Friend

My dear Alexander

I wish you to  
see your Vaucluse & know  
Mr Beeman at once removed.  
I am compelled to resist  
his insistent removal.

This must say to your Vaucluse.

Remain here the day you  
get this note.

His appointment is a key  
to a sort of deal of villainy.  
Spencer String. Graham Vaucluse  
have been & are in all  
probably Cap mess. <sup>Clap!</sup> & is  
the most dangerous man? all  
of these men with the exception  
of Vaucluse of an attorney

Capt men. Do not trust one  
of them. In making a voyage  
- next for the Aurora been  
this in mind. They are  
wonderfully insidious. They  
will get appointed? will  
you see to this.

Gullitt is a Capt man  
B. are Bonk. I believe  
Joseph Lee son. They are  
not unfriendly to the President  
but prefer Capt. Beon  
this ever in mind.

Yours very truly  
Wm. P. Taylor
