Dear Brother

I seat myself to write you a few lines to let you hear from us, these times leaves us all well, hoping where they reach you ~~and~~ they may find you all enjoying the same blessing. I have but little news of any importance to write at this time. You write me word to give your love to your sweetheart, you must write me word also when is before I can give your love to her, Tell Hank I reckon some of the ladies must of fell in love with him when he was at home, they said he was the pretty handsome they had never seen. Sweet and Blay are two of the greatest ladies men we have about here, they think they are full grown men, I dont think sweet is counting hair will get grown soon enough for him to start on. Alla says if you have to go back to Kelly's company you must try an come home before you go and if you dont have to go back you must write word as soon as you ^{can} all about the matter

No 3 doamin 100 for all
No 4 for 25 men
No 1 for 3
No 2 for 4

Mrs says she wants you to try an get her
three ounces of indigo mud in Richmond
or Petersburg if you can get it for a dollar
and twenty five cents ^{in dance} and send to her by
the first one that passes

Tell Gark to write to some of us well if he
dont want to write to none of the family
to write to some of the ladies, then perhaps
we would stand a chance to hear from him.

Mrs sends her love to you and Gark
Give my love to Gark and all
enquiring friends and except a portion
for your self. Write soon

I am very truly your affectionate sister
