## Commencement 2013

Commencement is almost upon us! Will you be walking in the ceremony?

Main Commencement Ceremony will be held Sunday, May 12 (yes, that's Mother's Day) at noon. Is there a better gift to give your mom than to graduate on Mother's Day? We think not! Robert S. Mueller III, the longest serving director of the FBI since J. Edgar Hoover, will deliver this year's Commencement address.

Don't forget all the other exciting Commencement Weekend activities including the Senior Class Dance, Family Picnic and Senior Class Candlelight Ceremony! And stop by Swem Library one last time before you leave. We'd love to say farewell and invite you to come back to visit us as an alum!

Congrats to Kiley Edmundson, the winner of our "Vote for Your Favorite Irish Movie" contest in the March edition of *The Throne*! She won a \$20 Mooyah gift card. Keep your eyes peeled for future contests & prizes!
