# DEDICATION

To

Kremer J. Hoke, M.A., Ph.D.

*Dean of the Faculty and of the  
School of Education*

This, the 1930 edition of the *Colonial Echo*,  
is dedicated in grateful appreciation of his  
example as a Scholar, a Teacher, an Adminis-  
trator and a Friend. For it may be said of  
him, and truthfully, that he has ever

*"Spent his state, his strength, and years with  
care,  
That after-comers in them might have  
share."*

# FOREWORD

To you, fellow students, we present this 1930 *Colonial Echo* as a picture of the life that we have been living—joyous and irresponsible, yet tinged with seriousness and sincerity. May it recall the sacred traditions of a glorious past, and remind us of the challenges of a still greater future. And if, in later years, when memories have been dimmed and remembrances have faded, it helps you to live again the days at dear old William and Mary, the joy of service will have been ours.

## *Alma Mater*

Hark! The students' voices swelling,  
Strong and true and clear;  
Alma Mater's love they're telling,  
Ringing far and near.

### *Chorus*

William and Mary, loved of old,  
Hark upon the gale,  
Hear the thunder of our chorus,  
Alma Mater—Hail!

All their sons are faithful to thee  
Through their college days;  
Singing loud from hearts that love thee  
Alma Mater's praise.

Iron shod or golden sandaled  
Shall the years go by—  
Still our hearts shall weave about thee  
Love that cannot die.

God our father, hear our voices,  
Listen to our cry.  
Bless the college of our boyhood,  
Let her never die.

Book III . . . ATHLETICS

WILLIAM S. GOOCH, JR.  
*Director of Athletics*

To William S. Gooch, Jr., director of athletics at the College of William and Mary for the past two years, belongs the sincere gratitude of the student body of this institution as well as a great part of the glory reflected in the following pages of this, the athletic section of the 1930 "Colonial Echo." Under his direction athletics at the college have achieved a place of distinction that merits well the praise of the students. Never before has our college boasted of such consistently winning teams—teams that have attracted wide attention for the undying spirit displayed on many a field and for the wholesome sportsmanship everywhere apparent. To such is due in large portion to "Billy" Gooch. His winning character and magnetic personality is an inspiration to all who come in contact with him. We can safely predict that athletics, under his direction, will continue to improve. His qualities, however, do not end in the realm of athletics. He is a gentleman. So it is to "Billy" Gooch, the gentleman, that the 1930 "Colonial Echo" pays homage.

## FOOTBALL, 1929

Winding up their season with a flourish by defeating Hampden-Sydney to annex the Virginia Conference championship, in addition to piling up a record of eight victories in ten engagements, the 1929 Fighting Virginian football team laid their mol-skins away until September, 1930, after closing one of their most successful seasons.

Summing up the records for the year, we find that the tribe piled up 250 points to lead the state in scoring, while opponents crossed their goal line for only 77. This average of exactly 25 points per game can denote little but a dangerous offensive machine. The fact that the Indians' total points are almost four times as great as that of their opponents graphically denotes also a consistently good defense.

At the opening of the season, Coach Boccock found himself with a vast supply of backs, but with a green line. By constant drilling the team was rounded into pretty good shape for the opening fray with St. Johns on September 28, and was able to topple the Annapolis aggregation, 19-0.

From this opening game the Boccockmen found themselves fighting their way out of one pitfall after another. Injuries held the team back a greater part of the season. Their two

defeats came before mid-season and were at the hands of Navy and V. P. I., but neither by disgraceful or disastrous scores, the Middies cleaning up, 15-0, and the Gobblers pulling from behind in the spectacular Richmond stadium clash to win, 25-14.

The Green, Gold and Silver opened the 1929 season by defeating St. Johns, 19-0, then fell before Navy at Annapolis. In the most hotly contested fray of the year, Emory and Henry was the victim, 7-6, Captain Bauserman's toe being the margin of victory. Following this, V. P. I. scored the second and last victory of the year over the Redskins. The next two games were veritable track meets, Bridgewater going down, 59-0, and George Washington, 51-6. The Roanoke Maroons were taken over, 19-6, to be followed by the reputable Catholic University Cardinals, who met an unexpected 36-13 defeat at the hands of the tribe. In the annual Turkey Day classic, the University of Richmond attempted a spirited assault on William and Mary but was quelled, 25-0, the largest score ever piled up against the Spider by an Indian grid team. The tribe climaxed an uninterrupted march of six victories by defeating Hampden-Sydney, 20-6, to annex the Virginia Conference title.

the season progressed and finished with a collection of 96 points which placed him on the top rung of the state scoring ladder, and procured for him a berth on the all-state eleven. "Bill" Scott, the "galloping ghost," would have probably achieved the same glory but for unfortunate injuries which kept him out of several frays. "Rosy" Ryan at quarterback exhibited remarkable ability in generalship and football craft, and was dependable in the pinches to pass, kick, or run. Captain "Teddy" Bauserman at fullback rounded out one of the best backfields in the state.

