Dear Ma

I received your letter to day and I was glad to here from you all the stamps came all right. - I am getting along quite well as far as my strength is concerned but my arm is very sore there were an abscess forming on my arm but I think the Drs will work it out. You ask me if I get good treatment. - I get is good as can be expected and better than a good many I received a letter from Lin, Lin & they are all well. Love to all. I received them papers which I thank Anna for I would not come on here Ma if I was in your place for you could never stand it. - So hoping this will do for an answer I will close

Your Son William
