstadt. Since his future wife owned property in Rumania and wished to retain her Rumanian citizenship after her marriage, the legal advisor at the German Consulate in Kronstadt was asked for an interpretation of the applicable laws. The Consulate advised that the only other case of this type occurred when the daughter of General Zwiadinak (see []) married a German Army Captain in Bucharest.
