Dear Lottie

I will now  
try and answer your  
kind and welcome letter  
I was glad to here from  
you and here that you  
and all were well I  
am ashamed of my self  
for not writing before  
now but I know you  
will not think hard  
of me for I have been  
so busy I hope you  
spent a very Xmas  
Oh I had a joyfull  
time I went to four  
parties and I had

an invitation to one  
that I did not go  
to I staid from home  
very near all of the  
Xmas I did not get  
but one present that  
was a photo album  
almost like yours  
I went to the Xmas tree  
and I had a nice  
time give my love  
to ada and your  
grand mama and  
kiss gracie for me I have  
spent some happy hours  
since I got home and  
I have spent some very  
unhappy ones but I  
hope and trust to a  
higher power that the  
future have happy  
hours laid up in store

for me I think some  
times that I have a  
lot to contend with and  
then I think that god  
knows best so I will  
leave it all to him  
I will have to close  
for I have some other  
letters to write give my  
love to all and a fare  
you from your  
friend
