JAMES WILKINSON MILLER

*D*EAN OF THE FACULTY OF THE COLLEGE OF WILLIAM AND MARY, WE DEDICATE THIS 1939 COLONIAL ECHO AS A SINCERE EXPRESSION OF THE ESTEEM IN WHICH HE IS HELD BY THE STUDENT BODY FOR HIS FRESH VIGOR IN THE CLASSROOM, FOR HIS DISARMINGLY GENUINE NATURE, AND FOR HIS YOUTHFUL SINCERITY. DURING HIS BRIEF STAY ON CAMPUS, HE HAS WON A WARM PLACE IN THE HEARTS OF ALL WHO KNOW HIM.

The

Prologue . . .

WHEN ENOUGH TIME HAS PASSED TO DIM THE MEMORY OF THE YEARS AT WILLIAM AND MARY, IT IS HOPED THAT THIS COLONIAL ECHO WILL SERVE TO RECALL EVERY PRECIOUS MOMENT TO YOU. IN PREPARING THIS VOLUME, THE MATERIAL WAS SELECTED THAT WOULD MOST VIVIDLY PORTRAY THE EVENTS WHICH WE FEEL WERE REPRESENTATIVE OF THIS YEAR. AND INSTEAD OF MEMORIES GROWING DIMMER, MAY THIS BOOK KEEP THEM CONSTANTLY FRESH BEFORE YOU. IT IS WITH THIS PURPOSE IN VIEW THAT THE 1939 COLONIAL ECHO HAS BEEN PUBLISHED.

The College of William and Mary, chartered in 1693, is the second oldest college in this country. Founded with the purpose of bringing a higher education to a struggling young country, it now carries on its tradition in a mature nation by turning out men and women who will be good citizens and leaders.

The vine covered buildings, the shaded brick walks, and many vistas of impressing beauty, are but the outward symbols of the true life and spirit of the college which flow in a deeper and hidden vein.

JOHN
STEWART
BRYAN

◦
PRESIDENT

WHEN a class graduates, a new door is opened through which there is no returning. Like any other violent change, this severing of accustomed bonds has in it both a sense of loss and the exciting stimulus of novelty. No matter how happy and peaceful college life may be, we all know—faculty and students—that no one can remain an undergraduate forever and keep on growing. Equally deep is the certainty that he who would have the fullness of life must have the fullness of opportunity to fall as well as the chance to rise. Here at William and Mary the class of 1939 has had a foretaste of honors and successes, of

trials and disappointments. The world outside can only intensify these experiences; it cannot essentially change them. But William and Mary, in its influence and training, can and does give to its students the will to go forward, the courage to endure, the power to rise, and the resilience to recover. There is no substitute for the will to win, and no energy can replace indomitable spirit. That is what Edmund Burke meant when he cried, as the class of 1939 must cry in its day and generation:

*"Let us pass on! In God's name.
Let us pass on!"*

"A sound mind in a strong body" is a fitting motto for athletics at William and Mary. With a well-organized system of intramural sports and well-trained teams to meet rival colleges, all students have the opportunity to participate.

Athletics

1938 • Sport Season • 1939

Here are the possibilities of another field's being led by William and Mary. Gradually our teams are breaking their leases on the basement and rising toward the penthouse.

Our football team presents the big question mark; and we are optimistic. Let our team be half as good as we think it will be, and it will still be up with the elite of athletics.

Fencing and swimming have always attracted stars here. It has got to the point where, if we weren't William and Mary people, we'd be inclined to be vain.

Possibly the most heartening sign of this season has been the greatly increased power, finesse, and scoring ability of our basketball team. This sophomore group is headed for bigger triumphs.

The young ladies, too, keep quietly and politely advancing on their part. The men's student body keeps an interested eye directed toward them.

Ability and courage, competitive spirit and sportsmanship are herein embodied and herein flourish.

BRANCH BOCOCK

The Athletics Director

As always when it becomes necessary for a man to leave the college who has by his personality and ability made himself important in the lives of the students, we feel considerable regret. In the case of James Branch Boccock we feel more than the usual regret, because he has been for many years an influential and genial member of our college community.

Coach Boccock was graduated from Georgetown University and began his career in the legal department of the Southern Railway Company. During the past thirty-two years he has served as head coach and athletic director of six well-known col-

leges and universities; he has spent five years with the Restoration; and he has even spent four years as Special Agent in the Department of Justice. In nineteen-twenty-eight Mr. Boccock came to the College of William and Mary as head of football. He left in nineteen-thirty-one to accept a position with the Restoration. Five years later he returned to William and Mary as coach of football, and in nineteen-thirty-seven was appointed Director of Athletics at the College.

We say goodbye and good luck to Coach Boccock with the sincere hope that he will be as successful and valuable in his next position as he has been in this.

The football team is the big question mark in the eyes of the loyal followers of William and Mary's colors. We've always seen unrelenting effort, spirit, and, occasionally, have tasted of the fruits of victory. Now we look forward optimistically to a team whose power and scoring ability will not trail its other capacities. Our new coach, Carl Voyles, of no mean reputation, has aimed us at a star, and it only remains to be seen whether or not he will supply the impetus he has promised.

But, come what may, we know our future teams will preserve inviolate the tradition for good sportsmanship and dogged courage in the face of victory and defeat with which they have been entrusted.

