

My dear Sir;

The failure of the
Senate to adjourn over, has
rendered it unwise for me to
leave the City to day - My mind
is also too much engrossed with
the subjects before me to render
the trip pleasant to me - Will
you therefore be good enough
to show this letter to the Com-
missioner and express to him
my regret at this disappoint-
ment.

Most truly Yrs

J Tyler

Hon W. B. Adams

President Tyler
