Dear Sister.

I write you these few lines in regards that I have not had any fresh news from you in a good while I had a letter from you but it was mailed to Weston Super-mare. havent had any mailed to France I dont ^{know} what the reason why you havent written it may be that my letters had to much war news in them I had one sent back on me it was to Ottilia so I want say any

as being nothing
some but I was
raged when I left home
and I wish I hadnt bin
borned. it would of bin better
far me in death. I hope
you all are having a good
time and making a good
living with out having to
work hard. it is better
to make a good living
than seeing the great sights
of the world. although I havent
seen much of the world. but
I think I have seen enough
to do me for the rest of my
life. I will close for this
time hoping to here from you
all soon and I hope this
letter finds you all in fine
health. and I hope to meet
you all some day I dont
know what day that will be
good bye. Your Bro Carson
