

Monday night.

Moneta va,

My dear Lillian,

We'll don't have the  
least idea that you are thinking  
of writing tonight nor that I will,  
so am hoping that this may an  
agreeable surprise and not a shock!

Now don't you wish that it had  
put off raining one more day so  
we could have gone to church?

Suppose you all went to the  
city as I went to Moneta this morning  
and didn't see any one as I passed.  
If you didn't get back pretty early  
you had a pretty slick time jit.  
I got in just as it started raining.  
Surely am lucky sometimes.

Did you hear about the Snow's  
getting Cousin me to phone for Mr.  
Rucker and he said that he would  
not come, now isn't it awful to get

to be so little thought? that  
the Mr. will not come in.

Claim Mr is putting off  
a big one in his new car.  
Expect had better leave mine  
at home hereafter so I won't  
get run over.

Just so you will ride with  
me, ~~it~~ won't worry me so very  
much.

Reckon I can plant some  
more tobacco tomorrow if  
~~it~~ is not raining so much.  
~~Fix~~ up some land this morning  
so I ~~was~~ just in time for  
the rain.

Have a question to ask  
~~you~~ and want you to answer  
it to the best of your knowledge.  
Intended asking you Sunday  
but didn't get a chance.

Do you think you are  
treating me fair to keep me  
waiting ~~so~~ long, and to carry  
out all of your plans and to  
spaid mine. Don't you think it  
would be right to meet half

way so we can help each other?

Feel as I could live a better Christian life with your help, although try to the best I know how to.

Please write me what you think of this if I don't see you before.

Will be glad to hear from you this week if you feel like writing, then it will be my time to write next week,

worked on the car all the  
afternoon and didn't finish  
with it then.

There is always something  
to be done no matter how  
much you ~~work~~ work on them.

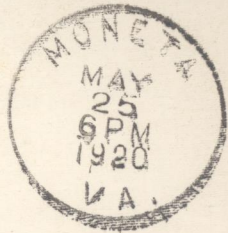

It is a good deal cheaper  
to do the work yourself than  
to pay someone else.

As I haven't any news  
guess had better ring off for  
this time.

Go to night and pleasant dreams

As ever,

yours  
Rob.
