

Narranda, Va.  
June 28/17.

Dear Johnny,

Well what has become of  
you old lady? I have been  
looking for a letter from  
you ever since I got home  
and haven't heard a word, I  
guess you have been sorter  
like myself too busy to  
write to any one.

What are you doing with  
your self these days? I am  
working pretty these days.  
I saw old Blankinship today

most finished riding up Tobacco  
but haven't tapped any yet, will do  
a lot of that work if nothing  
happens.

What do you think about  
the river? Are you expecting to  
have to go? I feel like that  
will get me first call for it.

By the way how is the dog  
getting along since school  
is out? I guess she gets pretty  
lonesome.

Well I am having a pretty  
nice time with "Heddy"; she  
is awful sweet and I can't

be sure even here at Twelve o'clock.  
He was being when I heard from  
you. We are planning to come up  
to see you some time this summer  
and want you to be sure to come  
to see us. Any time you can you  
just let me know and I will  
meet you at Breakfast; come  
before many Saturdays, you  
hear? I certainly going to expect  
you. Miss Wingfield seems to  
be crazy for you to come so long  
ago.

How is crops looking up there?  
We hear a fair crop so far; no hands

keep from loving her to save  
my life. Do you blame me??  
I had a long letter from Evelyn  
other day she is in Turham  
nate, I guess you knew it though.

Have you heard from many  
of the old boys inc you  
got home? I havent heard  
from a soul except Sued  
had a letter from him other day.

I guess I will close for this  
time as this is the last sheet of  
paper I have, write me real soon  
and also come soon,

As ever a friend Bob.