F o o t b a l l

Captain Herb Krueger

Herb Krueger has been not only the most popular man on the football squad, admired by his fellow-players and the rest of the college as well, but he has been second to none in his ability on the field. He has shown strength, endurance, aggressiveness, grit, and good football sense while playing a difficult key position.

Herb graduates this year with our good wishes, and sincere regrets. He will be missed by all in the field and on the campus.

Cuseo being tackled in the Apprentice game.

"Here lies the 1938 football team of the College of William and Mary, which fought its heart out and played to the best of its ability." Such could be a fitting epitaph for any number of "unsuccessful" gridiron teams of this past season or any season, and judged from the standpoint of victories and defeats, the Indian eleven was literally buried in defeats, winning only two of its nine scheduled games. Fortunately, however, a win or a loss was not as vital a factor as with some of the other teams in the nation, and while the 1938 Bocock-coached edition was out to win every game; that it went down fighting was a measure of success in itself and lessened somewhat the sting of defeats.

The season was opened in customary fashion—a William and Mary defeat at the hands of superiorly manned Navy at Annapolis. The score was typical, 26-0, but the Indians played a fairly good brand of ball and even seriously threatened to score. Most of the damage was done by Navy passes, and from this game on, the opposition took advantage of the Tribe's weak aerial defense.

In spite of the defeat at the hands of the Midshipmen, it was a rather optimistic squad which went out on the local playing field the following Saturday to engage a smartly-coached team representing the Newport News Apprentice School, which, incidentally, brought along some fifteen hundred enthusiastic supporters. The Shipbuilders turned out to be a band of opportunists, and with the home eleven graciously obliging by playing its poorest game of the year, Newport News recorded a stunning 9-8 upset victory.

Next in line was the yearly battle with Virginia Tech, and the Tribesmen had to travel all the way to Blacksburg to take a 27-0 lacing. Rather than say it was a bad day for the Indians, the better observation is that the Techmen could do no wrong that day and easily turned in their peak performance of the season.

On Friday, October 14th, woefully weak little Guilford came to Williamsburg to make the Indians look like champs. The Quakers did just that, and the whole squad took part in the 45-0 win. In a way the victory was not so sweet because the home forces lost the services of John Dillard, regular right tackle, for the tough V. M. I. game coming up.

Without Dillard, the rest of the forward wall played bang-up ball against the hard-hitting V. M. I. boys in the Indians' Homecoming Day battle. The Keydets figured to win in a romp, but heroic performances by Davidson, Walker, Hook, and Captain Krueger—all seniors—forced the scarlet-clad visitors to take to the air for their only well-deserved touchdown. Keydet aerials worked the ball to the Indian 7-yard line from which point "Sonny" Shelby fired a pass to Paul Shu standing all alone in the end zone. Early in the third quarter when it looked like the game would be tied up, Ruett, Keydet guard, intercepted an attempted Indian pass and dashed 74 yards for the second and final V. M. I. touchdown. The Keydets' all-Southern Conference back, Shu, place-kicked both extra points for a 14-0 score.

Charlottesville was the next stop, and in spite of a valiant fight by the Indians, the combination of their own injuries and Virginia's strength spelled a 34-0 defeat. It was Commonwealth Day and the Cavaliers preserved their record of never having been scored on by a William and Mary football team.

Back home on the following Saturday, Hampden-Sydney supplied just the needed tonic to start the Indians clicking for a change, when the visiting Tigers tallied a third period touchdown and extra-point to take a 7-6 lead. The enraged Indians came bounding back with two touchdowns and a neat 18-7 win.

Any hopes of a William and Mary victory over Washington and Lee in Lexington on the following Saturday were soon shattered when the Generals' big line began mowing down the Indians' offense and opening up large holes in the Tribe's line. Without a good set of backs the Generals won easily 27-0.

This left the team facing the traditional Thanksgiving Day battle with the University of Richmond as the only hope of salvaging the season; and the coaches and the entire campus urged the Tribe to forget all the reverses they had sustained. They did just that and came within an ace of upsetting the highly favored Spiders. A sustained first-period drive netted a William and Mary score, and their 7 to 0 lead appeared safe for half-time at least, but a touchdown pass by Arthur Jones, Richmond back, with thirty seconds remaining in the halt put the Spiders back on even terms. This same Jones booted a field goal in the third quarter to give Richmond a 10 to 7 winning margin. If any team was out to beat Richmond, it was this William and Mary team; it made a gallant attempt at it and came very close to succeeding.

Next season, Carl Voyles, a former assistant to Wallace Wade at Duke, will take over the destinies of the Indians, succeeding Branch Bocock as head coach. He faces a none-too-bright outlook, as graduation takes six regulars from the starting line-up, and little help may be expected from the freshman squad which won but one of its five games.

COACH DOUGLAS

COACH KELLISON

COACH FLICKINGER

Summary of the Players

CAPTAIN HERBERT KRUEGER—Center, from Everett, Mass. Herb is a smart ball player who took over the center position in his sophomore year, and since then he has not been replaced. For sheer grit and aggressiveness, there is no equal on the squad to this 165-pound center. Much to his regret Herb has played his last game of college football.

SAM WALKER—Tackle, from Brooklyn, who weighs 200 pounds and is as fast as any back on the squad. Sam plays guard on the offense and tackle on the defense. He was alternate captain on the Indian eleven this year, and he is easily the cream of the squad in football ability. After this year's performance, Sam should be ranked and compared with William and Mary's All-Time grid greats.

