Concerning the adver-
tisement in the
Ledger of the 7th
June as to Genl
Pierce Anti-Catholicity

Dear Sir:

I have just returned to the City of Philadelphia from the Baltimore Convention where I had the honor of representing the 1st Pennsylvania District. This morning I find the enclosed advertisement in the Ledger Newspaper (a paper of very large circulation) It is calculated to do great mischief if uncontradicted.

I preferred Mr. Buchanan for the Presidency but I am fully content with yourself, especially when I consider the manner of your nomination.

You may perhaps know that the Catholic citizens of this Country entertain most kind feelings towards you, and I should very glad to have it in my power to contradict authoritatively (if in accordance to the record) this mischievous matter contained in the enclosed advertisement.

Will you permit me to urge the expedient action in reference to this subject?

Very truly

Your friend & obt. servt.
