¶ The purpose of this book is to portray in simple fashion our student life on campus. The views and art work depict different phases of student activity with which we are all familiar. In it is recorded a history of our attainments throughout four years of scholastic effort. In future years may it serve in bringing back pleasant memories of our existence on this historic William and Mary Campus, in Virginia

TO DR. CHANDLER

DR. JULIAN ALVIN CARROLL CHANDLER

IN MEMORIAM

To the Memory

of

Dr. Julian Alvin Carroll Chandler

For fifteen years President

Of the College of William and Mary

A dreamer whose dreams came true.

* * * * *

His actions, ever inspired by his dreams,

His tireless energy, sound judgment,

And exalted ideals have raised

Our college to a prominent and permanent place

Among the educational institutions of the nation.

To him, whose devotion to the College
will be an inspiration,

We wish to express our sincerest gratitude
and appreciation

For aiding our progress

And for maintaining our beautiful old traditions.

Biographical Sketch of Dr. J. A. C. Chandler, 1872-1934

Dr. Julian Alvin Carroll Chandler, president of the College of William and Mary from July 1, 1919, until the time of his death, May 31, 1934, was born at Guineys', Caroline County, Virginia, October 29, 1872. He was the son of Joseph A. (M. D.) and Emuella Josephine (White) Chandler. After receiving the degree of Bachelor of Arts in the same institution in 1892, he attended Johns Hopkins University, where in 1896 he received his Ph. D. degree. In 1904 he received the honorary degree of L. L. D. from Richmond College. His marriage to Lenore Burten Duke, of Churchland, Virginia, took place the year following his graduation from Johns Hopkins University, July 10, 1897.

Dr. Chandler began his career as an instructor of History and English in 1891 and 1892 at the College of William and Mary. From Williamsburg he went to Houston, Virginia, to become principal of the public schools from 1892 to 1893. In 1894 he became an instructor at Morgan College, in Baltimore, where he remained until 1896. He occupied this position during his graduate studies at Johns Hopkins University. From that time on, Dr. Chandler advanced rapidly in his chosen field of education, holding such responsible positions as dean of the faculty, 1896-99, acting president, 1899-1900, in the Woman's College, Richmond, Virginia; acting professor of history and literature at Richmond College, 1897-1900, and professor of English in the same institution, 1900-04; dean of the Richmond Academy, 1902-04; editor for Silver, Burdett and Company, publishers, 1904-07; editor of the Virginia Journal of Education, Richmond, 1907-09; professor of history, Richmond College, 1908-09. In July, 1909, he became superintendent of schools at Richmond, Virginia, and

held this position until his appointment as president of the College of William and Mary, Williamsburg, Virginia, on July 1, 1919. During this time he was given leave from October, 1918, to April, 1919, to serve as Chief of the Rehabilitation Division for Disabled Soldiers in Washington. He was director of history and education, Jamestown exposition, 1907. He held membership in the Virginia Historical Society, American Historical Association, Society for Preservation of Virginia Antiquities, National Education Association, Kappa Alpha fraternity, and the Phi Beta Kappa Society. In 1919 he was chosen President of William and Mary College, and completed nearly a fifteen year term. He died in Norfolk, Virginia, May 31, 1934.

With his many activities as an educator, historian, scholar, editor, and president of a college, he found time to engage in the preparation of the following valuable historical works relating to Virginia: *The History of Suffrage in Virginia*, 1901; *Makers of Virginia History*, 1904; *Representation in Virginia*, 1896; *Colonial Virginia*, written in collaboration with T. B. Thames, 1907; *Makers of American History*, written in collaboration with O. P. Chitwood, 1904; *Virginia*, written in collaboration with William L. Foushee, 1902. A Biographical Sketch of John Smith, with Selections from his Writings, by Dr. Chandler, appeared in the Library of Southern Literature in 1909, and his following contributions: *The Beginnings of Virginia, 1584-1624*; *The South in English Politics, 1607-1763*; *The South in the Expansion of the United States*; *The South in the Interpretation of the Constitution*; and *The Southern Inter-Colonial Relations*, were published in "The South in the Building of the Nation."