Somewhat light, the line supplanted the shortcoming with speed and vigor. "Bill" Fields was always paramount at center with his fast charging, hard tackling, and expert passing. Douglas and Syer proved a well matched pair of guards to flank Fields, while Murphy at tackle was always dependable. Murphy was chosen as alternate tackle on the all-state eleven and was also elected to captain the 1930 Fighting Virginians. Benton played well at the opposite tackle, while Darden, Broderick, Willis, and "Brownie" Bauserman gained prominence on the wing.

Prospects for 1930 are exceptionally bright. With only four lettermen being lost by graduation, Coach Bockock may even produce a better team than the one which represented William and Mary so well last fall.

### Basketball, 1929-30

Swinging into a stride which but few opponents were able to halt, the green-clad basketball squad of William and Mary swept through its 1929-30 season on the maple court, winning sixteen of twenty-two tilts, and finishing with ten successive victories to attach the Virginia Conference championship title.

Led by Captain Mitchell Mozeleski, all-state guard and the team's high scorer, the quintet of Coach John Kellison hung a list of notable achievements. The Indians won three-fourths of their games. Of the six defeats three were lost in the first four games and only one was lost after the mid-point of the schedule. The fact denotes that the improvement in hoop-looping and floor-play bettered consistently as the season progressed. The tri-colors were vanquished only once on the home floor, this game going to Randolph-Macon, the leading state league contender, tied with William and Mary until eliminated

near the close of the season in a colorful climax, 32-30. The Kellison men copped ten of the eleven scraps in the Old Dominion circle.

Four men of the squad of nine led in the formidable scoring attack. Three others tallied more than fifty counters. Captain Mozeleski topped the list with one hundred thirty-seven points; Shaffer, given honorable mention on all-state team, was second with one hundred fourteen; Frank Mozeleski, also an honorable mention, chalked up one hundred thirteen; Silverman, shifty and dapper forward, also mentioned for the mythical team, followed closely with one hundred ten.

Harry Light, whose steady and super-airtight guarding has become an accepted fact, finished his career in collegiate basketball in scintillating fashion, gathering momentum as the season progressed. In all, three men, Jack Sculley, Silverman and Light, are lost to the team by graduation.

Playing a hard schedule of twenty-four games, the William and Mary baseball team made one of the most impressive records in the South. Of their twenty-four games the tribe won fifteen and lost nine. This fine record gave them the state baseball title as well as the Virginia Conference championship.

Sophomores and juniors made up the greater part of the team. Scammons at first, Silverman at second, Ryan at shortstop, and Sauerbrun at third proved to be quite an infield. Captain Bloxom was forced out of the lineup early in the season with a fractured arm. Lankford, Bauserman, Vaughn, and Moseleski figured in the outfield. Either Wallace, Rux, Scott, Callis, or McKann was usually in the box, with O'Farrel, Chambers, or Ferrall behind the bat.

TRACK, 1929

Led by Captain "Granny" Gresham the Indian track team went through the 1929 season with only two defeats. In addition they walked away with the championship in the Virginia Conference meet held in Williamsburg last spring.

During the season eight out of fourteen college records were shattered. New marks were made in every one of the running events as well as in the 220-yard low hurdles and the broad jump.

The college light lads got off to an auspicious start by defeating the University of Maryland and Johns Hopkins University in succession. Following this the Redmen were nosed out by the Flying Keydets from V. M. I. by a bare half point. The following week they lost to Navy, but in their last two meets they completely outclassed the University of Richmond and Catholic University.

### Wrestling, 1930

At the beginning of the wrestling season, Coach "Red" Wilson was faced by only one veteran. With Captain Douglas as a nucleus, Coach Wilson developed a comparatively strong outfit from the material on hand.

The season, however, was not very successful, the Indian neck-twisters winning only one of six meets.