LLOYD PHILLIPS—Back, from Lynchburg, and the fastest man on the entire squad. Lloyd hits his stride in broken-field running and end-run plays. A potential candidate for a Rhodes scholarship, he is also a mainstay on the track team. Next year in his senior year he will come under the tutelage of the new coaching staff, which may make him into one of the best backs in the South.

TOMMY DELLA TORRE—Back, from Richfield Park, N. J., is one of the best defensive backs on the team. Tommy stands only five feet seven inches, but every bit of it is dynamite. He is on the throwing end of the aerial attack and many of his bullet passes were responsible for long gains. Tommy also has played his last college football game.

JOHN DAVIDSON—Guard, from Palisades Park, N. J. Johnny came here from Bergen Junior College and stepped in and took over a regular guard position on the Indian eleven. He is a dependable player on both offense and defense. Although not a flashy player every play finds him in the midst of the heap. Johnny also has played his last game for William and Mary.

MIKE HOOK—Guard, from Erie, Pa., is one of the best liked boys on the squad and one of the most dependable men on the team. He combines his 210 pounds, six feet one inch, with enough football intelligence to hold down a regular guard berth on the team. This is also Mike's last year of football.

STAN KAMEN—End, from Jamaica, N. Y., is smart and aggressive, and is at his best on the receiving end of forward passes. During the 1937 season he was hampered by injuries and much was expected of him this year. However, again the injury jinx trailed him, but fortunately this year he was able to score on many passes.

JOHN DILLARD — Tackle, from Norfolk. Dillard came to William and Mary, and in his sophomore year he earned a regular position at tackle. He plays sound, dependable football, is seldom sensational, but always consistent. John is one of the iron men of the squad, and he will be a very handy man next year in the "New Deal."

DONALD DELUCA—Back and lineman, from Melrose, Mass. Don started the season at end but by the time of the Richmond game he had seen service as a tackle, end, and back. In the backfield he showed up as a consistent gainer in line plunges and as a reliable line backer. As a tackle he was the hardest hitting line man on the field. Don is another of those players who will receive serious attention from the new coaches—for he has two more years of varsity play before him.

ROBERT DOUGLAS—Guard, from Readville, Va. Bob is the largest player on the squad, standing six feet four inches and weighing 210 pounds. Despite the fact that he had never played football before coming to William and Mary, and also that he was hampered by a bad knee injury, Bob's playing has been of a high calibre. An injury, received this year, might mark an end to his football career just as he is entering his senior year.

CHARLES GONDAK — End, from Springdale, Pa. Charlie, as a sophomore, was ranked as one of the first four ends of this year's team. His minutes of play this season were numbered by injuries, but when he was playing he showed great ability as a defensive player. Gondak expects to look forward to a good year under the tutelage of the new coaching staff.

BILL BYRNE—Back, from Evander Childs, N. Y. Bill has showed more improvement than any other sophomore on the squad. He is a shitty runner, a smart passer, and is a hard-hitting line buckler. The educated toe of this lad was responsible for many of the long punts which gave the Indians new hope when the ball was deep in their own territory. Two years of training under Coach Voyles should make Bill one of the best backs that William and Mary has seen in years.

RUDOLPH TUCKER—Center, from Norfolk. Rudy is another product of Maury High who is making good at this school. He is a hard-fighting defensive player who has been overshadowed this year by Captain Krueger. Next year he is expected to be the regular center.

WILLIAM SEAMANS — Back, from Keystone, Pa. Seamans came to William and Mary this fall from Keystone Junior College in Pennsylvania. Used as a reserve back, Bill was a dependable substitute who was called upon frequently to enter the fracas, and therein he displayed his ability as a high-stepping, hard-running back.

CARL M. VOYLES

The new athletic director is Carl M. Voyles, who comes to William and Mary from Duke University with the reputation of being one of the most outstanding coaches in the South.

A native of McCloud, Oklahoma, Voyles attended Oklahoma A. and M. College. After his graduation, Mr. Voyles began his coaching career at Altus High School, Oklahoma. From there he went to Southwestern State Teachers' College as head coach and athletic director, and from the Teachers' College to the University of Illinois as assistant coach. In 1931 he accepted the position of assistant to Wallace Wade at Duke. He was Wade's right-hand man, acting as end coach and varsity scout along with his job as track coach. At William and Mary, Voyles will be Director of Athletics and head coach in basketball and football.

Spring Training Season

The spring football training season lasted for six weeks, during which time about sixty interested candidates were put through a gruelling program. The two scrimmage games held with Georgetown, the first played at Georgetown and the second here, showed the Indian squad to have a great deal of spirit and willingness to work. The spring training season has now become a part of the athletic curriculum, and is expected to improve the calibre of future teams.

The 1938 William and Mary Freshman team completed its season with a record of one game won, one tied, and three lost. The season opened with a victory, and as a result prospects for a successful season were very bright. Otis Douglas, starting his second year as Freshman coach, was called in to assist the varsity staff, and consequently was not able to concentrate all of his attention on the Freshman squad. This loss had dire effects on the team.

In the opening contest with the Norfolk Shipbuilding Apprentice team at home, the Papooses scored two minutes after the opening whistle. Jim Hickey scored on a line buck, and also converted the extra point on a line buck. Later in the same quarter, Walt Matthews scored on a twenty-five-yard run behind beautiful interference. He also kicked the extra point from placement. In the final period Jimmie Howard in a beautiful exhibition of broken-field running scored the final touchdown, making the score 20-0.