Total: William and Mary, 48;		Opponents, 69	

WILLIAM AND MARY—7; NAVY—20

Playing their first game of the season, the varsity travelled to Annapolis, and gave an outstanding Middle team the fight of its life. Navy scored early, led by All-American Buzz Borries. Our line, supported nobly by Joe Bridges and Norman Murray yielded but little ground. Swede Yerkes and Stumpy Bryant were outstanding in the backfield. It was in this game that Joe Marino first showed his ability as a running guard.

WILLIAM AND MARY—20; EMORY AND HENRY—8

The varsity won its first home game by defeating the Wasp 20-8, and thereby avenged last year's defeat. William and Mary's score came in the first quarter as the result of a pass from Charlie Shade to Wally Zables. The Wasps scored two points on a safety when Shade was tackled behind his own goal line. They threatened the varsity goal line time and time again, but the play in our line was too much for them. They were thru' back each time. They finally scored in the third period. On a fumble, recovered by Waddy Stewart, the chance to score came. Shorty Trueheart scooted over the line standing up. Shortly after this Yerkes scored again.

WILLIAM AND MARY—0; V. P. I.—6

Although outplaying V. P. I. during the entire second half and making seven first downs to V. P. I.'s five, W. & M. lost their second close game of the year. V. P. I. scored in the second quarter on a pass from Dickerson to Fittro. Three times in the last quarter the Braves threatened, but could not put the ball over the line. Both teams played defensive ball the first quarter, kicking frequently. Woodward did some good ball playing at this time, but was injured in a collision with Shade. In the first quarter, W. & M. took the ball to the one-yard line, but failed to take it over, because of a penalty incurred.

WILLIAM AND MARY—0; GEORGETOWN—3

On a field goal made in the first period, George-

town defeated the Indians 3-0. Both teams had several chances to score. After a march up the field, the Indians held for three downs on the two-yard line; but on the fourth, Meglin kicked a perfect placement for the deciding points. Passes and runs made by the Richmond twins, Shade and Smith, availed little. Meglin tried two more field goals, but missed both. Several fumbles cost the Indians chances to get going and even placed them in dangerous situations.

WILLIAM AND MARY—15; ROANOKE—6

The defeat of Roanoke kept William and Mary in the running for the Virginia Conference title with two victories and no defeats. Both teams played cautiously during the first quarter, punting frequently. Stumpy Bryant thrilled the fans with a 37-yard dash at the end of the period. With the beginning of the second period, Spack and Yerkes hit the line for large gains and finally scored for us. Bryant got off the same beautiful punts all during the game. Roanoke's only score came in the last quarter on a march down the field, with Pitzer doing most of the ball carrying.

WILLIAM AND MARY—0; V. M. I.—13

William and Mary lost a tough game to an underdog V. M. I. team 13-0. The cadets thereby avenged last year's defeat handed them by the Indians. The play of Stewart was outstanding in the line, with Bryant and Yerkes doing most of the work in the backfield.

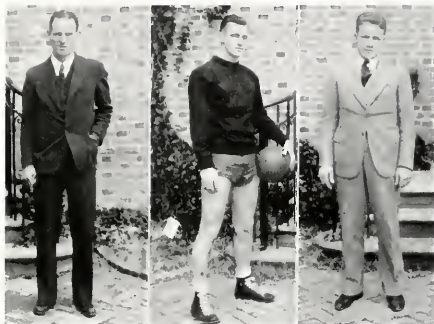

WILLIAM AND MARY—0; WASHINGTON AND LEE—7

The Generals scored seven points in the last quarter as a result of an intercepted pass and a placement kick. The score came after an exciting game in which William and Mary held the highly favored Generals to no score. Bryant, Zable, Stewart, Bridges, and Murray starred for William and Mary. With neither team able to do anything through the line, both teams took to the air and that ultimately was the downfall of the Indians. William and Mary came close to a score in the second period but an intercepted pass ruined their chances. The varsity made six first downs to the General's seven.

WILLIAM AND MARY—0; RICHMOND—6

In our annual Turkey Day struggle Richmond avenged last year's defeat and finished up one of the varsity's most disastrous schedules. The game was played in a sea of mud. William and Mary didn't have one scoring chance. The Spiders threatened often during the game, but were held back by the sea of mud and the William and Mary line.

The William and Mary Indians inaugurated their basketball season at the University of Virginia and lost their opening game in a closely contested fight. The Indians, handicapped by lack of practice and injuries, played brilliant basketball, but could not stave off a last minute rally by the Cavaliers.