### Swimming, 1930

Turning in a record of four wins and two defeats, the Indian swimming team enjoyed the most successful season since the installation of the sport three years ago.

Led by Captain Phillips, the team scored wins over Fortress Monroe, Catholic University, and the University of Delaware; and bowed only to Virginia and Washington and Lee.

## Freshman Football

The season was opened against the Washington and Lee Generals, a game which was considered the season's objective by Coach Cy Young and the squad, even though it was the curtain raiser. The Ducs came through with a neat victory of 2-0, the score being indicative of the type of game played. Halligan's long run of fifty yards was a feature.

In their second start of the season the Papposes engaged the Apprentice School outfit of Newport News and won by a score of 20-0. The game was not a particularly hard one but it gave the freshmen a good deal of needed experience. Bebaian and Finck were outstanding.

After a couple of weeks' lay-off, the Little Indians invaded the stronghold of V. P. I. and were snowed under to the tune of 41-14. Despite the overwhelming score, the Ducs put up a plucky battle and made a good impression offensively if not defensively. The playing was much closer than the score indicates.

A week later the Emerson Institute of Washington was defeated, 13-0.

As a fitting climax to the collegiate season, the frosh took the Flying Keydets into camp 6-0, a victory which was one of the sweetest of the season. As V. M. I. had defeated the Virginia freshmen who in turn had won from V. P. I., the Indian victory certainly atoned the V. P. I. drubbing. Halligan was outstanding.

## Freshman Basketball

The William and Mary fresh opened their basketball season by defeating the Apprentice School of Newport News, 36-16. Following this victory, the yearlings produced a pair of wins over Fork Union Military Academy and Surry High. The Surry game was rather unusual in that the Ducs piled up one of the largest scores ever made on the Blow Gym floor, the final count being 78-20. In the next fray, the Paposes received their first setback of the season, losing to Maury High, 31-25.

Basketball activities were suspended for a time due to the mid-year exams, but after a two weeks' lay-off, the freshmen began the new semester by making a trip to the western part of the state. The trip was most successful, the Indians winning three out of four games. The silver, green and gold were triumphant over Washington and Lee, 29-24; V. M. I., 27-20; and over Roanoke, 32-28. The one loss came at the hands of V. P. I., who nosed out the visitors by the scant margin of 33-32. This latter game with V. P. I. was perhaps the best and fastest played by the Ducs during the season. Lynn was outstanding for William and Mary.

Returning home, the team again broke into the winning column by defeating Augusta Military Academy, 52-41. Boy's Club of Richmond messed up the plans of the Youngmen by winning, 43-38, mainly through the efforts of Weir, who massed a total of twenty-five points for his team. The frosh proceeded to make up for this loss by capturing the remaining games scheduled, collecting scalps from McGuires and Hampton, Woodrow Wilson and South Norfolk high schools.

## Freshman Baseball

The Little Indians began their season with an impressive victory over the John Marshall High School club, winning by a score of 6-3. The yearlings clinched the game at the start by scoring all of their tallies in the first three innings. Pettit and Cimikosky featured, the former with his air-tight pitching and Cimikosky with a homer.

A few days later, the freshmen followed up the initial victory with two more wins, this time the victims being Woodrow Wilson High and the Apprentice School of Newport News. Griffith and Sundin held the Presidents to four hits and one tally while their mates were accounting for five counters. In the Apprentice game, the Papposes pounded out thirteen hits for a total of seventeen runs and Milchrist duplicated Sundin's and Griffith's fine work by holding the visitors to five safeties and a lone tally.

The fresh made it four in a row by scalping the Hampton High Crabbers, 3-1. Sundin held the schoolboys to three hits.

The next three games were walkaways for the Dues, they denting the rubber fifty-three times while Pettit, Milchrist, Sundin and Griffith were allowing but eleven safe blows to the opponents. Woodrow Wilson was defeated by 15-2, St. Benedictine by 16-1, and Christ Church by 22-3.

The outstanding game of the campaign was provided when Sundin and Griffith once more shared honors in pitching a no-hit, no-run game against Hampton High, William and Mary winning, 12-0. Other high lights included home run clouts by Moseleski and Moore.

The Little Indians wound up the season with no defeats by winning the two remaining games with McGuires and Christ Church.

