Dear Lattie

Please excuse
me for not answering your
most welcome letter before
now. I would have done
so sooner but there is some
talk of the mill stopping
and I have been waiting
to find out if it was
going to stop but I have
not found out yet but
if it do stop I will come.

up and stay with you
all a week or so. You
must write soon and I
will let you know in
my next letter whether I
can come or not. I would
be very glad to see you,
all but if the mill does not
stop I can not come this
year. This leaves me well
as usual at present and
hope when these few lines
reach you they may find
you and all the family
well. We are having plenty
of rain now it is just
coming down. I hope you
went to Trinity to the

protracted meeting I wish
that I could have been
there. Mr Sandford closed
his meeting last night but
he did not have a single
convert he carried it on
nearly two weeks but I
did not go but three nights.
Have you commenced school
yet I saw our new teacher
yesterday his name is
Stead he came from over
in Dinwiddie. I wish you
could be here next week
we are going to have three
marriages here all three at
church we had two week
before last both at one
time at church.