Playing their first home game, the William and Mary Indians displayed a fine passing game to overwhelm the Apprentice School. Hutzy Blaker and Tom Crist led the Indians in scoring.

The Indians won their second victory of the season from the Medical College of Virginia. Led by the diminutive Blaker, who tallied twelve points, the Indians jumped to an early lead, which they managed to hold safely throughout the game. Captain Franklin played a fine offensive game, scoring eight points.

A concentrated last minute attack enabled the V. P. I. cadets to beat the Indians in the first contest of their western trip. Sneed, brilliant cadet forward, scored seventeen points. With four minutes to play, the score tied, the Gobblers put on a spurt that assured victory. Flickinger and Folcher led the attack for the Indians while Captain Franklin played his usual fine defensive game.

The William and Mary Indians, making up for the V. P. I. defeat, played a steady game to beat Roanoke. It was their first victory on the western trip. Folcher, sophomore center, carried the brunt of the attack and chalked up twelve points while Elmore scored eleven.

In one of the most bitterly contested games ever witnessed at Lexington, the fighting Indians beat Washington and Lee, last year Southern Conference and State champions, by a two-point margin. The fine play of both teams kept the huge crowd in a continual uproar. The lead changed hands several times, but the Indians finished too strongly for the Generals.

The Indians continued to play good ball and won their third consecutive victory of the Western trip by defeating the V. M. I. cadets, who had beaten Duke University the night before. "Midge" Flickinger was the star of the game, scoring ten points.

A high-powered and brilliant Spider quintet overwhelmed a nervous but fighting Indian team before the largest crowd of the year in Blow Gym. The Spiders proved to be one of the greatest teams ever to invade Williamsburg and there was no question as to their superiority. The Indians missed many sure

shots, and their defensive play was ragged and slow. Captain Franklin, however, shone despite the defeat, playing a sensational defensive game.

Led by the brilliant offensive attack of "Midge" Flickinger, who tallied nineteen points, the Indians avenged an early defeat and crushed the Virginia Cavaliers by a decisive margin. Flickinger thrilled the huge crowd with a great exhibition of shooting and passing. Blaker and Casagrande also played well for the Indians.

Roanoke proved to be a formidable foe and forced the Indians to fight to the last minute in order to chalk up their seventh victory of the season. At the half, the Maroons led by a 21-16 margin, but the fine shooting of Crist and Blaker enabled the Indians to overcome the lead and jump to the front by a margin of four points. Manning played an outstanding game on the defense.

W. & M. gave V. P. I. a decisive beating and thereby avenged an early season defeat. Casagrande, shifted from guard to forward, was the leading scorer of the game, with twelve points while Flickinger followed with eleven points.

The William and Mary Indians journeyed to Newport News and won over the Apprentice School for their ninth win of the year. The teams fought evenly throughout the game, but the fine finish of the Indians was responsible for the victory.

A fighting V. M. I. five invaded Williamsburg and forced the Indians to the limit, but a strong finish combined with fine offensive and defensive play, enabled the Indians to win a close victory. Blaker, Flickinger, and Casagrande starred on the offense while Manning was outstanding on the defense.

For the second time, the powerful Spider quintet trounced the William and Mary five before a large crowd at Richmond by a top-heavy score. The Indians were way off again in their passing attack although they did manage to match the Spiders during the first half. Blaker, Flickinger, Casagrande and Captain Franklin stood out in the defeat while Brown was outstanding for Richmond.

Navy, with one of the greatest teams in the country, invaded Williamsburg and trounced the William and Mary Indians before a large crowd. The Middies, victors over Pitt, Columbia, Duke, gained an early lead which they managed to hold throughout the contest. Captain Preacher Franklin, playing his final collegiate game, turned in a fine game, and was given a great hand when he left the floor.

Coach Tommy Dowler turned in a commendable performance in his first year as basketball mentor. Captain Franklin can be proud of his fine season performance.

The William and Mary nine of 1934 played a strenuous schedule of seventeen games and emerged with a winning record of ten victories against seven losses.

Elliott and Scott were the outstanding pitchers, while Shade, Stewart, Smith, and Marable provided the needed batting strength. Some of the season's outstanding games are summarized in the following paragraphs.

The Indians opened the 1934 season by defeating Vermont in the first game of a double header, but losing the nightcap. Stewart led the attack in the opener, clinching the contest with a home run.