## Freshman Sports

During the spring and fall semesters of 1929 and a small part of the second semester in 1930, freshmen of the classes of '32 and '33 have demonstrated their athletic ability in no mean fashion. During these periods, they have engaged in thirty-four contests, of which they have won thirty, giving them a winning average of .882 per cent. In these various athletic contests are included track, baseball, football and basketball.

Trackmen, coached by "Scrap" Chandler, have turned in more than their share of victories, winning all of their meets with ease. They not only beat most of the college freshmen and high schools in this section but they can also claim the distinction of being the Virginia Conference Indoor Champions, a distinction which they won a year ago last February at the annual Virginia Conference meet. In their midst was produced Wink Johnson, the man who broke two William and Mary records in the mile and half-mile.

In four outdoor meets, the tracksters rolled up a total of 334½ points against 145 points for their opponents, the last named figure being the combined products of six schools and colleges. The Duc average is 80 points per meet and the individual opponent average totals but 24 points.

Coach Kellison handled the reins of the baseball outfit in as skilful a manner as did Scrap, Kelly's boys winning fourteen out of fourteen games for an average of 1.000. During the campaign, the Ducs averaged a good eight or ten runs a game and the season was well climaxed when Sundin and Griffith pitched a no-hit, no-run game against Hampton High.

Last fall's freshman football team was handled by Coach Cy Young. Cy, one of the most popular men to ever coach at this college, turned in his share of victories, losing but one game out of five. Only one team was able to score a point on the yearlings and the frosh scored on every team they played. Cy has handled the squad with the intention of grooming them for the varsity of future years and it will be surprising if a number of them don't at least make the squad next fall.

Basketball, the last of the four major sports, was also coached by Coach Young and in order to keep up his share of victories, he produced a team which lost but three games out of fourteen. The aggregation scored a total of 577 points to their opponents' 384, giving the Ducs an average of 41 tallies per game and their opponents 27 points per fray.

All of the students and members of the faculty will be sorry to see Cy leave William and Mary, for in the comparatively short time that he has been here he has proven himself to be one of the most popular all-round fellows seen here in many a day. However, in his successor, William and Mary is fortunate in getting back one of her alumni, Meb Davis, who is slated to take over the duties that Cy is relinquishing. Meb will handle freshman football and basketball and in addition will coach the varsity swimming team. Everyone certainly wishes Meb the best of luck when he starts his duties next September and feel sure that he can put on a winning outfit as has his predecessor.

## Women's Sports

Women's sports, under the capable tutelage of Coaches Barksdale and Roberts, achieved the same success during the year 1929-30 as of former years. The hockey season on November 2d opened with Sweetbriar and the Indianites emerged on the short end of a 6-0 score. The entire game although close was chiefly played on William and Mary's defensive ground, with Maffett, goal-keeper, stopping the onslaught time and again in spectacular fashion. She was ably supported by the half-backs, Johnson and Chewning, who played close to the goal and at times held the Sweetbriar forwards for some pretty fighting. On the forward line for William and Mary, Pearl Young, the speedy little inner, fought hard to take the ball down the field to score.

November 25th the capitol city witnessed the final fray of the season when the squaws from Williamsburg met the George Washington team and emerged with a 4-2 victory. Emily Dunleavy, this time at center forward, led the attack with two goals. Anna Sollenberger and Pearl Young also displayed great work in this game. The game on the whole was gruelling, but demanded excellent team work.

This season marks the grand final for several outstanding figures on the field. Charlotte King, center forward, leaves after three years of varsity playing. Helen Maffett finishes a similar career of varsity successes. Other graduates include Mary Quick, Nancy Johnson and Sue Cornick.

The William and Mary basketball team, after four years of court supremacy, opened their season with a victory over Sweetbriar College to the tune of 24-19. Ford and Chewning were the strongholds for William and Mary in the center division, while Anna Sollenberger accounted for the greatest number of points.

On February 22d the George Washington sextette invaded the Restoration City to avenge the many defeats that they had received during the past few years. To celebrate the birthday of their namesake they proceeded to make the best of the occasion. Bibee started at center for William and Mary, but was replaced later by Ford. Barbara Wyatt was outstanding for William and Mary. At guard Lois Roberts led the attack in a futile attempt to halt the visiting forwards' deluge of goals. Coach Atwell's proteges were too fast for the Indianettes. Their passing was exceptional and their technique excellent and polished. The final score read 27-18 in favor of the Capitol City girls. This was the first defeat that the William and Mary players had suffered for four years.