The second game, also played at home, was lost to the Fork Union Military Academy by the score of 7-0. Not until the final period was the enemy able to cross the last white stripe. Dick La France, Papoose end, almost tied the score when he recovered a fumble across the goal line

for what looked like a touchdown, only to have the play called back because he had kicked the ball in his attempt to recover it. The punting of Jim Hickey was the outstanding feature of the game.

The Frosh, hampered by injuries and eligibility rules, lost a hard-fought game to the University of Richmond Freshmen by the score of 13-0. The frosh played good ball, but the absence of several of the regulars played an important part in the defeat.

Playing their best game of the season, the little Indians tied the much-favored Norfolk Division team by the score of 6-6. The Papooses scored their only touchdown in the second quarter on a pass from Jim Hickey to Dick La France. The frosh outplayed their rivals in the second half of the game, led by the brilliant tackle play of Elwood Warren.

The final game of the season at the Naval Training Station was lost by the score of 26-14. The frosh were riddled by injuries received in the Division game, and consequently were forced to use a revamped lineup. The Boots scored in every quarter, but the frosh scored only in the first and third quarters. The play of Jack Moore in the backfield and the play of Warren in the line was especially outstanding throughout this game.

William and Mary's basketball team, always a strong and dependable element in the field of sports, feels the influence of a new hand at the tiller. And new guidance brings greater expectations.

Our team has completed a season of which it and we may be justly proud. It heard an impressive list of victories made all the more an item for rejoicing when we consider that the team is composed almost entirely of sophomores. This fact in itself makes our team a strong factor in the Conference race next year, and one to merit our hearty support and whole-hearted confidence.

The 1938 basketball season opened with much doubt and tear as to the success of the William and Mary quintet. With Lusardi on the ineigible list, Coach Kellison had to rely on sophomore material for his first-string combination.

In the opening engagement, the Indians fell victims to a powerful Davidson team, by the score of 55-35. After this bad beginning, the Braves set out on a short two-game trip in North Carolina. At Raleigh, the sophomore line-up of Mackey, Taffe, Gondak, and the Andrews brothers pulled a big surprise by upsetting the favored North Carolina State team by a 32-28 win. The following night the Tribesmen were taken to the tune of 58-35 by the veteran, league-leading Wake Forest five.

The University of Virginia's previously unbeaten Cavaliers were toppled by a 48-38 score in the last few minutes of the game. Against Washington and Lee, the Indians could not keep up their early pace and soon fell far behind. In the second quarter, the Comets burst forth in a scoring spree to finish the game with a final score of 62-42.

The Braves went on the warpath the following evening in Blacksburg and took everything but V. P. I.'s gym where they administered a 46-33 drubbing. The Gobblers jumped to an early lead, which soon faded when the Indians got their passing under control, and began making their shots with more regularity.

The travel-worn Indians returned to Lexington to test the V. M. I. team and showed the effects of the two previous games when they fell before the fast, rough Keydet quintet. The Keydets came out on top with 48 points, despite the 43 points scored by the W. and M. quintet.

Back home again on a familiar court, the Tribe put on a display of scoring power that has rarely been seen in Blow Gym. Led by Mackey, who rang up a total of 23 points, the team went wild at the expense of Randolph-Macon. Scoring over fifty per cent of their shots, the Indians displayed the best offense of the whole year. The final score was 60-37. Two nights later, Tom Andrews went Mackey one better and tossed in 24 points during the Tribe's 64-40 triumph over Hampden-Sydney. Then, V. P. I. fell again before the Indian's mastery, this time 57-30.

Starting the second half of its twenty-game schedule, the Tribesmen invaded Ashland for a return game with Randolph-Macon. W. and M. won 36-25 after a tough first half. A second game with the University of Virginia, this time in Charlottesville, resulted in a 39-37 victory for the Cavaliers.

In the next game, Richmond subdued the Tribesmen 39-36 and maintained its four-year record of never

COACH KELLISON

losing a basketball game to W. and M. During the third period, W. and M. rallied three times to tie the score, but each time Richmond climbed back to regain their margin. Red Taffe accounted for seventeen points for the Tribe, and Burge scored the same number for Richmond.

The next week found the Indian squad traveling to Philadelphia to tackle St. Joseph's, the same team that rocketed to national fame last year. One notable fact about the game was that against competition of such class the Indian sharpshooters continued to roll up their forty points. In spite of this, however, the St. Joseph team emerged on the high side of the 52-43 score.

At College Park, the Indians trounced the University of Maryland to the score of 57-49. Against the Terps, the Indians played one of the best games of the entire year. The Maryland team was unable to cope with the outstanding shooting of the Indians, who were scoring from all angles.

In the Navy game, the Indians, after a scoreless first half, began to score, but the game was already on the ice for the Navy, and the score at the end was 53-29.

Wake Forest brought their team to Williamsburg for a return game and gave Kellison's sophomores their hardest fought game of the season. Half-time found W. and M. in front by six points, but early in the final period, the Deacons put on a display of shooting that swept the tiring Indians off their feet. Tom Andrews tied it up late in the quarter, but in the final seconds, Wake Forest came through with two baskets that gave them the game, 46-42.