The Generals came out on top after a pitching duel between Elliott and the Generals' pitcher.

The Tri-color journeyed to Charlottesville to defeat Virginia 6 to 4. Stewart and Marable were potent at the plate.

Gordon Scott, Tri-color pitcher, was forced to leave the game in the sixth inning after injuring his finger in stopping a line drive. Elliot finished the game. The Indians scored in the third on Shade's double, Moore's single and an error. In the 6th, Marable drew a walk, Palese beat out a bunt to third, Marable advancing to third when the bag was not covered. He scored on Nugent's long fly. The final tally came in the 9th, when Moore walked, stole second, and Stewart smashed a single to left.

Elliott turned in a steller performance against the Spiders, allowing them six scattered hits, while W. and M. took advantage of nine base hits and five errors. Captain

Shade and Jester led the field with two hits apiece.

W. and M. lost a hard-fought battle to the Cavaliers. Virginia earned all four runs in the first on successive hits and two wild pitches. Smith starred for William and Mary.

W. and M. won a one-sided victory against Savage, getting 18 hits, while Scott and F. Stewart held the opposition to 4 hits. W. Stewart led the attack with four hits out of four trips to the plate.

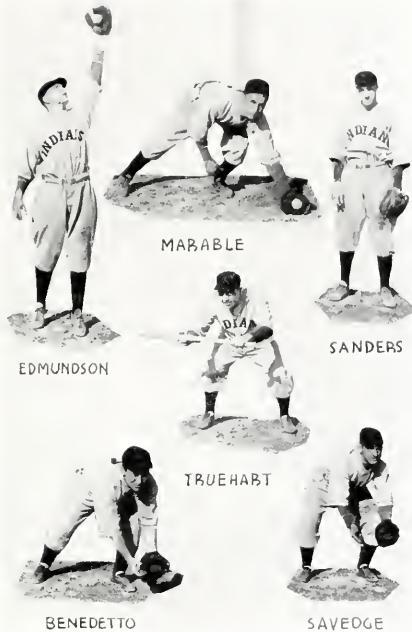

When the 8th inning opened, Roanoke led the Tri-color 7 to 2. The Red Men hit Martin, relief pitcher, for five hits, scoring six runs to clinch the game. Stewart led the batting.

W. and M. lost a tight one to Washington and Lee. Miller, the General shortstop, sewed the game up in the seventh with a triple to deep left.

The Indians lost the last game of their road trip to V.M.I. to the tune of 7 to 4. The tribe made a desperate rally in the 6th, but to no avail as the Keydets came back in the 7th with three runs to capture the game. The game was featured by a home run by Stewart.

The Indians staged the most spectacular batting rally in the history of its baseball team when it scored eleven runs in the eighth inning against the Richmond Spiders to defeat them, 11 to 10.

Seemingly hopelessly defeated by the ignominious score of 10 to 0, the Indians rained base hits into every nook and corner of Carey Field in their half of the eighth inning to score eleven runs. Marable, Indian second baseman, climaxed the rally with a home run with the bases loaded.

CAPTAIN "MONK" LITTLE

A Great Track Star

In his four years at William and Mary, "Monk" Little has gained the reputation of being the greatest track star in southern collegiate circles. His brilliant performances will never be forgotten. Below is a list of records established by him in four years of competition.

Southern Conference Freshmen 60-yard Dash Champion, 1932.

South Atlantic A. A. U. Broad Jump Champion, 1932.

Intercollegiate Broad Jump Champion, 1933.

Intercollegiate Broad Jump Champion, 1934 (Indoor).

American Broad Jump Champion—Penn Relays, 1934.

Southern Conference 60-Yard Dash Champion, 1935.

American Javelin Champion—Penn Relays, 1935.

Holder of five Collegiate State Records (100, 220, 440, Broad Jump, Javelin).

The track team lost its first meet of the season to a strong visiting Dartmouth team. Outstanding for the Indians was "Monk" Little who took three firsts and a second. Other good performances were given by Plummer, Bullard, Smeltzer, Langbaur, and Upson.

Scoring six firsts against sevenen firsts by the North Carolina aggregation, Scrap Chandler's team lost a bitterly fought contest. "Monk" Little again turned in a beautiful performance by placing first in three events, losing his fourth to Co-Captain Legore, the inter-collegiate javelin champion.