On March 1 the team started on their Northern trip to play Beaver College, Savage Normal College and New York University. This trip in some respects was successful and displayed the missing strategy of some of last year's players.

Mortarboard is a national women's honor society, whose members are elected in their junior year on the three-fold basis of scholarship, leadership and personality. The local chapter of Alpha Club was founded in 1918, when women students were first admitted to the college, and is the oldest co-ed organization at William and Mary. It was installed as a part of the national organization of Mortarboard in December, 1929. It endeavors to contribute some valuable service to the college each year, to foster and encourage scholarship and a wholesome college spirit. Mortarboard is the only women's senior honorary society in the United States.

It seeks to establish on a firm basis intersociety debates and forensic contests, and emphasizes intersociety rather than intercollegiate forensics. Membership in the local chapter is offered to those who have done distinctive work in some line of forensic work.

During the 1929-30 season the William and Mary Men's Glee Club met with great success. After a series of profitable concerts and radio programs it traveled to Greenville, S. C., to capture a very difficult second prize in the Southern inter-collegiate contest. In this contest the leading colleges and universities of the South were represented. The club, although slightly smaller in number, has hopes for even greater things during the coming year.

ALTHEA HUNT, *Director of Dramatics*

## Dramatics

Dramatics, under the direction of Miss Althea Hunt, have played an important role in campus activities at the College of William and Mary for the past year. The dramatic department sponsored fifteen programs, which included eighteen one-act plays, five of which were written by students, and five major productions.

While each one of the plays deserves favorable criticism, limited space compels us to confine our praise to a small number of the plays which, in our opinion, are outstanding in their effectiveness.

With the production of the "Taming of the Shrew" by Shakespeare under the auspices of the local chapter of Theta Alpha Phi, national dramatic fraternity, on March 27, 1929, a new precedent, that of giving at least one Shakespearean play a year, was established. The comedy was a difficult one, and its excellent performance was due largely to effective scenery, lighting and costumes, plus the skill of the characterization of all the characters.

Just about three weeks after the fall term of school opened, October 13, Theta Alpha Phi presented Henry Hubert Davies' rollicking comedy, "The Mollusc." Patruchia Clarke, with her clever stage alertness and acquired English accent, carried the main action without a flaw. DeEtte Jones, Barnard Wallack, and Edward Fales upheld their roles admirably. With this production the cast and Miss Hunt journeyed to Schenectady, New York, and Hampton, Va., where they played before crowded and enthusiastic audiences.

December 12 and 13 witnessed the performance of Eugene O'Neill's famous play, "Anna Christie." A large part of the success of the play was due to the suggestive scenes and the very effective lighting. However, the work of Evelyn Kohlmorgan and Maurice Brekwitz as leading characters, and Truman Welling as another major actor, was commendable. It may be said that this play was one of the outstanding given here during the last four years.

Dramatics, at William and Mary, has won on its own merits a place of distinction as a campus activity. After witnessing the phenomenal advance of dramatics during the past few years it may be expected that their successes will continue under the capable direction of Miss Althea Hunt.

The Young Men's Christian Association at the college has for a long time done an important work in standing for a high spiritual life among its members and working throughout the college for the advancement of Christianity. The meetings of the association are often addressed by the ministers of the town, by members of the faculty, by student members of the association, and by visiting speakers. A feature of the work of the organization for the last two years has been the sponsoring of fitting programs that have been broadcast over WTAR at Norfolk, Va., and received with widespread enthusiasm.

The Y. W. C. A. at William and Mary was formed in the spring of 1920 and has been growing rapidly ever since. It has now become a strong influence on the campus. Under its auspices are held regular meetings, both secular and devotional, through which interest is aroused in affairs of important in the world, in charities, and in missions. The association plans formal entertainments for the pleasure of the students and organizes trips to neighboring places of interest.

### Men's Honor Council

The Honor System at the College of William and Mary is one of its cherished priorities. Changing student bodies have brought different ideas as to its relative value, but its present position bespeaks the success of the ideals that it stands for.

Respected as an institution and beloved as a valuable possession, it cannot help but continue as a vital and necessary factor in student life at William and Mary.

*What Business Shall I Enter?*

This is the question that must soon be answered by many a young man leaving college to make his way in the world. For him who is ambitious and willing to work, life insurance offers abundant opportunity and high reward. Unique in that it requires little, if any, capital, it is a business in which the effort contributed is the measure of progress, a business in which a man writes his own pay check.