In the second contest with W. and L, the William and Mary cagemen played even ball with the Comets for three full periods. The pace soon proved too hot for the Indians, and they fell behind 40-29 with eight minutes left to play. The Tribesmen were unable to catch up and so went down to defeat, 46-37.

At Richmond, the Braves played inspiring ball during the first half and led 18-15, but the absence of the Andrews brothers was sorely felt, and the team lost, 40-31. Again, without the aid of the Andrews brothers, the Indians' offense lacked its usual punch, and so went to defeat in a rough game at the hands of V. M. I. It was William and Mary's final game of the season, and although the skeleton line-up played its heart out, the pace was too fast and the Keydets took the game, 45-30.

Freshman Basketball Season

The 1939 freshman basketball season found Joe Flickenger at the coaching reins for his second year. From the fifteen candidates that reported, Joe had to shape a quintet that would compare favorably with the sensational freshman team of 1938. The '39 frosh proved themselves a very good match for their predecessors by playing a schedule of 16 games, of which they won 14 and lost only 2; both teams that defeated them were later taken into camp.

The little Indians decisively defeated Woodrow Wilson High of Portsmouth in the opening contest, in which the entire squad saw action. In the next game, the Papooses found little difficulty in doubling the score on the Randolph-Macon frosh. In their first game away from home, the fast-moving freshman quintet met defeat at the hands of Norfolk Division. Their "little brothers" from Norfolk led all the way, and the closing gun found the freshmen on the short end of a 38-31 score. In the next four games, Benedictine High, Newport News High, 96th Bombing Division (Langley Field), and McGuire's fell victims to the now well-rounded freshman team.

In their second game away from home, the baby Indians lost a close battle to the Randolph-Macon frosh by the score of 30-28. Putting on a display of steady basketplay on successive nights, the frosh defeated Thomas Jefferson High of Richmond and Fork Union Military Academy. Then came the traditional game with the University of Richmond frosh, which the local team took with ease. The next encounter found the frosh defeating South Norfolk High in a hard fought game that went into an overtime period.

The freshmen closed the season in a blaze of glory by outplaying Norfolk Division, University of Richmond frosh, Maury High of Norfolk, and Hopewell High in quick succession. The whole squad played an excellent brand of ball throughout the season; however, those showing the most promise were Raschi, Chalco, Matthews, Hickey, and Crane. These men will provide the much-needed reserve strength for the varsity squad during the 1940 season.

Baseball, too, has joined in with the crowd, and it will meet the coming season with a new pilot. Rube McCray has come out of the Wesleyan (Tennessee) to strengthen an already strong William and Mary baseball team. We have had and now have men of big-league talent, and it remains for Mr. McCray to guide the power into the proper channels; a job requiring no little ability.

We experience the usual difficulty in peering into the future, but we are confident in forecasting another successful year for our bat wielders.

The 1938 Season on the Diamond

The 1938 varsity baseball team won the state championship with a record of thirteen victories and nine losses. Rosy Waugh turned in a startling record of twelve of the team's victories while losing only one game. Included in these twelve victories was an almost perfect game pitched against the University of Maryland. At the beginning of the northern trip the team lost the services of co-captain Bob Adams for the season. The remainder of the pitching staff consisted of Purtill and Oliver who turned in creditable relief hurling.

The team led by co-captains Bud Metheny and Bob Adams played heads-up baseball all season. Metheny was a powerhouse at the bat with his .750 batting average on the northern trip. Coach Kellison's infield consisted of Frank Yeager at first, Frank Koss at second, Charlie Beale at short, and Red Hern at third. The outer garden was

well patrolled by the hard-hitting Bud Metheny, Charlie Baltimore, and Rudy Tucker.

The varsity nine travelling southwards opened their season by defeating North Carolina State, and the next day emerged on the short end of a 5-1 score with Wake Forest. The Wake Forest team was the only club to take two games from the Indians throughout the season. The team came back to defeat Washington and Lee, Vermont, and V. P. I. in order. Although the next game was won by V. P. I., the Indians followed with victories over V. M. I. and the University of Maryland.

The northern trip was a success, for the Green and Gold team won four and lost two. The Indians lost their first game of this trip in a drizzling rain to Vermont, and also lost the services of Bob Adams, when he was struck on the wrist by a line drive. The next day at Dartmouth

In the first home game after the northern trip, Wake Forest took the Indians 2 to 1, and then the Tribe faced the University of Richmond and the state title. The first game was rained out, but the second proved a brilliant victory for William and Mary. The Indians scalped the Spiders by a 6 to 0 score, thus capturing the title.

COACH McCRAY

CAPTAIN BALTIMORE

The 1938 Freshman Baseball Season

Under the capable direction of Coach William Gooch, the 1938 Freshman Baseball Team kept pace with the championship play of the varsity. Out of ten games played, nine were victories. Among the teams played were: Highland Springs, South Norfolk High, the Norfolk Division of Wm. and Mary, Crewe High School, Thomas Jefferson High, John Marshall, Maury, and Fork Union. Two games were played against the Norfolk Division, and both were victories for our Freshmen.

The hard-hitting outfield of Menz, Chestnut, and V. Andrews, together with the sterling pitching of Mackey and Cornell all helped to make the season successful. Al Chestnut almost equalled the school batting record when he averaged .528 for the year, and Lloyd Cornell proved his ability by pitching two five hitters, one

against Maury and the other against Thomas Jefferson High. Steve Dennis also did a fine job for the Frosh behind the bat. With this splendid material coming up, the Varsity can look forward to a successful season in 1939.