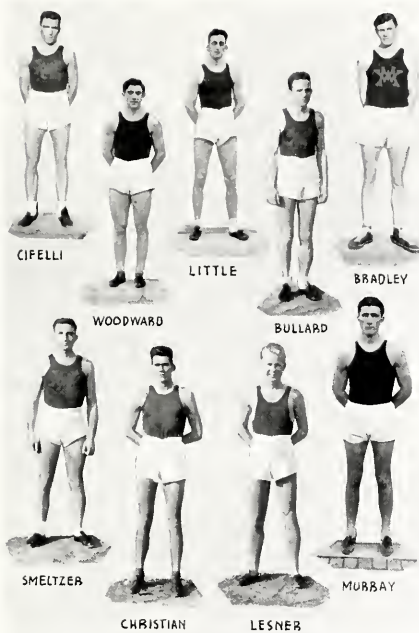

Losing its third consecutive meet of the season by a very decisive score the varsity track team looked forward to a comeback in its next meet. In the meet against Navy the middies swept the mile and the hurdle events, thus accounting for the heavy score.

The Indians in their fourth start of the season reversed the score of the week before against Navy. This time they were on the winning end and turned in a creditable performance. Lou Plummer turned in the prize performance of the day, winning the two-mile event in the record breaking time of 9.58. W. and M. made eleven first places against three for V. M. I.

Track

In the meet against Maryland the Varsity team displayed its finest form of the year. Maryland was handed a decisive defeat. For the first time in his college career Monk Little lost both the 100 and the 220. Earl Widmer was just good enough to nose Monk out at the tape.

The track team again handed the University of Richmond its annual defeat. The Spiders, with Lewerton and Hash outstanding, made a good showing. For William and Mary, Little, Plummer and Bullard showed well.

In its last track meet of the season, the William and Mary trackmen defeated Georgetown 97 to 20. Monk Little, William and Mary's versatile track star, made a leap in the broad jump of 25 feet, 3 inches, establishing a new school record.

During the track season, the varsity engaged in seven meets, winning four and losing three. The meets against Dartmouth, and the University of North Carolina were pre-season meets. They are not to be counted in reckoning the team's reputation in Virginia. Scrap Chandler deserves a vote of appreciation for a successful season's work.

For the first time in their history, the William and Mary mer-men, under the coaching of "Scrap" Chandler and the managership of Alec Dempster, succeeded in boosting their average to .500. This new notch was carved mainly through the outstanding performance of the co-captains Warnock and LeGrande. The team worked splendidly and every meet was strongly contested. The superiority of the conquering visitors never daunted the home team's fighting spirits and their victories were taken in sporting fashion. Next year "record-smashing" Bill Duncan will be captain, and his sterling performance of this year indicates a good season.

The fencing team concluded an exceedingly excellent season this year by winning for the third time the Southern Conference Fencing Tournament. Bland Hoke captained the team and his victorious example was well followed by his teammates. So well was the team guided by Coach Tucker Jones and Manager Rogers Mapp that only once in their many combats did they suffer defeat.

Alvin Cedarbaum was particularly outstanding in his performance and at the end of the season was chosen as All-Swords Champion and at the Southern Conference Meet took first place in the Epee event. At the same meet Hoke was picked for second place in the Sabers event.

The team is becoming well known in Intercollegiate centers and shows great promise.

Varsity Tennis

With co-captains Ed Kerner and Bill Schmiedel, and Mitson, McFall, James, Mason, and Thomas as sophomore prospects, the 1935 team promises to be a good one. The present sophomores will get all the experience they need to make next year's team a winning one. With Kerner and Schmiedel's graduation, after three years of singles and doubles competition, the varsity will lose two of the best men it has ever had. But the second year men, led by Mitson, playing two more years of varsity competition, will go far toward taking their places.

The William and Mary Freshman team, losing only one game in the 1935 season, promises to furnish much good material for the varsity next year. Otis Bunch and Szumigala in the backfield and McGowan, Coyner, and Harper in the line were outstanding for the freshmen all year. The team was undefeated up to the last game and then lost a tough battle to the University of Richmond freshmen on a muddy field.

Freshman Basketball

The freshman basketball team for the first time in many years won all of their games with Sheehan, Price, and Oliver starring throughout the season. They ought to help out the varsity immeasurably next year.

