My dear Uncle,

Valentia Oct 10th 1839

Lester's mail brought me your letter. I hope you will be able to overcome the proceedings in some shape in the case of the Delaware Lot. I hope too that you will be able to effect a speedy settlement of our affairs with R. H. Campbell & John E. Smith's representatives.

We are in our usual health. Your daughter is very well -

Your aff. nephew

Gerrit Smith

Dan. Cady Esq.

P.S. Money has never been so scarce in my business. There has not been a ^{man} ~~man~~ at my office for eight days to pay money -
