

as Pres
Franklin

Thursday morning

Dr. Sir,

I take leave to introduce to you
Doctor Jno. M. Galt of Portsmouth Virginia.

The Doctor desires the appointment of Store
Keeper at Old Point Comfort. It is a
matter as to, which we have not yet considered
and ~~as to~~ ^{concerning} which I have no definite opinion.
But I will say that if it be esteemed desirable
to make an appointment Doctor Galt is well
worthy of the place.

Truly Yrs