MISS LUCILLE LOWRY

MR. TUCKER JONES

MISS MARTHA BARNSDALE

Women's Physical Education Department

Under the efficient leadership of Tucker Jones and his able assistants Miss Barksdale and Miss Lowry, the women's Physical Education Department has shown a marked advance. Through their efforts several new tennis courts have been constructed, new fencing equipment has been added, and a general improvement has been seen throughout the department.

Under the apt tutelage of Mr. Jones, Miss Barksdale and Miss Lowry, William and Mary co-ed teams have been coming to the top rapidly and now rank with the leaders in the south.

During the past year, the department has sponsored a broad program including Intramural sports, a Gym Circus and the May Day exercises. The activities were well carried out and the heads of the department are to be complimented for a fine season's work.

VARSIY LA CROSSE SQUAD

La Crosse

La Crosse is a comparatively new sport at William and Mary, and this year they are going to have their first taste of competition with Farmville State Teachers College, who is also a beginner at the game.

The opening game of the season was played with the Westhampton eleven. The game was a thrilling piece of passwork, spectacular dashes and excellent tackles by the Richmond team. The Tri-Colors showed a noticeable weakness, with Ann Edwards making the only goal for William and Mary.

On the first day of the Virginia Field Hockey Tournament, the Varsity lost to the brilliant Sweet Briar eleven. In the second half, Brougher made the first goal for the varsity on a well placed pass from Holladay, who made the only other goal for W. & M.

On the second day of the tournament, the Tri-Colors were defeated for the second time by Westhampton. Spurred on by the loss of the first game, W. & M. played a good game, but were unable to penetrate the red tunic's defense.

At the conclusion of the tournament, Captain Beck, Edwards and Burger were placed on the All-State team, while Brougher, Sterling, Whittaker, and Chamings received a berth on the Reserve team. Elizabeth Burger, after winning the position of goal keeper on the All South-East team, was sent to the National Tournament in Massachusetts, where she competed for a position on the All-American.

On Homecoming Day, many of the old Hockey stars came back to William and Mary, but were unable to defeat the Varsity.

The final game of the year was played in Washington, D. C., at the South-East Hockey Tournament. William and Mary was badly defeated by the Philadelphia Reserves, many of whom had played on the All-American Reserves.

The customary opening game with the Alumnae was won by the Varsity, 19-13. Many of the old W. & M. sharpshooters were in the line-up, but showed that it had been a long time since they had played together.

Sweet Briar traveled to Williamsburg February 16, only to be sent home again on the short end of an 18-17 score. This was one of the closest games of the season and it was not until the final whistle blew that W. & M. knew they had won the game.

On February 20, the William and Mary Varsity played host to a sextette from Greenville, N. C. At half time, the Indianettes were leading by ten points, playing a three-division game. Both teams played a fast game the second half on a two-division court, and at the final whistle, the score stood 25-25.

The annual rivalry between William and Mary and Farmville State Teachers College resulted in a well played game, in which the Indianettes came out victorious, 26-17. At the half time, W. & M. was trailing by one point, but came out on top in the third and fourth quarters.

The Varsity team left for New York, February 29, where they lost the hardest fought game of the season to New York University, 21-17. To revenge the defeat handed W. & M. last year by Panzer, the team, led by Captain Horn, went on a scoring spree and defeated Panzer, 43-17. On their last day in New York, the Tri-colors were sent home on the short end of a 25-18 score, by Manhattanville.

The Varsity was the starting line-up in the Charleston game, but were soon replaced by the Reserves, who were able to defeat the North Carolina team by the rather large score of 43-23.

On March 9, Beaver College defeated William and Mary in their last game of the season.

VARSIY FENCING SQUAD

Fencing

This is the second year that William and Mary has had a women's Fencing team. The team, composed of Captain Edwards, Horn, Sterling and Brougner, lost their first match to Hunter College. In March they went to New York and lost both matches to N. Y. U. and Hunter.

In April, they will compete in the Intercollegiate Fencing Meet held in New York City.

Tennis

The women's varsity Tennis team are making a northern trip this year to Pennsylvania and New York City, where they will meet Swarthmore, Manhattanville, New York University and Hunter Colleges. On their new home courts, they will play host to Beaver College from Pennsylvania and Farmville State Teachers College. Many of the players were lost through graduation, but the prospects from this year's freshman class are promising.

