

March 7.
Paris

My dear Cassin.

I have received your check
on Bank Commerce for \$100. 6 1/2.

I will certainly attend to your matter
with a great deal of pleasure.

Buchanan stands in good chance
- the best chance for the nomination now I
think - anything to kill Cops - but
I have got Buchanan so bound
he can hardly wobble.

The Public mind
convinced were complacent to my
father & Smith (no) pretensions &c.
The Convention cheered his name
heartily when it was pronounced.

Truly yours
Wm. D. Tyler

A. Garrison Esq.
