Father's youngest
brother
Cousin

My dear Brewster.

Joe has been dismissed
from the navy. I do think
this arbitrary disposition of the
Officers of the navy by a
Board is rather strange. It
woud - could not be done
duly by any other God
in the world.

It is - without money
I am obliged to me for 60
Dollars. I must let him
have it but it is money
in my hands belonging
to the State. I shall have
the request you to
return me the amount
we soon as practicable.
I will be in evening
directly to you.

We are all well