FRESHMAN BASKETBALL

Freshman Sports

Entirely independent from the varsity teams, the William and Mary Freshmen have Intercollegiate games in Hockey and Basketball. Of the four Basketball games this season, they lost two and won two. St. Catherines School defeated them in their only Hockey game.

The Flat Hat Club Society is the oldest living college organization in America, having been founded at the College of William and Mary in 1750, thus antedating the Phi Beta Kappa fraternity by twenty-six years. On its rolls may be found the names of Jefferson and others of the college's famous alumni, including the long list of notables in the Spotswood Club of Old Virginia.

Omicron Delta Kappa was founded with the purpose of bringing together in one body, for the general good of the college, all leaders in various forms of activities. Membership is restricted to men. It recognizes eminence in scholarship, athletics, campus life, literary and forensic attainments, and college publications. It is recognized as one of the highest honors that can be conferred upon an undergraduate student.

The Y. M. C. A. at the college has for a long time done an important work in standing for a high spiritual life among its members and working throughout the college for the advancement of Christianity. The meetings of the association are often addressed by the ministers of the town, by members of the faculty, and by visiting speakers. Through this organization, chapel services are conducted during the school year.

The Y. W. C. A., at William and Mary, was formed in the Spring of 1920 and has been growing ever since. It has become a strong influence on the campus. Under its auspices are held regular meetings, both secular and devotional, through which interest is aroused in affairs of importance in the world, charities, and in missions. The association plans formal entertainment for the pleasure of the students and organizes trips to neighboring places of interest. Membership in the organization for a year gives one activity credit.

PRESENTATION OF DEGREES

INAUGURATION

Williamsburg had been planning for weeks for President Roosevelt's visit, and the old town was decorated in a gala fashion for the great occasion. The entire route from the railway station to the foot of Duke of Gloucester Street at the old Capitol building was lined with American flags and garlands of flowers. October twentieth broke crisp but clear, and when the Chief Executive's train arrived shortly after ten o'clock, a twenty-one gun salute was fired to welcome him to the place where much of America's history was made.

As the train stopped, President Bryan and Governor Peery boarded it, while Postmaster Farley stepped off to greet the throng of

anxious spectators. About ten minutes passed before President Roosevelt finally appeared. A military band struck up "Hail to the Chief." The President, smiling broadly, raised his hat and the crowd cheered. After being escorted to a waiting automobile, the presidential party commenced its triumphant march to the College.

Along the sides of the road leading to the main street stood a corps of students from William and Mary, attired in white trousers and blue coats, forming with the great staves they carried, a sort of human bulwark. A huge American flag and an equally large Virginia state flag served as portals giving en-

trance to the Duke of Gloucester Street. As the procession advanced, the young men opened ranks, arrayed themselves on either side of the street and presented their staves as soldiers present arms.

The official car moved slowly. When finally the college was reached thousands of spectators burst into cheers and hands blared forth with martial music, which could scarcely be heard above the din. The crowds were herded to and fro by State Police and the Richmond Blues, but finally managed to group themselves around the rear of the historic Wren Building to hear the message of President Roosevelt.

Special visitors were seated within the white picket fence which marks the original boundary of the College. Such guests as Mrs. Franklin Delano Roosevelt, Mrs. Woodrow Wilson,

Admiral and Mrs. Cary Grayson, Governor and Mrs. George Campbell Peery and many other notable personages, far too numerous to mention, were among the interested spectators.

From early morning till long after the President and his retinue had left, Williamsburg was abuzz with activity; military bands, flags, armed guards, and thousands of hustling excited visitors helped to restore to the Colonial Capitol some of the activity which had marked it in earlier days.

When the ceremonies drew to an end the crowds gradually dwindled away and life in Williamsburg resumed its usual easy tenor. There was, however, a feeling deep in the minds of the residents that the glory of their city was not a thing of the past, but rather a "link among the ages to knit the generations each with each."

Investment No. 1

Steadily increasing is the chorus of business leaders jurists and financiers who, consulting wide experience, advise young men to make life insurance their first investment.

This is wise counsel if for no other reason than that the younger a man is the more insurance he gets for less money. The foresighted young man will first capitalize his future earning-power through life insurance. Time enough after this has been done for ventures into speculative fields.