The track team is unique in that it remains under the tutelage of a coach of long standing at William and Mary. "Scrap" Chandler still holds the reins, a fact which attests to the confidence that he commands and to the calibre of the teams that he has turned out.

The student body shares the administration's faith in you, "Scrap," and we feel no qualms as to the team's chances for success this coming year.

1939 Track

The Season

The varsity track team of William and Mary under the coaching of "Scrap" Chandler and captained by George Roller closed the 1938 season with a record of one victory and five defeats. The absence of our former stars of the 1937 season, including Captain Al Degutis, Walt Zable, and Bill Maury, was a considerable loss to the team.

In the Tribe's only indoor meet it met with defeat at the hands of the more experienced University of Virginia team. Virginia took first place in the 100 and the 200-yard dashes, as well as the high and low hurdles.

The first spring meet was held at Lexington with V. M. I. Our defeat of 69½-56½ exhibited our consequent weakness in the field events.

The lone victory of the season was against Hampden-Sidney with a score of 74-52. The squad, although holstered by its previous win, went down to defeat at the hands of the Washington and Lee team. In the Maryland meet, although Roller, Marsh, and Alley turned in creditable races, they were outstepped by Maryland's star miler, Conister. The 80 3-4-45 1-4 score was also due to the excellent showing of Headly and Cronon, two other Maryland stars.

The closing meet of the year with the University of Richmond, after once having been postponed, was finally held with poor results for the Indians. The superiority of Richmond in the field events settled the meet.

In spite of the squad's poor record, Captain George Roller and Bill Marsh, after a successful cross-country season, turned in enviable records in the mile and two-mile events, respectively.

Alley, Hayden, Hudson, and Phillips, Sophomore members of the team, turned in excellent performances

for the year. The Freshman prospects show promise of being valuable additions to the varsity squad.

Coming up from the Freshman squad are Chestnut and Whitehouse, two outstanding weight men, who should strengthen the varsity field department; Everett Williams and Paul Taylor, mainstays of the frosh squad, who will supplement Phillips and Duke; Maisch, a constant winner in the 440 and low hurdles, who will be a welcome addition to the varsity timber toppers; Bob Greene, frosh half-miler, who will join

Jack Hudson and is expected to give creditable performances in that event; Harry Barr, cross-country runner and frosh miler, who will be a running mate for George Roller; and Sam Hedgecock, who will graduate to the varsity squad in the high jump to supplement Vince Lusardi.

Coach Chandler and Captain-elect Duke predict a good season for the Indians in 1939 because of the return of almost the entire 1938 squad and also the increased strength from the Freshman team.

Duke leading in the hurdles against V. M. I.

Freshman Track

Scrap Chandler's 1938 squad of freshmen finished the season in the same manner in which the Papooses have finished for the past two years, with a record of one win, three losses, and a second place in the triangle meet with Maury and John Marshall High Schools. The lone win of the season being a 74 to 43 massacre of the little "Flying Keydets" of V. M. I. The traditional meet with Richmond was for the second consecutive year a defeat for the little Indians; the score was 71 to 44.

The freshmen gave a fine display of courage, stamina, and true Indian spirit despite the fact that they were hopelessly

outclassed by such opponents as Newport News High and the Norfolk Division. The size of the squad and the inability to take many second and third places caused their downfall throughout these meets.

Under the guidance of Coach Chandler the Papooses developed such stars as Everett Williams and Paul Taylor, steady point winners in the 100 and 200; Al Chestnut and Hank Whitehouse in the weights; Marry Maisch, Walter Marsh, Bob Greene, Harry Barr, and Sam Hedgecock in the distance. With the experience gained on the frosh team these above mentioned men are expected to aid the 1939 varsity team to a great extent.

Varsity Tennis

For the past five years the William and Mary tennis team has shown gradual improvement. The 1938 season gave no startling series of wins but it showed a strong team winning half of its games by easy scores. Led by Captain Ryder with veterans Walker, Rennolds and Jaffe giving strong support, the 1938 team ended the spring tours winning six matches and losing six.

Carlton Stublen and Ben Letson played their first year with the squad, bearing up well under the competition. Both men showed their merit by making steady progress, coming up from fifth and sixth positions on the team to third and fourth positions respectively.

Getting off to a head start, the team seemed unbeatable, winning consecutive games from Furman by 4-3, from St. John's by 7-2, and again from St. John's by 8-1, before being overwhelmed by Maryland by a 7-0 score. Regaining their stride, the team stepped in to take two more games from V. P. I. by 7-2 and from Norfolk Division by 7-2. Then, hitting a slump, the boys lost four straight games to Maryland 9-0, University of Virginia, 9-0, University of Richmond 7-2, and North Carolina State 6-1. Hampden-Sydney was taken by 6-3 and, closing the season, Richmond made it two wins over the Indian racquetters by 7-2.

Playing in the number one position, Captain Ryder was the mainstay of the team, with Lorimer, Walker, Jaffe, and Stublen winning more than half their matches. Rennolds, Teal, Letson completed the squad.

Coach Lewis is optimistic for the 1939 year with several sophomores coming in to give strength to the lower brackets. And the team will need strength, for the coming year's schedule is the hardest a William and Mary team has faced in several years. Williams College and Navy are on the schedule in addition to Manhattan College, all three schools somewhat out of the Indian's usual list of opponents. But having lost only one man from 1938, the Indian team should be at their top strength. The 1939 tennis team will probably include Ryder, Walker, Jaffe, Stublen, and Letson.

