Your favor was duly received,
 in answer to which as far as it refers
 to the election between Mr Jefferson &
 Mr Burr I can only observe that
 your Note upon the subject will
 give myself, & all others I have consulted
 perfect satisfaction. The situation
 in which you are placed, renders you
 perfectly competent to a just decision
 & we are fully satisfied that you will
 be actuated by what you consider
 the interest of the ~~Community~~
 Community. I very much wish should you
 have an opportunity, that you will
 procure a Copy of the Report of the
 Committee of Congress at their last session
 relative to the State of our Revenue

& public debt ^{forward it to me} every possible engine will
be put into operation to effect your
election next Spring. and as detraction
& defamation are generally resorted to
to promote views injurious to you, I
am desirous, to be prepared, as far as I
am able, to counteract them - for
myself, as far as I have required, I am
induced to conclude that no material
change has taken place here in
the sentiments of the people, in general
& I entertain very sanguine hopes
of our undoubted success, in this contest
however I shall be better able to give
you more information on the subject
after our contest, when I shall do myself

the pleasure to write to you. In the
mean time (in great haste) I am Dr.
