Cuthbert Powell Esq
Uppermill

Dear Sir:

As the general Agent of
claims against France whose claims originated
prior to Sep 30th 1800, I take the liberty to
remind you that a claim of that character
stands in the name of the late Col: Levin Powell
of Va, whose representative I understand you to
be. The United States are about to satisfy
claims of that class, in which you may partici-
pate if said claim be brought forward - a blank
Memorial for the purpose will be forwarded to
you on your request, post paid.

With much respect
Y^r most ob: Serv^t