Varsity Fencing

Under the able leadership of Co-Captains Nick Woodbridge and Ed Ware, the William and Mary fencing team completed a highly successful season with five victories and one defeat. Despite a small squad, the team may be classed as one of the best in the East after placing second in the Eastern Intercollegiate Meet held at Dartmouth. The team will again have a chance to assert its ability in the Southern Conference Tournament which will be held here.

Coached by Tucker Jones, the team was composed of Nick Woodbridge, Ed Ware, Paul Makler, Sam Bessman, Dave Meyer, Armand Harkless, Henry Kibel, Bernie Rang, and Dale Williams.

ADAMS, Co-Captain GOLDBERG, Co-Captain

The William and Mary varsity swimming team, competing against much superior teams than their last year's opponents, turned in a record of four wins and three losses. The team was led by Co-Captains Goldberg and Adams and was ably coached by Otis Douglas. Six members of the 1938 freshman swimming team strengthened the varsity squad.

The Indians opened the season by swamping the Randolph-Macon team by the score of 53-22. In this meet the team's fundamental weakness in the 100-yard free-style event was very apparent.

The Duke Blue Devils invaded the Indian territory several weeks later to find a team crippled by the temporary loss of Adams, veteran diver, and Purtill, 440-yard swimmer.

Back Row: Brown, Adams, Walker, Almond, Goldberg, J. Brennan, Moore, T. Brennan
Bottom Row: Purtill, Senft, Woolley, Allen, Tinsley

At the University of Virginia and at V. M. I. in the following week, the W. and M. mer- men fell prey to determined rivals and were beaten in turn 44-31 and 39-36. In both meets the outcome depended on the 400-yard relay, wherein the Tribe failed to produce the necessary place.

The following week the Douglassmen met a raiding Washington and Lee team, which had a record of 54 straight wins. In one of the most pleasing spectacles witnessed by a Williamsburg audience in many years, the Tribesmen trounced the surprised Generals to the tune

of 54-21, allowing them only two first places.

Within the next seven days North Carolina State and V. P. I. were defeated easily by scores of 42-33 and 51-24 respectively.

At the Southern Conference meet Lenny Goldberg won the breast stroke for his third consecutive year. Johnny Adams gracefully brought the coveted diving crown back to William and Mary.

The other members responsible for many points throughout the year are J. Brennan, T. Brennan, Brown, Moore, Purtill, Stainton, R. Walker, and Wooley.

Freshman Swimming Season

The freshman swimming team had a very disappointing season, due to a misunderstanding of the schedule. There were only two meets held. The record for the season was one game won and one lost.

In the Norfolk Division meet the freshmen showed a strong team while decisively defeating the other Indians by the score of 45-21. In this meet the Papooses won firsts in all but two

events. The outstanding members of the team were Lowe, Merrit, Knowlton, and Scripps in the free-style; Kohrs and Segoine in the back-stroke; Hanson in the breast-stroke; and Rubin in diving.

However, later in the season an unexpected Massanutten team came here to find a depleted team. As a result of this depletion a complete meet was not held and the final score was in favor of the invaders to the tune of 16-41.

The Varsity Club was founded on the order of the "Green Key" Club of Dartmouth. The purposes of this organization are (1) to promote the general welfare of the College of William and Mary (2) to encourage wholesome comradeship and sportsmanship among the athletes and other students of the college (3) to encourage loyalty to the customs and traditions of the college (4) to promote constructive athletics at the college.

A custom has been established which requires all members of the club to wear their monogram

sweaters on each Thursday during the college year. Any student currently matriculated and enrolled at the college and who has formally received an award in any major sport of a varsity monogram is eligible to active membership in the Varsity Club.

This club, which was founded to take the place of the inactive Monogram Club, has completed its second full year on the campus, and has endeavored to carry out its purposes and to cooperate with any other group whose aim is to benefit the college.

The general supervision of athletics for women in the College has been delegated by the President to the Women's Athletic Council. This Council consists of three faculty members appointed by the President, and three students who are elected by the Women's Athletic Association. The Senior representative acts as President of the Council, the Junior representative is the Point Recorder, while the Sophomore representative is the Secretary of the organization.

The Council acts as a directing body for athletics, instigating activities and carrying out requests for new types of programs. The activities of this organization are varied. Each year it supervises the promotion of intramural programs between the sororities and dormitories. In addition, intercollegiate games are scheduled in the four varsity sports by the Council. Through these activities, everyone who is interested is able to participate in any branch of athletics.

Women's Tennis

1938

The William and Mary women's tennis team had a very successful season, losing only two of their many meets.

The season started with the New York trip, where they defeated Manhattanville but lost to Bryn Mawr and Swarthmore. The members of the team who went on the trip were Lisa Bloede, Becky Timberlake, Sally Holladay, Harriet McCarthy, Peggy Lehair, and Betty Wilkins.

William and Mary was host to Sweetbriar, New York University, Farmville, Westhampton, and Mary Washington for a meet late in April. William and Mary won the meet, taking half of the singles matches and all of the doubles matches.

Women's Fencing

The William and Mary women's fencing team started its season with the trip to New York late in February. The team fenced Brooklyn College and Wagoner College, losing one match and winning the other. Both New York University and Hofstra College defeated the team.

William and Mary was host to Rollins College late in March, defeating them 7-2.

The Eleventh Annual Women's Intercollegiate fencing tournament was held at Brooklyn in April. Here William and Mary showed improvement and ability.

The regular team is composed of Doris Locke, Captain; Florence Mode, Frances Reeder and Frances Knight. Carrie Massenburg is manager, and Tucker Jones is the coach.

Varsity Hockey—1939

The varsity hockey team was fortunate in having practically all of its last year's team back, and with the help of Miss Appleby, who coached them for a week before their first game, the varsity developed into a fast, well-coordinated team.

The opening game of the season was played with Ursinus on the William and Mary field. The varsity was defeated after a hard fight.

The State Tournament was held at Fredericksburg, where the varsity met Sweet Briar and Mary Washington. The purpose of the tournament was to choose individual players for the all-Virginia team which was to represent

the state in the Southeastern State Tournament. Six players were chosen from the William and Mary team as members of the all-state team. Douglas, Miller, Burger placed on the first team, the latter two repeating last year's success. Flavell, Lowry, and Woods placed on the Reserves.

The final game of the Southeast Tournament was played in Washington over Thanksgiving and Douglas placed as a second alternate on the Reserve Southeastern Team.

The varsity lost to Beaver College and to Swarthmore in strongly contested games played in Philadelphia the week-end of November twenty-first and twenty-second.

MARTHA BARKSDALE

Miss Martha Barksdale, associate professor of Physical Education, was a graduate of William and Mary in 1921. While a student, she was voted the most athletic girl in the college. She was president of Women's Student Government, and aided in the formation of the Alpha Club which later became the Mortar Board.

Last year, Miss Barksdale was awarded the alumnae medalion for student service in athletics.

Freshman Hockey . . .

VIRGINIA DIX STERLING

Miss Sterling became an instructor of Physical Education here in 1936. At the present time she is Assistant Director of Women's Intramurals and Coach of Freshman Hockey.

The freshman hockey squad of this year showed a decided bit of improvement over those of former years, although there was not much chance to show its ability due to the extremely short season. The team played the Norfolk Division and won the game 3-1. Peggy Allen, as center forward, was the star for our home squad, scoring all three points. She played a good, fast game and kept the other team alert for action.

The freshman team as a body did not play any more games. They joined up with the Reserve squad and helped in making an excellent showing against the Richmond Division. The girls who were promoted to this squad were: Dolly Hiden, Harriet Molloy, Ruth Cloud, Peggy Allen and Trudy Green.

Varsity Basketball Season

The varsity basketball team had an unusually good season this year, winning six and tying one out of the nine scheduled games.

A surprise victory came to our team on the New York trip. The strong Manhattanville opponents had held our team to seven years of defeat. This year the jinx was broken when we conquered them by ten points.

An unusual feature this year was the game with an All-Sorority team. The varsity romped all over the stars, not even allowing them to score a field goal.

Ann Mitchell and Lucy Bennett will remain to build next year's team around. These, plus a better than average freshman team, make the prospect for next year appear good.

Freshman Basketball Season

The first game of the freshman team was played in Jefferson Gym on January 14 with the Norfolk Division. During the first half, the co-eds from William and Mary managed to keep well in the lead, but at the end of the game the score stood at 28-19, in favor of the Division.

On the 18th of the same month, the freshmen went to Norfolk to seek their revenge. This time the local team won by seventeen points.

The last game of the limited freshman season was with St. Catherine's School. The score was 30-20 in favor of the Richmond school.

The Kappa Sigma Fraternity was founded December 10, 1869, at the University of Virginia. It has expanded rapidly since that date throughout the United States and Canada until now it is composed of 107 active chapters. With the encouragement of the late Dr. Lyon G. Tyler, a Kappa Sigma from the University of Virginia, who became President of the College of William and Mary two years before, Nu Chapter was established in 1890 with 14 charter members.

The quantity and the quality of the organizations at William and Mary enable all students to develop their interests in extracurricular activities. Not only are there honor societies to strive for, but also numerous clubs in which the theoretical knowledge of the classroom may be put into actual service.

THE ROYALIST

EDITORIAL BOARD

WARD WHEELER *Editor*
EMORY LEWIS *Managing Editor*
DAVID FORER *Art Editor*

Two years ago there appeared on the campus of William and Mary a pocket-size publication called *The Royalist*. Neither a literary magazine, nor a humor magazine, *The Royalist*, frankly experimental, aimed to be a college magazine. Published entirely by the students and designed to appeal to the whole student body, it included illustrated articles and fiction, cartoons and other humorous features, poetry, book reviews, and photographs of the college. Enthusiastically received from the beginning, it continued to hold student interest through the ever-improving quality of its content and make-up, through the close contact it has kept with the college, and through its spirit of enterprise.

LYNCHBURG ENGRAVED ANNUALS ARE
BUILT UPON YEARS OF EXPERIENCE
AS SPECIALISTS IN THE FIELD OF
SCHOOL PUBLICATIONS

IN successfully fulfilling the requirements of the modern College Annual Staff we have combined a comprehensive and systematic servicing program with that high standard of quality so essential in the production of fine yearbooks. Lynchburg engraved annuals are built by an organization specializing on school annuals exclusively, thereby assuring each staff of the personal and intelligent assistance so necessary in the planning and designing of a truly satisfactory book.
